Making Cocoa for Kingsley Amis Wendy Cope, 2010-07-15 When Making Cocoa for Kingsley Amis was first published it catapulted its author into the bestseller lists and established her as one of our funniest and most eloquent poets There are so many kinds of awful men One can t avoid them all She often said She d never make the same mistake again She always made a new mistake instead from Rondeau Redoubl Making Cocoa for Kingsley Amis Wendy Cope, 1997 One of a series of titles first published by Faber between 1930 and 1990 and in a style and format planned with a view to the appearance of the volumes on the bookshelf These poems by Wendy Cope include parodies by Jason Strugnell of Radio 3 s Shall I Call Thee Bard and lyrical poems Serious Concerns Wendy Cope, 2019-09-05 Wendy Cope s first book of poems and parodies Making Cocoa for Kingsley Amis went straight into the bestseller lists Its successor Serious Concerns has proved even more popular addressing such topics as Bloody Men Men and Their Boring Arguments Two Cures for Love Kindness to Animals and Tumps Typically Useless Male Poets This beautifully designed edition forms part of a series of ten titles celebrating Faber's publishing over the decades New Perspectives on Women and Comedy Regina Barreca, 2022-04-26 First published in 1992 the twenty one original essays in this volume explore the way women have used humor to break down cultural stereotypes between the genders Examples from literature and the performing arts deal with humor and violence humor and disability humor and the supposition of women's shame lesbian and ethnic humor and particularly women's responses to men's humor. The essayists present traditional issues from new perspectives and take us from Italy in the Renaissance to today s New York comedy clubs They may make you laugh they may make you nervous They will certainly make you reevaluate the importance of placing women at the center of a discussion of comedy The Encarta Book of Quotations Bill Swainson, 2000-09-30 Here are 25 000 quotations drawn from the history politics literature religions science and popular culture of the world ranging from the earliest Chinese sages through Shakespeare to the present day Cope Rory Waterman, 2021 This is the first critical book on the poetry of Wendy Cope one of Britain's most widely read poets Rory Waterman considers her five adult collections her works for children and her uncollected poems with many close readings and careful consideration of her cultural and literary contexts and her poetic development Poetry Handbook Dinah Livingstone, 1992-11-10 This poetry handbook is for anyone interested in poetry today members of poetry workshops students or individuals at home It covers traditional metres sound patterns and forms but its emphasis is strongly on the more difficult questions of the rhythm sound and shape of contemporary poetry It discusses poetry s content and scope poetry in society both in Britain and by way of contrast revolutionary Nicaragua This is followed by a chapter on translating poetry The conclusion makes some suggestions about where to look or go for poetry in Britain today Reading Postwar **British and Irish Poetry** Michael Thurston, Nigel Alderman, 2013-11-05 Combining detailed explorations of both mainstream and experimental poets with a clear historical and literary overview Reading Postwar British and Irish Poetry offers readers

at all levels an ideal guide to the rich body of poetic works published in Britain and Ireland over the last half century Features detailed discussions of individual poems that are widely available in anthologies and selected poems volumes Pays explicit attention to how to read the poems focusing on language and form and the institutional conditions of literary possibility in which poets worked Includes poets of all types and styles from throughout the post war period including canonical and mainstream poets alongside experimental poets women and poets of color Poetry by Heart Andrew Motion, 2014-10-02 Poetry by Heart based on the hugely successful nationwide schools competition 200 magical poems to learn by heart The poems we learn stay with us for the rest of our lives They become personal and invaluable and what s more they are free gifts there for the taking Simon Armitage Two years ago former Poet Laureate Andrew Motion had the idea of setting up Poetry by Heart a nationwide annual competition for secondary schools which asked contestants to learn two or three poems and be judged on their recitations first at school level then regional then in a national final held at London's National Portrait Gallery It's proved a huge success with hundreds of schools participating in the first year and numbers up by 20% in the second Coinciding with the start of the third year of competition and published on National Poetry Day whose theme coincidentally in 2014 is Recitation this Poetry by Heart anthology brings together the pool of poems 200 altogether from which contestants make their choices Specially picked by Motion and his three co editors these poems make up a treasure house of almost unknown poems and familiar poems from the mainstream love poems and war poems funny poems and heartbroken poems poems that recreate the world we know and poems written on the dark side of the moon And all chosen with a view to their being recited out loud From William Wordsworth to Wilfred Owen Emily Bront to Elizabeth Bishop this wonderfully enjoyable anthology will be enjoyed by all ages and includes the best poets from the past to the present day In a groundbreaking feature the book includes QR codes which allow readers to use their mobile phones to listen to recordings of the poems many of them specially recorded by the poets themselves Sir Andrew Motion was Poet Laureate from 1999 till 2009 and is Professor of Creative Writing at Royal Holloway College London Jean Sprackland sTilt won the Costa Poetry award in 2008 She is a Reader in Poetry at Manchester Metropolitan University Julie Blake is co Founder and Director of The Full English an organization based in Bristol which provides support to teachers of English Literature Mike Dixon is an educational consultant specializing in English in the classroom Drypoint Jamie McKendrick, 2024-07-30 Jamie McKendrick's Drypoint depicts the turbulent present with incisive detail while often taking us back to an equally conflictual Biblical or classical world Acute and stoical in tone these poems transport us by bus or ferry or ghostly Rolls Royce to the cobbled streets of Ferrara the once Greek port of Smyrna the bombed acres of Liverpool and Mariupol and to places not to be found on any map places where North was south being lost like this Like his immigrant muntjac the poet disregards walls and fences and breaks through the borders of our ruled enclosures. The presence of translations from poets ancient and modern is another example of the way space and time are here collapsed and reconfigured in a language rich with

associations historical and vernacular An Introduction to Poetic Forms Patrick Gill, 2022-12-29 An Introduction to Poetic Forms offers specimen discussions of poems through the lens of form While each of its chapters does provide a standard definition of the form in question in its opening paragraphs their main objective is to provide readings of specific examples to illustrate how individual poets have deviated from or subverted those expectations usually associated with the form under discussion While providing the most vital information on the most widely taught forms of poetry then this collection will very guickly demonstrate that counting syllables and naming rhyme schemes is not the be all and end all of poetic form Instead each chapter will contain cross references to other literary forms and periods as well as make clear the importance of the respective form to the culture at large be it the democratising communicative power of the ballad or the objectifying male gaze of the blazon and resistance to same in the contreblazon the efficacy of form is explored in the fullness of its cultural dimensions In using standard definitions only as a starting point and instead focusing on lively debates around the cultural impact of poetic form the textbook helps students and instructors to see poetic forms not as a static and lifeless affair but as living breathing testament to the ongoing evolution of cultural debates In the final analysis the book is interested in showing the complexities and contradictions inherent in the very nature of literary form itself how each concrete example deviates from the standard template while at the same time employing it as a foil to generate meaning Basisbog Til Gymnasiet Og Hf ,2009 **Poetry Today** Anthony Thwaite, 2016-04-15 This is the most authoritative and up to date survey of contemporary British poetry 1960 1995 It is the third version but second edition published by Longman of a successful survey that first appeared 30 years ago and provides a succinct and accessible overview of British poets movements and themes ideal for English courses and the general reader alike Fourteen on Form William Baer. 2009-06 When free verse and its many movements seemed to dominate poetry other writers worked steadfastly insistently and majestically in traditional forms of rhyme and meter Such poets as Anthony Hecht Donald Justice Derek Walcott and Richard Wilbur utilized sonnets villanelles blank verse and many other forms to create dazzling lasting work Their writing posed a counterpoint to free verse sustained a tradition in English language verse and eventually inspired the movement called New Formalism Fourteen on Form Conversations with Poets collects interviews with some of the most influential poets of the last fifty years William Baer editor of The Formalist asks incisive questions that allow writers to discuss in detail a wide range of topics related to their work methods of composition and the contemporary poetry scene Maxine Kumin reflects on being a woman poet during a period in which women were not encouraged to submit to journals With clarity and passion Walcott remembers the impetus of his famous Eulogy to W H Auden British poet Wendy Cope talks about the differences between how her barbed poems are received in England and abroad The conversations return continually to the serious matter of poetic craft especially the potential power of form in poetry These well paced conversations showcase poets discussing their creative lives with insight and candor The sum total of their forthright opinions in Fourteen on Form not only elucidates the

Exploded Lyric it examines the broad range of contemporary tendencies from the baroque swagger of the Dandies to the restrained elegance of the Oxford Elegists from the layered haunting verse of Mythopoesis to the inventive explorations of the New Formalists By probing the cultural context from which these groups emerge and shifting the critical focus back to the work itself Sampson s astute analysis illuminates and demystifies each of these terms and asks the big questions about what makes a poem The result is a celebration of poetry as a connected responsive and above all communitarian form Lively engaging and inviting this is the indispensible and authoritative guide for anyone who s ever wondered what s going on in British poetry today *Parody* Professor Simon Dentith,2002-09-11 This lively introduction demonstrates the importance of parody for literary and cultural studies clearly explaining complex arguments around it
