In this book, Jim George uses helpful stories and illustrations to walk boys through the kinds of choices they are likely to face each day: choices to listen to their parents, do their best in school, sports, and activities; select friends with care; be kind to siblings and others; help out at home; and use good manners. Through the use of real-life scenarios, Jim George equips boys to build good character, the kind that will stay with them for life and honor God's standards. *Making Good Choices: Evaluating Consequences* Rachael Morlock, 2019-12-15 Every day young people make large and small decisions that affect them and the people around them. Evaluating consequences is a critical step in good decision-making at any age. Readers will explore strategies for identifying and weighing their options before making a decision. They will be encouraged to look ahead, imagine the consequences of different actions, take the perspective of others, and make the best choice.
