*Pre-Gay L.A.* C. Todd White, 2010-10-01 This book explores the origins and history of the modern American movement for homosexual rights which originated in Los Angeles in the late 1940s and continues today Part ethnography and part social history it is a detailed account of the history of the movement as manifested through the emergence of four related organizations Mattachine ONE Incorporated the Homosexual Information Center HIC and the Institute for the Study of Human Resources ISHR which began doing business as ONE Incorporated when the two organizations merged in 1995 Pre Gay L A is a chronicle of how one clandestine special interest association emerged as a powerful political force that spawned several other organizations over a period of more than sixty years Relying on extended interviews with participants as well as a full review of the archives of the Homosexual Information Center C Todd White unearths the institutional histories of the gay and lesbian rights movement and the myriad personalities involved including Mattachine founder Harry Hay ONE Magazine editors Dale Jennings Donald Slater and Irma Wolf ONE Incorporated founder Dorr Legg and many others Fighting to decriminalize homosexuality and to obtain equal rights the viable organizations that these individuals helped to establish significantly impacted legal policies not only in Los Angeles but across the United States affecting the lives of most of us living in America today

*Gay L.A.* Lillian Faderman, Stuart Timmons, 2009-08-03 Charts LA's gay history from the first missionary encounters with Native American cross gendered two spirits to cross dressing frontier women in search of their fortunes and from the 1960s gay liberation movement to the creation of gay marketing in the 1990s

*Making History Matter* Robert Dawidoff, 2000 This collection of Robert Dawidoff's essays and journalism is peopled by the likes of the Founding Fathers Fred Astaire Henry and William James Sophie Tucker Trent Lott and Cole Porter Drawing together this unlikely cast of characters Dawidoff probes into the role of outsider groups as well as intellectual and political elites in the formation of American culture As a scholar of intellectual and cultural history Dawidoff takes the stance that historians ought to take an active role in our democratic culture informing and participating in public discourse He argues for a broad reach when it comes to cultural expression resisting the polarization of formal intellectual history and folk or commercial popular culture In his view and in his book Ralph Waldo Emerson and Katharine Hepburn are equally worthy topics for a historian's consideration providing that they are treated with equal seriousness of purpose and analytic rigor In The Gay Nineties section that closes the book he traces key events in the continual struggle for gay and lesbian civil rights and takes on such unresolved issues as safer sex needle exchange programs to control HIV

transmission and the public controversy around the portrayal of gay and lesbian television characters Divided into sections that deal with the patriarchs of American political and intellectual culture expressive culture and a historian's public voice this book is a model of engaged and engaging writing Accessible and witty Making History Matter will appeal to general and academic readers interested in American history as well as gay and lesbian political and cultural issues Author note Robert Dawidoff is John D and Lillian Maguire Distinguished Chair and Professor of History at Claremont Graduate University He is most recently the author with Michael Nava of Created Equal Why Gay Rights Matter to America and The Genteel Tradition and the Sacred Rage High Culture V Democracy in Adams James and Santayana Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Liberating Minds Norman G. Kester, 1997-01-01 In this work over 30 librarians such as James V Carmichael Jr Sanford Berman Martha E Stone Gerald Perry Barbara Gomez and Martha Cornog address gay and lesbian issues facing the profession and in some cases offer their own stories of understanding their sexuality and its implications on their professional lives Some of the issues addressed are the need to uphold intellectual freedom challenging the censorship of gay materials in libraries AIDS material in the library the information needs of gay and lesbian patrons collection development and confronting homophobia *The Gay Liberation Youth Movement in New York* Stephan Cohen, 2007-11-21 Between 1966 and 1975 North American youth activists established over 35 school and community based gay liberation youth groups whose members sought control over their own bodies education and sexual and social relations This book focuses on three groundbreaking New York City groups Gay Youth GY Street Transvestite Action Revolutionaries S T A R and the Gay International Youth Society of George Washington High School GWHS from the advent of gay liberation in NYC in 1969 to just after its dissolution and the rise of identity politics by 1975 Cohen examines how gay liberation with its rejection of stultifying sex roles attack on institutional oppression connection between personal and political liberation celebration of

*Love's Next Meeting* Aaron Lecklider,2021-06-15 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the

dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left s influence on American culture Combining rich archival research with inventive analysis of art and literature Love s Next Meeting explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged Love s Next Meeting cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century *Gay and Lesbian Rights* Richard Peddicord,1996 This book is unique in setting the question of homosexuality in its historical legal political and religious contexts in North America It is no longer possible in Catholic ethics to address sexual morality with a model of absolute moral norms immune from the ambiguities and complexities social justice issues introduce Peddicord looks at the personal and social sides of homosexuality and fairly examines all sides of the Roman Catholic response Lisa Sowle Cahill Boston College

**The City Aroused** Damon Scott,2024-01-02 A history of San Francisco that studies change in the postwar urban landscape in relation to the city s queer culture The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco By reconstructing the planning and queer history of waterfront drinking establishments Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far reaching implications for the national gay rights movement Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s seamen s hangouts in the city came to resemble gay bars Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area This practice ended when city redevelopment officials began acquiring land in the early 1960s Aided by law enforcement they put these queer social clubs out of business replacing them with heteronormative desexualized land uses that served larger postwar urban development goals Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape

**AIDS Narratives** Steven F. Kruger,2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public

attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual's bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it Forging Gay Identities Elizabeth A. Armstrong, 2002-12-15

Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences *Forging Gay Identities* explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s *Out in Central Pennsylvania* William Burton, 2020-06-22 Outside of major metropolitan areas the fight for lesbian gay bisexual and transgender rights has had its own unique and rich history one that is quite different from the national narrative set in New York and California *Out in Central Pennsylvania* highlights one facet of this lesser known but equally important story immersing readers in the LGBTQ community building and social networking that has taken place in the small cities and towns in the heart of Pennsylvania from the 1960s to the present day Drawing from oral histories and the archives of the LGBT Center of Central PA History Project this book recounts the innovative ways that LGBTQ central Pennsylvanians organized to demand civil rights and to improve their quality of life in a region that often rejected them Full of compelling stories of individuals seeking community and grappling with inequity harassment and discrimination and featuring a distinctive trove of historical photographs *Out in Central Pennsylvania* is a local story with national implications It brings rural and small town queer life out into the open and explores how LGBTQ identity and social advocacy networks can form outside of a large urban environment **The Columbia Reader on Lesbians and Gay Men in Media, Society, and Politics** Larry P. Gross, James D. Woods, 1999

More than 100 articles essays letters and primary documents cover the formation of gay identity religious scientific medical and legal perspectives the mainstream media lesbian and gay media and community prospects and tactics **Before Stonewall** Vern L Bullough, 2014-02-04 Explore the early history of the gay rights movement In the words of editor Vern L Bullough Although there was no single leader in the gay and lesbian community who achieved the fame and reputation of Martin Luther King there were a large number of activists who put their careers and reputations on the line It was a motley crew of radicals and reformers drawn together by the cause in spite of personality and philosophical differences Their stories are told in the following pages *Before Stonewall Activists for Gay and Lesbian Rights in Historical Context* illuminates the lives of the courageous individuals involved in the early struggle for gay and lesbian civil rights in the United States Authored by those who knew them often activists themselves the concise biographies in this volume examine the lives

of pre 1969 barrier breakers like Harry Hay Henry Gerber Alfred Kinsey Del Martin Phyllis Lyon Jim Kepner Jack Nichols Christine Jorgensen Jose Sarria Barbara Grier Frank Kameny and 40 more To anyone with an interest in the history of the gay lesbian rights movements in the United States these names will be familiar but did you know that in addition to their groundbreaking activism Prescott Townsend was a Boston Brahman Dorr Legg was a Log Cabin Republican Harry Hay was at one time a member of the Communist party Jim Kepner was a boy preacher Troy Perry was removed from the ministry of his church for homosexuality and then founded the gay friendly Metropolitan Community Church Reed Erickson a transsexual millionaire who gave millions to the cause kept a pet leopard called Henry Barbara Gittings set up a kissing booth at the American Library Association convention and urged attendees to kiss a gay or lesbian Before Stonewall is a perfect ancillary text for any gay lesbian studies course but more to the point no one interested in these heroic figures and the movements they ignited should be without this book which received an honorable mention in the 2004 Stonewall Book Awards     **Women Imagine Change** Eugenia C.
