Making Innovation Pay People Who Turn It Into Shareholder Value:

Making Innovation Pay Bruce Berman, 2006-06-12 Many companies and executives talk about patents but few can demonstrate significant returns from them Who are the elite companies and managers that have created wealth and profit from IP rights and how have they done it What do they advise others to do to achieve higher profit margins better returns on costly R D and increased shareholder value This reader friendly book focuses on ten companies and managers advisors who have successfully implemented wealth generating patent programs and shows you how you can do it too *Built to Thrive: Using Innovation to Make Your Mark in a Connected World* Jay van Zyl, 2011-11-12 Built to Thrive is about unpacking the drivers that I have noticed in the landscape that do not yet have a place in our existing vocabulary It is about ceasing to ignore the signs and beginning to embrace the changes that are becoming more tangible with every day that passes It is about recognizing the amplified importance of the human as a social being in this dawning age of transparency and systemic activity The individual becomes the collective as we move into a sphere of shared value creation ideation and knowledge dissemination Existing in this new business landscape is not about eliminating the competition but rather working together in a bid to share resources and expand far beyond what we could ever hope to achieve as individual organizations Through Built to Thrive I hope to open your mind and introduce you to a way of thinking that will fundamentally shift your views and may provide a lifeline in a world where the new school will rule

The Harriman House Book of Investing Rules Philip Jenks, Stephen Eckett, 2011-02-21 For the first time the tactics strategies and insights relied on by 150 of the world's most respected financial experts are revealed in a concise digestible form Learn how you really make money in the markets from fund managers of billion pound equity funds traders in the options and futures markets industry rated analysts economists from top business schools writers on leading financial newspapers Each provides focused and practical rules on how to succeed in the market Often counter intuitive their rules tell you exactly what to do and what not to do No padding just a rock hard list of do's and don'ts The contributors to this book are the elite of investing They consistently beat the market because they know which shares to buy at what price and when And just as importantly they know when to sell Never before has so much quality advice been packed into a single book If you want to increase your wealth through investing this is an unmissable opportunity to acquire knowledge and skills from the best in the world

From Assets to Profits Bruce Berman, 2008-12-03 Edited by IP communications expert Bruce Berman and with contributions from the top names in IP management investment and consulting From Assets to Profits Competing for IP Value and Return provides a real world look at patents copyrights and trademarks how intellectual property assets work and the subtle and not so subtle ways in which they are used for competitive advantage Authoritative and insightful From Assets to Profits reveals the most relevant ways to generate return on innovation with advice and essential guidance from battle tested IP pros *iProperty* William Barrett, Christopher Price, Thomas Hunt, 2008-01-07 In today's turbulent global economy companies establish competitive

advantage by creating the most exciting ideas and taking them to market To sustain this competitive advantage and thrive long term innovative companies must use intellectual property to protect their valuable ideas iProperty explores the intellectual property strategies and tactics used by successful companies to protect ideas It answers the question If I m serious about strategically deploying intellectual property in a way that benefits my bottom line what should I do on Monday morning to make that happen Too often books dealing with strategy remain high level and vague while intellectual property books frequently bog the reader down in the intricacies of patent laws and regulations Avoiding these extremes iProperty emphasizes the concrete details involved in actual implementation and provides executives managers and attorneys with practical advice for developing and executing a strategic intellectual property plan that will yield a measurable return on investment
