

The Making of English National Identity

Krishan Kumar

Making Of English National Identity

Robert Tombs

Making Of English National Identity:

The Making of English National Identity Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar's lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are *The Making of English National Identity* Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar's lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are *The Monarchy and the British Nation, 1780 to the Present* Andrzej Olechnowicz, 2007-11-29 What has been the function of monarchy in the political and social life of Britain *Christian Zionism and English National Identity, 1600-1850* Andrew Crome, 2018-06-01 This book explores why English Christians from the early modern period onwards believed that their nation had a special mission to restore the Jews to Palestine It examines English support for Jewish restoration from the Whitehall Conference in 1655 through to public debates on the Jerusalem Bishopric in 1841 Rather than claiming to replace Israel as God's elect nation England was chosen to have a special but inferior relationship with the Jews Believing that God blessed those who bless the Jewish people this national role allowed England to atone for ill treatment of Jews read the confusing pathways of providence and guarantee the nation's survival until Christ's return This book analyses this mode of national identity construction and its implications for understanding Christian views of Jews the self and the other It offers a new understanding of national election and of the relationship between apocalyptic prophecy and political action *The Idea of Englishness* Krishan Kumar, 2016-02-24 Ideas of Englishness and of the English nation have become a matter of renewed interest in recent years as a result of threats to the integrity of the United Kingdom and the perceived rise of that unusual thing English nationalism

Interrogating the idea of an English nation and of how that might compare with other concepts of nationhood this book enquires into the origins of English national identity partly by questioning the assumption of its long standing existence It investigates the role of the British empire the largest empire in world history in the creation of English and British identities and the results of its disappearance Considering the myths of the English the ideas and images that the English and others have constructed about their history and their sense of themselves as a people the distinctiveness of English social thought in comparison with that of other nations the relationship between English and British identity and the relationship of Englishness to Europe this wide ranging comparative and historical approach to understanding the particular nature of Englishness and English national identity will appeal to scholars of sociology cultural studies and history with interests in English and British national identity and debates about England s future place in the United Kingdom

British Foreign Policy, National Identity, and Neoclassical Realism Amelia Hadfield-Amkhan,2010-10-16 This groundbreaking study offers a genuinely multidisciplinary exploration of cultural influences on foreign policy Through an innovative blend of historical analysis neoclassical realist theory and cultural studies Amelia Hadfield Amkhan shows how national identity has been a catalyst for British foreign policy decisions helping the state to both define and defend itself Representing key points of crisis from the past two centuries her case studies include the 1882 attempt to construct a channel tunnel to France the frantic 1909 Dreadnought race with Germany the 1982 Falklands War with Argentina and the 2003 decision to remain outside the Eurozone The author argues that these events marking the decline of a great power have forced Britain s society and government into periods of deep self reflection that are carved into its culture and etched into its policy stances on central issues of sovereignty territorial integrity international recognition and even monetary policy

English National Identity and Football Fan Culture Tom Gibbons,2016-05-13 In recent years scholars have understood the increasing use of the St George s Cross by football fans to be evidence of a rise in a specifically English identity This has emerged as part of a wider national response to broader political processes such as devolution and European integration which have fragmented identities within the UK Using the controversial figurational sociological approach advocated by the twentieth century theorist Norbert Elias this book challenges such a view drawing on ethnographic research amongst fans to explore the precise nature of the relationship between contemporary English national identity and football fan culture Examining football fans expressions of Englishness in public houses and online spaces the author discusses the effects of globalization European integration and UK devolution on English society revealing that the use of the St George s Cross does not signal the emergence of a specifically English national consciousness but in fact masks a more complex multi layered process of national identity construction A detailed and grounded study of identity nationalism and globalization amongst football fans English National Identity and Football Fan Culture will appeal to scholars and students of politics sociology and anthropology with interests in ethnography the sociology of sport fan cultures globalization and contemporary national identities

English National Identity and the Image of the Dutch Andrew Fleck, 2024-01-03 This book makes newly visible the sustained engagement of the English and the Dutch throughout a critical century in their cultural and national development. It reads a broad selection of early modern literary texts some never before treated in Anglophone scholarship in which the Dutch and the English wrote about each other and themselves. This interdisciplinary study brings to light the key affinities of these two nations: their embrace of liberty, turn toward Protestantism and pursuit of commerce. It shows that as Catholic colonial powers worked to prevent the rise of early modern Europe's two great Protestant states, those similarities as well as a combination of English admiration, envy and distrust of the Dutch produced an emulous rivalry that remade the two nations and their literature.

Understanding National Identity David McCrone, Frank Bechhofer, 2015-03-26 We live in a world in which being a citizen of a state and being a national are by no means the same. Amidst much scholarly debate about nations and nationalism, comparatively little has been written explicitly on national identity and a great deal less is solidly evidence-based. This book focuses on national identity in England and Scotland. Using data collected over twenty years, it asks: does national identity really matter to people? How does national identity differ from nationality and having a passport? Are there particular people and places which have ambiguous or contested national identities? What happens if someone makes a claim to a national identity? On what basis do others accept or reject the claim? Does national identity have much internal substance or is it simply about defending group boundaries? How does national identity relate to politics and constitutional change?

Sport and English National Identity in a 'Disunited Kingdom' Tom Gibbons, Dominic Malcolm, 2017-02-17 Given sport's centrality in English society, what role does it play in symbolising contemporary English national identity? This comprehensive study explores the complex set of relationships between sport and what it means to be English in the twenty-first century. The bond between sport and nationalism has long been recognised but with increasingly vociferous separatist nationalisms threatening the dismantling of the United Kingdom, a closer analysis is timely. Part one addresses key debates regarding English national identity within the specific sporting contexts of association football, cricket, tennis, cycling and rugby. Part two discusses the complex relationship between religion, sport and English national identity as well as the attitudes and experiences of traditionally marginalized groups including women, minority ethnic groups and disabled people. Part three considers the perspectives of the other UK nations on the link between sport and English national identity. **Sport and English National Identity in a Disunited Kingdom** is fascinating reading for all those with an interest in the sociology, politics and history of sport and the study of nations, nationalism and national identity.

The English National Character Peter Mandler, 2006-01-01 De geschiedenis van opvattingen over het nationale karakter van de Engelsen in de afgelopen twee eeuwen.

Cross-Gender Shakespeare and English National Identity E. Klett, 2009-06-22 This book examines contemporary female portrayals of male Shakespearean roles and shows how these performances invite audiences to think differently about Shakespeare, the English nation and themselves.

The Politics of English Nationhood Michael

Kenny, 2014-03-13 Winner of the Political Studies Association WJM MacKenzie Prize for best book of 2014 *The Politics of English Nationhood* supplies the first comprehensive overview of the evidence research and major arguments relating to the revival of Englishness exploring its varied and often overlooked political ramifications and dimensions It examines the difficulties which the major political parties have encountered in dealing with the English question against the backdrop of the diminishing hold of established ideas of British government and national identity in the final years of the last century And it explores a range of factors including insecurities generated by economic change Euroscepticism and a growing sense of cultural anxiety which helped make the renewal of Englishness appealing and imperative prior to the introduction of devolution by the first Blair government a policy which also gave this process a further impetus The book therefore provides a powerful challenge to the two established orthodoxies in this area These either maintain that the English are dispositionally unable to assert their own nationhood outside the framework of the British state or point to the supposed resurgence of a resentful and reactive sense of English nationalism This volume instead demonstrates that a renewed resonant and internally divided sense of English nationhood is apparent across the lines of class geography age and ethnicity And it identifies several distinct strands of national identity that have emerged in this period contrasting the appearance of populist and resentful forms of English nationalism with an embedded and deeply rooted sense of conservative Englishness and attempts to reconstruct a more liberal and civic idea of a multicultural England This volume also includes a wide ranging analysis of the culturally rooted revival of Englishness drawing out the political dimensions and implications of this re emerging form of national consciousness

The Soviet Union Tania Raffass, 2012 The Soviet Union is often characterised as nominally a federation but really an empire liable to break up when individual federal units which were allegedly really subordinate colonial units sought independence This book questions this interpretation revisiting the theory of federation and discussing actual examples of federations such as the United States arguing that many federal unions including the United States are really centralised polities It also discusses the nature of empires nations and how they relate to nation states and empires and the right of secession highlighting the importance of the fact that this was written in to the Soviet constitution It examines the attitude of successive Soviet leaders towards nationalities and the changing attitudes of nationalists towards the Soviet Union Overall it demonstrates that the Soviet attitude to nationalities and federal units was complicated wrestling in a similar way to many other states with difficult questions of how ethno cultural justice can best be delivered in a political unit which is bigger than the national state

The English and Their History Robert Tombs, 2015-10-27 A New York Times 2016 Notable Book Robert Tombs's momentous *The English and Their History* is both a startlingly fresh and a uniquely inclusive account of the people who have a claim to be the oldest nation in the world The English first came into existence as an idea before they had a common ruler and before the country they lived in even had a name They have lasted as a recognizable entity ever since and their defining national institutions can be traced back to the earliest years of their history

The English have come a long way from those first precarious days of invasion and conquest with many spectacular changes of fortune. Their political, economic and cultural contacts have left traces for good and ill across the world. This book describes their history and its meanings from their beginnings in the monasteries of Northumbria and the wetlands of Wessex to the cosmopolitan energy of today's England. Robert Tombs draws out important threads running through the story including participatory government, language, law, religion, the land and the sea, and ever-changing relations with other peoples. Not the least of these connections are the ways the English have understood their own history, have argued about it, forgotten it, and yet been shaped by it. These diverse and sometimes conflicting understandings are an inherent part of their identity. Rather to their surprise, as ties within the United Kingdom loosen, the English are suddenly embarking on a new chapter. *The English and Their History*, the first single volume work on this scale for more than half a century, and which incorporates a wealth of recent scholarship, presents a challenging modern account of this immense and continuing story, bringing out the strength and resilience of English government, the deep patterns of division, and also the persistent capacity to come together in the face of danger. *English Identity and Political Culture in the Fourteenth Century* Andrea Ruddick, 2013-11-21. A study of the nature of national sentiment in fourteenth-century England in its political and constitutional context. **Political**

Transformation and National Identity Change Jennifer Todd, Lorenzo Cañas Bottos, Nathalie Rougier, 2013-10-18. The major socio-political changes of the last decades have led to changing ways of being national, changes in the content of national identity if not in the national categories themselves. This comparative social scientific volume takes examples of transitions to democracy: East Europe, Spain to peace, South Africa, Israel, Northern Ireland, and territorial decentralization in the United Kingdom, France, Spain, showing in each case how socio-political change and identity change have interlocked. It defines a typology of national identity shift, tracing the changing state forms which provoke national identity shift, and analyzing the process of identity change, its motivations and legitimations. Collecting together a wide range of examples from South Africa to the Czech Republic, from the Basque Country to the Mexican and Irish borders, the book brings together an interdisciplinary group of scholars from world figures in the study of globalization and social identity to young researchers to provide a much-needed theoretical clarification and empirical evidence of types of national identity shift. **Public Life and Public Lives** Nancy LoPatin-Lummis, 2008-03-24. This volume consists of fourteen essays and an introduction, all addressing the interconnection between modern party and electoral politics or political culture and disestablished religious organizations in modern British history, the main areas of scholarly interest for Richard W. Davis, Professor Emeritus, Washington University, St. Louis. Questions how individuals envision the public good in modern Britain and how, through religious and moral beliefs coupled with wisdom and political savvy, they can improve the public good through the ever-changing nineteenth-century political institutions. Essays range from studies of local electoral politics and parliamentary reform campaigns to national political party organization, high politics, and the role religion and empire played in the creation

of national policy Examines the influence of individuals on the political process through their professional work in historical and philosophical writing journalism and missionary work at home and abroad Provides new original research in the area of modern British political history together in Parliamentary History *Journal for the Study of British Cultures* ,2006

Language and the Formation of National Identity Pasquale De Marco,2025-08-10 Language and the Formation of National Identity explores the complex and multifaceted relationship between language and national identity Language is a powerful tool that can be used to shape our identities both as individuals and as a collective It is a way of expressing our shared values and beliefs and it can help to create a sense of unity and belonging In this book we examine how language is used to construct national myths and symbols and how it is used to shape national consciousness We also consider the challenges to national identity in the modern world and the role that language can play in preserving and promoting national identity in the future We begin by exploring the theoretical framework for understanding the relationship between language and national identity We then examine the role of language in the formation of nationhood and national identity We consider the different ways in which language can be used to construct national myths and symbols and how it can be used to shape national consciousness We also consider the challenges to national identity in the modern world Globalization and migration are two major forces that are challenging traditional notions of national identity We examine the impact of these forces on national identity and we consider the role that language can play in preserving and promoting national identity in the future *Language and the Formation of National Identity* is a comprehensive and insightful exploration of the relationship between language and national identity It is essential reading for anyone who wants to understand the complex world we live in today If you like this book write a review

As recognized, adventure as capably as experience not quite lesson, amusement, as competently as understanding can be gotten by just checking out a book **Making Of English National Identity** along with it is not directly done, you could acknowledge even more all but this life, not far off from the world.

We have enough money you this proper as capably as simple way to acquire those all. We meet the expense of Making Of English National Identity and numerous books collections from fictions to scientific research in any way. in the course of them is this Making Of English National Identity that can be your partner.

Making Of English National Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Of English National Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Of English National Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Of English National Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making Of English National Identity Books

What is a Making Of English National Identity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Of English National Identity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Of English National Identity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Of English National Identity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Of English National Identity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing

PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
