Olaf G. Rughase

Making Change Irresistible Overcoming Resistance To Change In Your Organization:

Making Change Irresistible Ken Hultman, 1998 Building on a clear presentation of the psychological factors that determine whether individuals embrace or resist change this far reaching work describes how to identify the source intensity and focus of a person's resistance to change in organizations and provides the tools for overcoming individual resistance and increasing team effectiveness

Leading Missional Change Paul J. Dunbar, Tony Blair, 2013-04-02 It seems that nearly everyone is talking about missional change for congregations As a result many church leaders are attempting to drive that kind of change for the ministries they lead Some succeed But many others hit a wall of considerable frustration as they find that congregations resist the very change that is so needed The reasons for this resistance are many and they are explored in this volume What is required to move a church from resistance to readiness Some resistance is deeply rooted in spiritual patterns But there are other reasons as well and they center on trust personal trust in the leaders who offer missional change For this work the authors have done extensive primary and secondary research to identify patterns and behaviors that invite missional leadership More than that they've lived this out in their own ministries as pastors of traditional congregations This book thus offers compelling first person stories and congregational case studies alongside more generalized findings **Leading Missional Change** was written to support pastors and other church leaders who experience resistance to share wisdom and experience that may lead to readiness and to give hope and encouragement toward a re energizing of your own congregation

Values-Driven Change Ken Hultman, 2006-05-26 Do you want change driven values or values driven change As criteria for making decisions and setting priorities values should be considered before taking action In response to immediate pressures however many organizations allow change to drive values rather than the other way around This practice leads to shortsighted decisions that jeopardize long term success Ken Hultman critically acclaimed author and one of the world's leading authorities on organizational values draws from his knowledge and expertise of over 30 years to bring forth an important compilation of theoretical concepts instruments and exercises designed to help today's leaders managers and OD practitioners develop and maintain values driven organizations Using a systems approach and packed with practical strategies tools and seven proven instruments this book gives you the resources necessary to make values the focus for Team change Personal change Organizational change and Multi level change personal team and organizational

The Manager as Change Leader Ann Gilley, 2005-10-30 In *The Manager as Change Leader* Ann Gilley examines the complexities of change from the manager's perspective providing readers with the tools to help themselves their employees and their colleagues successfully engage in the change efforts that will propel their organizations into the future In a challenge to traditional approaches which presume that organizational change will occur once an initiative has been launched Gilley focuses on the challenges that managers face when others resist change before during and even after the process has been implemented She explains that resistance to change is natural and inevitable and offers practical approaches to overcoming

organizational inertia focusing on the specific skills in leadership management problem solving communication and personal relationships that contribute to successful change Featuring a wide array of diagnostic and development tools worksheets and references The Manager as Change Leader will become an indispensable resource for any manager faced with leading or navigating a change program whether large scale or small To say that businesses today must contend with constant change is an understatement New technologies new competitors new markets new products new employees if your company is not already anticipating their impact you've fallen behind the curve And yet as managers acknowledge and even embrace change as a reality of organizational life the success rate of change efforts is perilously low In The Manager as Change Leader Ann Gilley examines the complexities of change from the manager's perspective providing readers with the tools to help themselves their employees and their colleagues successfully engage in the change efforts that will propel their organizations into the future

Change Basics Linda Russell, Jeffrey Russell, 2023-05-26 A single reference source for understanding leading and managing the change process to skillfully translate vision into results Change Basics will enable you to skillfully introduce and manage change With an essential background on reasons for initial resistance and an analysis of possible outcomes it provides specific strategies to counter opposition and implement a change initiative in your organization

Organization Development at Work Margaret Wheatley, Robert Tannenbaum, Paula Yardley Griffin, Kristine Quade, National OD Network, 2003-10-27 Organization Development at Work a title in The Practicing OD Series is a collection of conversations among leaders practitioners and educators in the organization development OD field Throughout the book experienced professionals share their best thinking about principles practices values and the future of OD In this valuable resource nearly 100 contributors share their operating principles successful models tools application tips and important insights from their years of practice Written for organization development practitioners consultants and anyone who is considering a career in OD Organization Development at Work will highlight the points of view that define the values controversy so you will be better able to clarify your own position on values based work As you read contributors stories you will be able to compare your career path with others in

the field In addition this book offers perspective on the debate about global work with advice for practitioners seeking to do work on foreign soil You will feel as if you are in a conversation with friends mentors and colleagues who are freely sharing their experiences questions and concerns *The Social Change Model* Kristan C. Skendall, Daniel T. Ostick, Susan R. Komives, Wendy Wagner, 2017-01-30 A comprehensive guide to using the Social Change Model in all types of curricular and co curricular settings This book is designed to provide leadership educators with a wealth of classroom and workshop activities discussion and reflection questions assignment suggestions and additional resources such as video clips and supplementary readings It also includes several case studies for students to consider the implications of applying all eight elements of the Social Change Model in a variety of contexts The Social Change Model of Leadership Development upon which the book is based was designed by well known leadership educators and received wide acclaim and use The validity of this model has been established through a number of research studies including the Multi Institutional Study of Leadership Written by leading experts and developers of the Social Change Model who often present and consult on the topic Helps curricular and co curricular leadership educators teach the Social Change Model through individual and group activities reflection questions and discussion questions Walks course or workshop facilitators through the entire process of teaching the content and facilitating and debriefing activities If you re a leadership educator of high school undergraduate or graduate school students The Social Change Model Facilitating Leadership Development is indispensable reading Please note that The Social Change Model Facilitating Leadership Development is intended to be used as a Facilitator s Guide to Leadership for a Better World 2nd Edition 978 1 119 20759 7 in seminars workshops and college classrooms You ll find that while each book can be used on its own the content in both is also designed for use together A link to the home page of Leadership for a Better World can be found below under Related Titles Engaging Resistance Aaron Anderson, 2011-01-25 Engaging Resistance How Ordinary People Successfully Champion Change offers an empirically based explanation that expands our understanding about the nature of resistance to organizational change and the effects of champion behavior The text presents a new model describing how resistance occurs over time and details what change proponents can do throughout three engagement periods to effectively work with hesitant colleagues The book s findings are illuminated by examples of six different resistance cases embedded in the transformation sagas of two real world organizations A fundamental premise of this work is that resistance should not be something to avoid or squash as people work to change their organizations In fact resistance can be viewed as a natural healthy part of an organic process When engaged properly resisters can help to improve change efforts and strengthen an organization s overall transformation **Assimilating New Leaders** Diane Downey, 2001 *Recentering Learning* Maggie Debelius, Joshua Kim, Edward J. Maloney, 2024-12-03 This work provides a detailed look at how teaching and learning in higher education has changed after the pandemic Change Management in Information Organizations Zhixian Yi, 2024-09-10 Against the background of the acceleration of change caused by the COVID

19 pandemic Change Management in Information Organizations presents topics in change management for information organizations that are of practical help for rapidly adapting to and managing changing circumstances As organizations re-examine practices services and resources and innovate for competitive advantage the book offers theoretical and evidence-based material including empirical research and insights from academic library directors It introduces fundamental concepts of change management enabling professionals to conceptualize plan set up carry out and evaluate change Across twelve chapters this book provides a solution for those managing change in information organizations bringing them up to speed on models approaches and methods of change management The book enables information professionals academic librarians archivists museum specialists library managers and administrators university administrators and graduate students in library and information science to successfully negotiate the new realities Presents key topics in change management for information organizations Gives empirical insights into the process of change management for information organizations Offers a good understanding of approaches and methods for conceptualizing planning carrying out and evaluating change Provides methods and approaches to assess the effectiveness of change management Concentrates on the unique situation and needs of change in information organizations

A Practicum in TESOL Graham Crookes, 2003-07-14 A Practicum in TESOL is a valuable source book for both teacher educators and classroom teachers It ranges widely across key areas of practice from the nitty gritty of lesson planning and classroom management through conceptual areas such as motivation and observation to crucial if more abstract aspects such as teachers beliefs and values It also delves into the moral and political dimensions of teaching Discussion of these areas though well grounded in relevant academic literatures is also supported by extensive quotes from real teachers working on their practice The treatment is sufficiently challenging to interest the experienced teacher while covering matters of basic practice that would be of concern to the beginner Anyone doing a TESOL practicum will want to use this book whether as an in-service teacher or as a teacher longing to further their professional development A Practicum in TESOL can be used individually or in groups

Leadership for a Better World Susan R. Komives, Wendy Wagner, 2012-06-14 Praise for Leadership for a Better World What a powerful very needed and welcome sequel to A Social Change Model for Leadership Development Guidebook It is a book for students faculty and everyone who engages in leadership for social change for a better world It is an inspiring and liberating book in that it validates each one of us as we discover and practice the gifts we have been given Helen S Astin professor emerita of higher education and senior scholar Higher Education Research Institute UCLA While simple schemes and models of leadership can have their appeal the more challenging view proposed in Leadership for a Better World is not only more realistic but infinitely more fulfilling This form of leadership calls us to look at our own deep yearnings and then respect those of others in the amazing global community of the twenty-first century Denny Roberts assistant vice president for faculty and student services Qatar Foundation Positing that social change is at the heart of the leadership experience Leadership for a Better

World answers the question of leadership for what purpose Grounded in student experiences this book includes student voices stories and contemporary case studies Written in an informed and approachable tone it provides a coherent set of guiding principles about how knowing oneself meaningfully engaging with others and adopting a systems perspective can promote the socially responsible leadership so needed in the world today Julie E Owen assistant professor Leadership and Integrative Studies George Mason University

Identity and Strategy Olaf G. Rughase, 2006 This book exemplifies one of the most complete and rigorous examples of scholarship relative to its subject matter that I have ever seen Russell L Ackoff University of Pennsylvania US This is a book written by someone who makes a living from helping organizations make strategy It is also though written by a scholar someone who has thought hard about the topic and knows what other scholars think This mix makes a book that is both thorough well argued and yet of great significance for consultants and managers It unashamedly takes an inside out view of strategy making and this is what makes it so practical It focuses on what those who manage want to do with their organization rather than on some notion of what they should do The book takes the field of strategic management forward by bringing theory and practice together more management writing needs to come from practitioner scholars Colin Eden University of Strathclyde Graduate School of Business UK Olaf Rughase successfully unlocks important insights for creative market strategy development by linking it to central ideas about organizational identity He provides a compelling theoretical rationale and useful practical process insights for how to induce creative market strategy formation through articulating current desired organizational identities The book is clearly written the claims well documented and well illustrated providing a fresh and useful perspective on how to enable market strategies that work Jane E Dutton University of Michigan US In his well researched book Olaf Rughase introduces a new element into the concept of strategy which has so far been neglected to a surprising degree the human factor Strategy development certainly consists of data research analysis and synthesis but after all it is at least as much driven by fear and hope will and might the vision and the experience of the people involved Only approaches that take this into account can claim any relevance for real life strategy making Viewed in this light Olaf Rughase s book fills a gaping hole in the existing world of strategic thinking J rg Fengler Management Consultancy E ON Ruhrgas AG Germany Theorists and practitioners often underestimate the subtlety of each others thinking Rughase s work engages seriously with both groups and as a result is both deep and thoroughly practical This is a genuinely original contribution David Sims Cass Business School London UK this book is not just an academic treatise Its insights grow out of facilitating strategy making and one of these experiences is described in some detail There are many practical observations to be found here Political realities are acknowledged Alternative paths anticipated The ideas advanced here are in combination a genuine departure from past efforts The theoretic development which moves back and forth from experience to academic explanation is convincing From the foreword by Anne S Huff This groundbreaking book explores the relationship between organizational identity and strategy and proposes a practical

strategy making process that helps to avoid the typical pitfalls in strategic change processes In doing so the author bridges an important gap in management and strategy literature and explains how to practically link content and process when designing market strategies A new conceptual framework is also presented which emphasizes the importance and dynamics of organizational identity and corresponding time discrepancies for strategy making Whilst most strategists use the economically and analytically best strategy as a measure Olaf Rughase introduces a new measure for strategy making that takes personal feelings values and aspirations of organizational members into account Claiming that individually desired organizational identities which can be seen as individual visions give direction motivation and impetus for strategy action and developme

Evaluating Human Resources Programs Jack E. Edwards, John C. Scott, Nambury S. Raju, 2007-05-04 Evaluating Human Resources Programs is a groundbreaking book that offers readers a systematic method for enhancing the value and impact of HR and supporting its emerging role as a strategic organizational leader It provides a practical framework for adjusting and realigning strategies across all types of HR programs The authors outline a proven six phase process that will maximize the likelihood of a successful HR program evaluation including real world techniques strategies and examples to illustrate their recommended steps and actions

Making Change Irresistible Overcoming Resistance To Change In Your Organization Introduction

In today's digital age, the availability of Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Change Irresistible Overcoming Resistance To Change In Your Organization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range

of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Change Irresistible Overcoming Resistance To Change In Your Organization books and manuals for download and embark on your journey of knowledge?
