Making Choices In Sexuality:

Making Smart Choices about Sexual Activity Stephanie C. Perkins, 2008-01-15 Establishing one's identity is a huge part of being a teen. During the process of self-discovery, most teens are regularly faced with difficult decisions regarding dating, sexual activity, and abstinence. Too often in such cases, they are unprepared to make informed, responsible decisions. Objective and engaging, this title offers practical, realistic advice to help teens understand the consequences of the choices they make regarding their sexuality.

The Teenage Body Book Kathy McCoy, Charles Wibbelsman, 1999 An updated manual for teenagers and their parents offers clear and comprehensive information about all aspects of mental and physical health for adolescents, discussing diets, sex, drugs, peer pressure, and much more. Original.

The Social Organization of Sexuality Edward O. Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels, 2000-12-15 New York Times Book Review Notable Book of the Year. The Social Organization of Sexuality reports the complete results of the nation's most comprehensive representative survey of sexual practices in the general adult population of the United States. This highly detailed portrait of sex in America and its social context and implications has established a new and original scientific orientation to the study of sexual behavior.

Sexuality, Learning Difficulties and Doing What's Right Gavin Fairbairn, Denis Rowley, Maggie Bowen, 2013-10-31 This book has resulted from the author's awareness of the difficulties that professionals and parents face in accepting the sexuality of the people with learning disabilities with whom they live and work. It has been written at a time when discussion of such difficulties and awareness of the prevalence of the sexual abuse of people with learning disabilities is becoming more and more common. Though they are difficult and distasteful at times, this analysis is stimulating, provocative, and shocking.
