FOREIGN POLICY

A CERTAIN IDEA OF BRITAIN

Making Foreign Policy A Certain Idea Of Britain

Michael S. Kargbo

Making Foreign Policy A Certain Idea Of Britain:

David Owen, Human Rights and the Remaking of British Foreign Policy David Grealy, 2022-10-06 Although the evolution of human rights diplomacy during the second half of the 20th century has been the subject of a wealth of scholarship in recent years British foreign policy perspectives remain largely underappreciated Focusing on former Foreign Secretary David Owen's sustained engagement with the related concepts of human rights and humanitarianism David Owen's *Human Rights and the Remaking of British Foreign Policy* addresses this striking omission by exploring the relationship between international human rights promotion and British foreign policy between c 1956-1997 In doing so this book uncovers how human rights concerns have shaped national responses to foreign policy dilemmas at the intersections of civil society media and policymaking how economic and geopolitical interests have defined the parameters within which human rights concerns influence policy how human rights considerations have influenced British interventions in overseas conflicts and how activism on normative issues such as human rights has been shaped by concepts of national identity Furthermore by bringing these issues and debates into focus through the lens of Owen's human rights advocacy analysis provides a reappraisal of one of the most recognisable albeit enigmatic parliamentarians in recent British history Both within the confines of Whitehall and without Owen's human rights advocacy served to alter the course of British foreign policy at key junctures during the late Cold War and post Cold War periods and provides a unique prism through which to interrogate the intersections between Britain's enduring search for a distinctive role in the world and the development of the international human rights regime during the period in question

Geopolitics and Identity in British Foreign Policy Discourse

Nick Whittaker, 2023-07-27 This is the first book to examine Britain's geopolitical identity and how it is expressed in foreign policy discourse It demonstrates how British imperial thought related to its island status has remained important for British Members of Parliament in their debates of contemporary issues It presents an exciting and provocative new reading of modern British foreign policy that decentres traditional notions of rationalism and pragmatism by foregrounding the much neglected aspects of identity and geopolitical space As British foreign policy makers wrestle with how to define Britishness outside of the EU this analysis provides a fresh perspective It presents a much needed historical contextualisation of long standing concepts such as insularity from Europe and a universal aspect on world affairs This book will be highly relevant for students researchers and professionals that are seeking to understand British foreign policy It will be of interest to those researching and working within geopolitics identity sociology foreign policy analysis and international relations

British Foreign Policy and the National Interest T. Edmunds, J. Gaskarth, R. Porter, 2014-11-18 Whose interests does British foreign policy serve Is the national interest a useful explanatory tool for foreign policy analysts This interdisciplinary collection responds to these questions exploring ideas of Britain's national interest and their impact on strategy challenging current thinking and practice in the making of foreign policy

British Foreign Policy since 1945 Mark Garnett, Simon

Mabon, Robert Smith, 2017-09-19 *British Foreign Policy since 1945* brings a chronological approach to the study of British foreign policy since the Second World War in order to make the principal events and dynamics accessible within a broader historical and cultural context. The key features included in this book are a detailed chronological survey of developments in post-war British politics, an integrated discussion of foreign and domestic policy developments indicating connections and interlocking themes, illustrations of British foreign policy drawn from popular culture, analysis of Britain's role in the world particularly in regards to the UK's special relationship with the US and its decision to leave the EU, a range of in-text features including essay questions and seminar discussion topics. This timely book will be essential reading for anyone interested in British politics, foreign policy analysis and British history. **British Foreign Policy and the Conflict in Sierra Leone, 1991-2001** Michael S. Kargbo, 2006 This book critically examines the content of British policy towards Sierra Leone from the outbreak of conflict there in 1991 to its official conclusion in 2001. It attempts to find answers to why Britain's New Labour government pursued a more proactive policy in Sierra Leone than its Conservative predecessors. This is done by means of traditionalist but especially transformationalist theoretical approaches. Analysis is made of the influence of major international organisations on British policy towards the Sierra Leone conflict as well as the impact of other important states. As foreign policy is not created in a vacuum, analysis is also made of the impact of the domestic setting especially bureaucratic institutions. **The Permanent Under-Secretary for Foreign Affairs, 1854-1946** Keith Neilson, T.G. Otte, 2008-11-19 Chief among the personnel at the Foreign Office is the Permanent Under-Secretary, the senior civil servant who oversees the department and advises the Foreign Secretary. This book is a study of the twelve men who held this Office from 1854-1946. **Contemporary European Foreign Policy** Walter Carlsnaes, Helene Sjursen, Brian White, 2004-05-24 Bogen behandler europisk udenrigspolitik i bred forstand og kommer ind på forsvarspolitik, diplomati, menneskerettigheder og sikkerhedspolitik. **Confrontation, Strategy and War Termination** Christopher Tuck, 2016-05-23 At the heart of this book is the problem of war termination. Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s, yet it proved difficult to translate this into strategic success. Using conflict termination theories, this book argues that British strategy during Confrontation was both exemplary and flawed, both of which need not be mutually exclusive. The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts. The value of this book lies in two areas: as a contribution to the literature on British counter-insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought. **Values and Principles in European Union Foreign Policy** Sonia Lucarelli, Ian Manners, 2006-08-21 This book examines the values and principles that inform EU Foreign Policy, conveying an understanding of the EU as an international actor. This volume explores the implications of these values and principles on the process of the construction of the European Union identity. *The European Finality Debate and Its*

National Dimensions Simon Serfaty, 2003 **Margaret Thatcher and the Middle East** Azriel Bermant, 2016-11-03 This volume examines Margaret Thatcher's policy on the Middle East with a spotlight on her approach to the Israeli Palestinian conflict

European Security in the Twenty-First Century Adrian Hyde-Price, 2007-02-12 Combining a sophisticated theoretical analysis with detailed empirical case studies this book provides an original view of the challenges and threats to a stable peace order in Europe The end of Cold War bipolarity has transformed Europe Using structural realist theory Adrian Hyde Price analyzes the new security agenda confronting Europe in the twenty first century Europe he argues is not primed for peace as mainstream thinking suggests rather it faces new security threats and the challenge of multipolarity This critical and original volume looks at European security after the Iraq War the failure of the EU constitution and the change of government in Germany Reflecting on the inherently competitive and tragic nature of international politics it concludes that realism provides the only firm foundations for an ethical foreign and security policy European Security in the Twenty First Century will appeal to students and scholars of international relations European politics and security studies

Thatcher Graham Goodlad, 2015-12-14 Thatcher provides an accessible and scholarly introduction to the personality and career of Britain's first female political leader and the twentieth century's longest serving Prime Minister Providing a balanced narrative and assessment of one of the most significant figures of the post war era this new biography examines the reasons why Margaret Thatcher has been admired by many as an architect of national revival yet loathed by others as the author of widening social and geographical division The book begins by examining the making of Margaret Thatcher her education the beginning of her political career and her rise through the Conservative Party to her appointment as unexpected leader Moving on to her tenure as Prime Minister Graham Goodlad then examines her impact at home and abroad covering her controversial economic policies and hard line with the trade unions leadership through the Falklands conflict and during the last decade of the Cold War and influence on Britain's relationship with a more closely integrated Europe Finally the biography closes with a review of Thatcher's legacy before and after her death in April 2013 and considers how far she shaped the politics and society of the 1980s and those of our own time Thatcher is essential reading for all students of twentieth century history and politics

Special Bibliography Series ,1957 **The Human Factor** Archie Brown, 2020 In this penetrating analysis of the role of political leadership in the Cold War's ending Archie Brown shows why the popular view that Western economic and military strength left the Soviet Union with no alternative but to admit defeat is wrong To understand the significance of the parts played by Mikhail Gorbachev Ronald Reagan and Margaret Thatcher in East West relations in the second half of the 1980s Brown addresses several specific questions What were the values and assumptions of these leaders and how did their perceptions evolve What were the major influences on them To what extent were they reflecting the views of their own political establishment or challenging them How important for ending the East West standoff were their interrelations Would any of the realistically alternative leaders of their countries at that time have

pursued approximately the same policies The Cold War got colder in the early 1980s and the relationship between the two military superpowers the USA and the Soviet Union each of whom had the capacity to annihilate the other was tense By the end of the decade East West relations had been utterly transformed with most of the dividing lines including the division of Europe removed Engagement between Gorbachev and Reagan was a crucial part of that process of change More surprising was Thatcher s role Regarded by Reagan as his ideological and political soulmate she formed also a strong and supportive relationship with Gorbachev beginning three months before he came to power Promoting Gorbachev in Washington as a man to do business with she became in the words of her foreign policy adviser Sir Percy Cradock an agent of influence in both directions

Margaret Thatcher: At Her Zenith Charles Moore,2016-01-05 One of the masterpieces of British political history The New York Times boasts unprecedented access to Thatcher colleagues friends family and all her government and private papers and offers a groundbreaking and essential portrait of a titanic figure with all her capabilities and flaw during the years of her greatest power In June 1983 Margaret Thatcher won the biggest increase in a government s parliamentary majority in British electoral history and proceeded to transform relations with Europe prioritize British industry and reinvigorate the economy For the only time since Churchill Britain had a central place in dealings between the superpowers But even at her zenith Thatcher was beset by difficulties She regularly faced calls for resignation grew isolated in her own government butted heads with the Queen bullied her senior colleagues and was deceived by her closest ally Ronald Reagan during the U S invasion of Grenada Thatcher storms from these pages as from no other book Margaret Thatcher Charles Moore,2015-10-06 In June 1983 Margaret Thatcher won the biggest increase in a government s Parliamentary majority in British electoral history Over the next four years as Charles Moore relates in this central volume of his uniquely authoritative biography Britain s first woman prime minister changed the course of her country s history and that of the world often by sheer force of will The book reveals as never before how she faced down the Miners Strike transformed relations with Europe privatized the commanding heights of British industry and continued the reinvigoration of the British economy It describes her role on the world stage with dramatic immediacy identifying Mikhail Gorbachev as a man to do business with before he became leader of the Soviet Union and then persistently pushing him and Ronald Reagan her great ideological soulmate to order world affairs according to her vision For the only time since Churchill she ensured that Britain had a central place in dealings between the superpowers But even at her zenith she was beset by difficulties The beloved Reagan two timed her during the US invasion of Grenada She lost the minister to whom she was personally closest to scandal and almost had to resign as a result of the Westland affair She found herself isolated within her own government over Europe She was at odds with the Queen over the Commonwealth and South Africa She bullied senior colleagues and she set in motion the poll tax Both these last would later return to wound her fatally In all this Charles Moore has had unprecedented access to all Mrs Thatcher s private and government papers The participants in the events described have been so frank in interview that we

feel we are eavesdropping on their conversations as they pass We look over Mrs Thatcher s shoulder as she vigorously annotates documents so seeing her views on many particular issues in detail and we understand for the first time how closely she relied on a handful of trusted advisors to help shape her views and carry out her will We see her as a public performer an often anxious mother a workaholic and the first woman in western democratic history who truly came to dominate her country in her time In the early hours of 12 October 1984 during the Conservative party conference in Brighton the IRA attempted to assassinate her She carried on within hours to give her leader s speech at the conference and later went on to sign the Anglo Irish agreement One of her many left wing critics watching her that day said I don t approve of her as Prime Minister but by God she s a great tank commander This titanic figure with all her capacities and all her flaws storms from these pages as from no other book **Special Bibliography Series** United States Air Force Academy. Library,2001

Explaining Pakistan's Foreign Policy Aparna Pande,2011-03-16 Pakistan has over the decades become a hotbed for the terrorist ideology often referred to as Jihadism This book investigates the underlying principles of Pakistan s foreign policy from 1947 until the present day and explains the rise of Jihadism as an offshoot of Pakistan s security concerns The book goes on to discuss that from its inception as a separate state Pakistan s foreign policy focused on seeking parity with India and escaping from an Indian South Asian identity The desire to achieve parity with its much larger neighbour led Pakistan to seek the assistance and support of allies The author analyses the relationship Pakistan has with Afghanistan United States China and the Muslim world and looks at how these relationships are based on the desire that military economic and diplomatic aid from these countries would bolster Pakistan s meagre resources in countering Indian economic and military strength The book presents an interesting contribution to South Asian Studies as well as studies on International Relations and Foreign Policy *A Question of Security* Michael Codner,Michael Clarke,2011-01-30 Britain now faces fundamental choices in organising its armed forces and military strategy more so than at any time since the 1930s This vital new book prepares the ground for a major government review of UK defence and security policy analysing every important facet the review will face from the spending constraints created by the financial crisis to the decisions the country has to take on matters of war peace and terrorism The analysis covers the military equipment Britain should procure the industrial implications of defence procurement decisions the relationship with allies and partners the intelligence sources and not least the moral and ethical dimensions of modern security policy in a globalised but disordered world Written by the foremost independent security and defence experts in the field this book is the result of RUSI s Future Defence Review research initiative *A Question of Security* sets the core agenda for all wishing to understand the defence and security problems Britain now faces and also for those in government and parliament who have to answer these difficult questions at a generational moment for UK defence policy

Making Foreign Policy A Certain Idea Of Britain Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Foreign Policy A Certain Idea Of Britain PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Foreign Policy A Certain Idea Of Britain PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Foreign Policy A Certain Idea Of Britain free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making Foreign Policy A Certain Idea Of Britain Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Foreign Policy A Certain Idea Of Britain is one of the best book in our library for free trial. We provide copy of Making Foreign Policy A Certain Idea Of Britain in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Foreign Policy A Certain Idea Of Britain. Where to download Making Foreign Policy A Certain Idea Of Britain online for free? Are you looking for Making Foreign Policy A Certain Idea Of Britain PDF? This is definitely going to save you time and cash in something you should think about.
