**Making God's Word Work** Jacob Neusner, 2004-01-22 The central theme of Making God's Word Work is that throughout the rules and norms of the Mishnah and beneath their surface is a governing theological pattern which defines the detail relating to social conduct and brings to the fore a coherent system of analysis thought and argument **Establishing Boundaries** F. j. e. Boddens Hosang, 2010 Council texts from the eastern and western Mediterranean allow us to see how close relations were between Christians and Jews in late antiquity These texts give precise descriptions of the continuing close relations between the ordinary faithful Christians and Jews on a daily basis **Pannell's Reference Book for Home and Office** Pannell, 1907 *Moses Maimonides' Treatise on Resurrection* Moses Maimonides, 1997 One of Maimonides classic works the Treatise on Resurrection is an extended discussion of resurrection the immortality of the soul the mysteries of the Messianic Age and the World to Come The Treatise on Resurrection was controversial in its day for its departure from accepted Jewish theology Despite opposition to his ideas Maimonides defended his view with skill and confidence Fred Rosner's notes provide the background necessary to fully understand Maimonides position and his translation is an articulate rendering of this influential text which validates resurrection as one of the cardinal principles of Judaism **The Pluralistic Halakhah** Paul Heger, 2010-11-05 This study examines by a meticulous analysis of abundant rabbinic citations the pluralism of the Halakhah in the pre 70 period which stands in contrast to the fixed Halakhah of later periods The Temple's destruction provoked for political motives the initiation of this significant shift which protracted itself in developmental stages for a longer period The transition from the Tannaitic to the Amoraic era was a consequential turning point on the extended path from flexibility to rigidity in Jewish law Reviving the Golden Rule Andrew DeCort, 2025-10-02 The Revolutionary Power of Loving Your Neighbor Discover the transformational power of neighbor love in theologian and ethicist Andrew DeCort's *Reviving the Golden Rule* This thought provoking work illuminates the revolutionary ethics of loving your neighbor weaving together history theology and practical guidance Through this in depth historical survey of the ethics of neighbor love DeCort invites readers to reclaim loving their neighbor as a powerful force for justice healing and human flourishing The biblical charges to love your neighbor as yourself and to do to others as you would have them do to you are at the heart of Abrahamic faith DeCort argues that they are also at the heart of some of the most groundbreaking developments in human rights and the common good Jesus taught neighbor love and promised Do this and you will flourish But Christians today are at high risk of ignoring or overthrowing the most daring teaching of Jesus movement Having heard it repeatedly and having benefited immensely from its cultural effects we have become dulled to neighbor love's revolutionary power In response *Reviving the Golden Rule* Explores the ethics of neighbor love from the ancient world to modern times Examines how neighbor love challenges the oppressive power of othering and expands human connection Highlights inspiring figures like Dietrich Bonhoeffer Mother Teresa and Oscar Romero who practiced neighbor love among marginalized communities Addresses
