Gregg, 2010-11-23 Historians have long viewed the massive reshaping of the American landscape during the New Deal era as unprecedented This book uncovers the early twentieth century history rich with precedents for the New Deal in forest park and agricultural policy Sara M Gregg explores the redevelopment of the Appalachian Mountains from the 1910s through the 1930s finding in this region a changing paradigm of land use planning that laid the groundwork for the national New Deal Through an intensive analysis of federal planning in Virginia and Vermont Gregg contextualizes the expansion of the federal government through land use planning and highlights the deep intellectual roots of federal conservation policy The Star That Set Samuel B. Hand, 2003-01-01 For over a century from 1854 the year the party was organized until 1958 Vermonters never failed to elect Republicans to its state and national offices and every four years they returned a slate of electors pledged to the Republican presidential nominee The Vermont GOP was trumpeted as the star that never set in the Republican Party s political firmament until the decline of family farms and the influx of Democrat leaning urbanites in the 1960s and 1970s eroded the bedrock of Vermont s GOP base Encompassing the years 1854 to 1974 Samuel Hand s superb historical study documents the rise and fall of Vermont republicanism exploring the personalities and the religious political and social institutions that constituted the Vermont Republican Party More than simply the authoritative telling of a remarkable century of hegemony for the Vermont GOP The Star That Set is a compelling story of the waning importance of party in modern American political life **America, History and Life** , 1993 Bibliography of Agriculture , 1992-08 **Reader's Guide to American History** Peter J.
