Making Of Channel 4:

The Making of Channel 4 Peter Catterall, 2013-07-24 Channel 4 had been a matter of controversy for years even before it came on the air in November 1982 There were lengthy debates about what its role would be and the part to be played by the ITV companies and the growing number of independent television producers There was also political controversy over the profile of the new channel some wishing to see it as their channel in response to the apparent political hegemony of Margaret Thatcher The result was sharp conflicts not only over programming but as the channel became established over its relationships with the ITV companies and its regulatory body the IBA These controversies in the making of Channel 4 are revisited in this volume The opening article by Edmund Dell the channel's first chairman describes and explains his sometimes stormy relationship with Jeremy Isaacs the chief executive while the witness seminar and the other articles offer the views of Channel 4 commissioning editors and representatives from the IBA the ITV companies the independent producers the Home Office and the BBC

Channel 4 Maggie Brown, 2021-05-20 This book covers a dramatic decade in the fortunes of Britain's quirkiest broadcaster It opens in 2009 with the realisation that Channel 4's biggest money spinner Big Brother had become a toxic asset and would have to be discarded at the same time as advertising revenues were shrinking in the wake of the 2008 financial crash Maggie Brown's compelling narrative which draws on interviews with key players in Channel 4's story and unique access to the broadcaster's archives takes us inside the boardroom battles changes in senior management and commissioning teams interventions by the media regulator Ofcom and the channel's response to a rapidly changing media and political landscape Brown describes how the channel under its new chief executive David Abraham successfully fought off the threat of privatisation which became a reality after the Conservatives general election victory in 2015 The price for remaining publicly funded was a substantial relocation of Channel 4's operations with Leeds announced in 2018 as a new regional hub The Channel 4 story is also one of ambitious and innovative programming with a new director of content Jay Hunt instigating radical changes in commissioning and scheduling Brown traces programming hits and losses during this period with the departure to competitors of celebrity chefs Black Mirror and Charlie Brooker horse racing and Formula 1 and a reappraisal of the remit of institutions such as Channel 4 News and Film 4 But there were successes too with the 2012 Paralympics helping to restore a public service sheen and new programmes such as Gogglebox in 2013 connecting with younger audiences and in 2016 the coup of taking The Great British Bake Off from its home at the BBC

Parliament: House of Commons: Culture, Media and Sport Committee,2013-09-26 This report warns that the extraordinary success of the UK s creative industries may be jeopardised by any dilution of intellectual property rights and the failure to tackle online piracy The Committee also strongly condemns the failure of Google in particular to tackle access of copyright infringing websites through its search engine Such illegal piracy combined with proposals arising from the Hargreaves review to introduce copyright exceptions and a failure to strengthen copyright enforcement as envisaged by the Digital Economy Act 2010 together threaten the livelihoods of the individuals and industries that contribute over 36 billion annually to the UK economy Also the Olympics No Marketing Rights scheme is excessively restrictive and is preventing British creative companies from realising the benefits they deserve from the Olympic legacy The Committee calls for a central champion of Intellectual Property in Government to promote and protect the interests of UK intellectual property the maximum penalty for serious online IP theft to be increased to 10 years imprisonment in line with the punishment for such offences in the physical world more evidence and scrutiny before any exceptions to copyright such as those suggested by Hargreaves are applied redoubled efforts to ensure that the video games tax credit is approved by the European Commission and introduced as soon as possible reforms to the income tax and tax reliefs systems to recognise adequately the freelance nature of much creative work greater recognition of the importance of arts subjects in the curriculum **The Routledge**
