Martin Dunford, Jack Holland

Metropolitan Diary The Best Of The New York Times Column:

Metropolitan Diary Ron Alexander,1997 A collection of the anecdotes observations light verse and reminiscences contributed by everyday readers to the Metropolitan Diary column of the New York Times newspaper **New York City's Best Public Middle Schools** Clara Hemphill,2008 Reflecting changes brought about by Mayor Michael Bloomberg s reorganization of New York City s public school system this Third Edition features reviews of 74 of the city s best public middle schools Providing everything parents need to know in choosing a middle school that is just right for their child New York City s Best Public Middle Schools A Parents Guide features interviews with teachers parents and students to uncover the inside scoop on schools including atmosphere homework student stress competition among students the quality of teachers gender issues the condition of the building and more This book can save your life if you are trying to navigate the confusing world of middle school choice Susan Brenna parent An incredible resource Nancy Arno parent The most definitive guidebooks to the city schools The New York Times Required reading New York magazine The Rough Guide to New York City Martin Dunford,Jack Holland,2002 Written by New York natives this guide zeros in on Manhattan the city s crown jewel and its world class museums restaurants clubs and hotels and then goes on to the rich and diverse outer boroughs digging up the less obvious charms 34 maps of color maps *A Word from Our Viewers* Ray Barfield,2007-11-30 Tracing public and critical responses to TV from its pioneering days this book gathers and gives context to the reactions of those who saw television s early broadcasts from the privileged few who witnessed experimental and limited schedule programming in the 1920s and 1930s to those who bought TV sets and hoisted antennae in the post World War II television boom to still more who invested in color receivers and cable subscriptions in the 1960s While the first two major sections of this study show the views of television s first broad public the third section shows how social and media critics literary and visual artists and others have expressed their charmed or chagrined responses to television in its earliest decades Media jaded Americans especially younger ones would be surprised to know how eagerly their forebears anticipated the arrival of television Tracing public and critical responses to TV from its pioneering days this book gathers and gives context to the reactions of those who saw television s early broadcasts from the privileged few who witnessed experimental and limited schedule programming in the 1920s and 1930s to those who bought TV sets and hoisted antennae in the post World War II television boom to still more who invested in color receivers and cable subscriptions in the 1960s Viewers comments recall the excitement of owning the first TV receiver in the neighborhood show the vexing challenges of reception and record the pleasure that all young and many older watchers found in early network and local programs from the beginning to the fast changing 1960s While the first two major sections of this study show the views of television s first broad public the third section shows how social and media critics literary and visual artists and others have expressed their charmed or chagrined responses to television in its earliest decades How Animals Grieve Barbara J. King,2013-03-28 A touching and provocative exploration of the latest

research on animal minds and animal emotions from the renowned anthropologist and author The Washington Post Scientists have long cautioned against anthropomorphizing animals arguing that it limits our ability to truly comprehend the lives of other creatures Recently however things have begun to shift in the other direction and anthropologist Barbara J King is at the forefront of that movement arguing strenuously that we can and should attend to animal emotions With *How Animals Grieve* she draws our attention to the specific case of grief and relates story after story from fieldsites farms homes and more of animals mourning lost companions mates or friends King tells of elephants surrounding their matriarch as she weakens and dies and in the following days attending to her corpse as if holding a vigil A housecat loses her sister from whom she's never before been parted and spends weeks pacing the apartment wailing plaintively A baboon loses her daughter to a predator and sinks into grief In each case King uses her anthropological training to interpret and try to explain what we see to help us understand this animal grief properly as something neither the same as nor wholly different from the human experience of loss The resulting book is both daring and down to earth strikingly ambitious even as it's careful to acknowledge the limits of our understanding Through the moving stories she chronicles and analyzes so beautifully King brings us closer to the animals with whom we share a planet and helps us see our own experiences attachments and emotions as part of a larger web of life death love and loss

Brooklyn's Dodgers Carl E. Prince, 1997-04-03 During the 1952 World Series a Yankee fan trying to watch the game in a Brooklyn bar was told Why don't you go back where you belong Yankee lover I got a right to cheer my team the intruder responded this is a free country This ain't no free country chum countered the Dodger fan this is Brooklyn Brooklynites loved their Bums Pee Wee Reese Jackie Robinson Duke Snider Roy Campanella and all the murderous parade of regulars who after years of struggle finally won the World Series in 1955 One could not live in Brooklyn and not catch its spirit of devotion to its baseball club In Brooklyn's Dodgers Carl E Prince captures the intensity and depth of the team's relationship to the community and its people in the 1950s Ethnic and racial tensions were part and parcel of a working class borough the Dodgers presence smoothed the rough edges of the ghetto conflict always present in the life of Brooklyn The Dodger inspired baseball program at the fabled Parade Grounds provided a path for boys that occasionally led to the prestigious Dodger Rookie Team and sometimes via minor league contracts to Ebbets Field itself There were the boys who lined Bedford Avenue on game days hoping to retrieve home run balls and the men in the many bars who were not only devoted fans but collectively the keepers of the Dodger past as were Brooklyn women and in numbers Indeed women were tied to the Dodgers no less than their husbands fathers brothers and sons they were only less visible A few like Pulitzer Prize winning poet Marianne Moore and working class stiff Hilda Chester were regulars at Ebbets Field and far from invisible Prince also explores the underside of the Dodgers the baseball Annies and the paternity suits that went with the territory The Dodgers male culture was played out as well in the team's politics in the owners manipulation of Dodger male egos opponents race baiting and the macho bravado of the team how Jackie Robinson for instance would prod Giants catcher Sal

Yvars to impotent rage by signaling him when he was going to steal second base then taunting him from second after the steal The day in 1957 when Walter O Malley the owner of the Brooklyn Dodgers announced that the team would be leaving for Los Angeles was one of the worst moments in baseball history and a sad day in Brooklyn s history as well The Dodger team was to a degree unmatched in other major league cities deeply enmeshed in the life and psyche of Brooklyn and its people In this superb volume Carl Prince illuminates this Brooklyn in the golden years after the Second World War

People and Products Allan J. Kimmel,2015-03-05 By examining the interface between consumer behavior and new product development People and Products Consumer Behavior and Product Design demonstrates the ways in which consumers contribute to product design enhance product utility and determine brand identity With increased connectedness and advances in technology consumers and marketers are more closely connected than ever before Yet consumer behavior texts often overlook the application of the subject to product design testing and success This is the first book to explore this interface in detail exploring such issues as the attributes and qualities that consumers demand from products and services and social and cultural forces to be aware of design and form and how they facilitate product usage technological developments and the ways they have changed how consumers interact with products product disposal and sustainability emerging and future trends in consumer behavior and product development and design This exciting volume is relevant to anyone interested in marketing consumer behavior product development technology engineering design and brand management

The Meaning of Nice Joan Duncan Oliver,2012-01-03 Discover the hidden power of nice The Meaning of Nice is a multi faceted exploration of a simple word and how it has developed over time and among various disciplines With emphasis on philosophy positive psychology and interpersonal relationships Joan Duncan Oliver probes theories and practices to explain why and how nice girls can get the corner office and nice guys can finish first We tend to associate nice people with kindness and good manners it s an indistinct generic kind of praise Joan Duncan Oliver restores the power of nice and shows how this complex quality can change your life and has never been more crucial to our well being as individuals and as a society Mademoiselle ,1997-07

New York City Martin Dunford,Jack Holland,2000 Written by New York natives this guide zeros in on Manhattan the city s crown jewel and its world class museums restaurants clubs and hotels and then goes on to the rich and diverse outer boroughs digging up the less obvious charms 34 maps of color maps

Current Contents Institute for Scientific Information (Philadelphia),1997 **The Publishers Weekly** ,1911 *The New York Times Manual of Style and Usage* Allan M. Siegal,William G. Connolly,1999 The guidelines to correct hyphenation punctuation capitalization and foreign and English spelling are crisp and compact created for instant reference in the rush of deadlines Rewritten for the first time in twenty three years and greatly expanded since the last edition the manual tackles issues that will follow writers into the new century how to respect the equality of the sexes without self conscious devices such as he or she how to choose thoughtfully between terms like African American and black Hispanic and Latino American

Indian and Native American and how to translate the vocabulary of e mail and cyberspace for everyday readers and how to cope with the eccentric capitalization and punctuation of Internet company names and Web site addresses The authors also offer a thumbnail guide to newsroom ethics and standards in their entries on anonymous sources attribution fairness and obscenity And they seed the rules with wry humor For writers editors students researchers and all who love language The New York Times Manual of Style and Usage is an entertaining tool as well as an essential reference BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved New York Times Saturday Review of Books and Art ,1981 **Billboard** ,2001-04-07 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Pure-bred Dogs, American Kennel Gazette ,1986-05 **Writing, Reading, and Research** Richard Veit,Christopher Gould,2003 Writing Reading and Research thoroughly covers analytical reading paraphrasing summarizing and synthesizing skills essential for developing a research paper Each stage of the process is illustrated with examples of student and professional writing Unlike comparable books Writing Reading and Research leads off with two sample student papers in the early chapters giving students a clear idea of the final goal as they progress through each step of the research and writing process Includes everything one needs to know in the areas of library and internet research using both primary and secondary sources MLA and APA styles of documentation evaluating sources and integrating them appropriately in a paper For anyone needing a reference geared to writing researched papers or composing documents that are derived from sources that need to be cited and documented **News Media Yellow Book** ,2004 *Bridging English* Joseph O'Beirne Milner,Lucy Floyd Morcock Milner,1993 Bridging English is a comprehensive methods textbook featuring precise theory and accessible practice Through its presentation of theory and practice you will find this text favors active student centered constructivist and inquiry based learning Useful in a practical day to day sense the text will retain a prominent place on your bookshelf as a go to reference when teaching English to your middle and secondary students BOOK JACKET **Books in Print** ,1991
