Mettle Of The Pasture:

The Mettle of the Pasture James Lane Allen, 1908 **The Mettle of the Pasture** James Lane Allen, 2019-12-19 In *The Mettle of the Pasture* James Lane Allen presents a rich tapestry of rural life in Kentucky woven with the threads of human resilience and the complexities of familial bonds. The narrative unfolds through the eyes of its protagonist who grapples with the interplay of personal aspiration and communal expectation. Allen's literary style is marked by lyrical prose and vivid imagery drawing readers into a world that balances realism with philosophical introspection. Set against the backdrop of an evolving America at the turn of the 20th century, the novel captures the struggles and triumphs of its characters in a society that often seems at odds with their desires. James Lane Allen (1849-1925) was a prominent American novelist and a key figure in the Southern literary renaissance. His deep-rooted connection to Kentucky, coupled with his experiences as a teacher and editor, shaped his understanding of the human condition and the intricacies of Southern life. Allen's adept exploration of themes such as identity, morality, and the natural world reflects his literary influences, which include both the Romantic and Realist traditions. Readers seeking a profound exploration of character and place will find *The Mettle of the Pasture* to be an enchanting journey. Allen's ability to evoke the emotional landscape of his characters, coupled with the socio-historical context, makes this novel a compelling read for those interested in the intersections of history, identity, and the human spirit. *The Mettle of the Pasture (Volume 2 of 2) (EasyRead Super Large 24pt Edition)* James Lane Allen, 2004 **The Mettle of the Pasture/ by James Lane Allen** James Lane Allen, 1903 **The Mettle of the Pasture** James L. Ripples of the evening air entering through the windows owed over her, lifting the thick curling locks at the nape of her neck, creeping forward over her shoulders and passing along her round arms under the thin fabric of her sleeves. They aroused her these vanishing beams of the day, these arriving breezes of the night, they became secret invitations to escape from the house into the privacy of the garden where she could be alone with thoughts of her great happiness now fast approaching.
