**Mexicans and Mexican Americans in Michigan** Rudolph V. Alvarado,Sonya Yvette Alvarado,2003-08-31 Unlike most of their immigrant counterparts up until the turn of the twentieth century most Mexicans and Mexican Americans did not settle permanently in Michigan but were seasonal laborers returning to homes in the southwestern United States or Mexico in the winter Nevertheless during the past century the number of Mexicans and

Mexican Americans settling in Michigan has increased dramatically and today Michigan is undergoing its third great wave of Mexican immigration. Though many Mexican and Mexican American immigrants still come to Michigan seeking work on farms, many others now come seeking work in manufacturing and construction, college education opportunities to start businesses, and to join family members already established in the state. In *Mexicans and Mexican Americans in Michigan*, Rudolph Valier Alvarado and Sonya Yvette Alvarado examine the settlement trends and growth of this population as well as the cultural and social impact that the state and these immigrants have had on one another. The story of Mexicans and Mexican Americans in Michigan is one of a steadily increasing presence and influence that well illustrates how peoples and places combine to create traditions and institutions.

**Making Lemonade out of Lemons** José M. Alamillo, 2023-03-20. Out of the lemons handed to Mexican American workers in Corona, California: low pay, segregated schooling, inadequate housing, and racial discrimination. Mexican men and women made lemonade by transforming leisure spaces such as baseball games, parades, festivals, and churches into politicized spaces where workers voiced their grievances, debated strategies for advancement, and built solidarity. Using oral history interviews, extensive citrus company records, and his own experiences in Corona, Jos Alamillo argues that Mexican Americans helped lay the groundwork for civil rights struggles and electoral campaigns in the post World War II era.
