**The Mexican War and Its Warriors** John Frost,2023-07-18 This volume provides a comprehensive history of the American armies operations in Mexico during the Mexican American War as well as biographical sketches of the most distinguished officers in both the regular army and the volunteer force This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this

work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**The Mexican War and Its Warriors; Comprising a Complete History of All the Operations of the American Armies in Mexico - With Biographical Sketches and Anecdotes of the Most Distinguished Officers in the Regular Army and Volunteer Force - War College Series** John Frost, 2015-02-24 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works

*The Mexican War, 1846-1848* Karl Jack Bauer, 1992-01-01 Much has been written about the Mexican war but this is the best military history of that conflict Leading personalities civilian and military Mexican and American are given incisive and fair evaluations The coming of war is seen as unavoidable given American expansion and Mexican resistance to loss of territory compounded by the fact that neither side understood the other The events that led to war are described with reference to military strengths and weaknesses and every military campaign and engagement is explained in clear detail and illustrated with good maps Problems of large numbers of untrained volunteers discipline and desertion logistics diseases and sanitation relations with Mexican civilians in occupied territory and Mexican guerrilla operations are all explained as are the negotiations which led to war s end and the Mexican cession This is an outstanding contribution to military history and a model of writing which will be admired and emulated *Journal of American History* K Jack Bauer was also the author of *Zachary Taylor Soldier Planter Statesman of the Old Southwest* 1985 and *Other Works* Robert W Johannsen who introduces this Bison Books edition of *The Mexican War* is a professor of history at the University of Illinois Urbana and the author of *To the Halls of Montezumas The Mexican War in the American Imagination* 1985

**The Mexican War: A Military History Research Collection Bibliography** , 1973 This bibliography differs from the previous publications in this series since it concerns a specific time in American history the Mexican War period from 1835 to 1850 From a military standpoint the victorious efforts of American military forces can be considered as the proving ground for the Army and the Navy that emerged during the Civil War The annexation of Texas and the acquisition of lands from Mexico predestined both the expansion of the United States to the Pacific and the conflict which divided brother from brother This bibliography lists pertinent materials to be found in the Military History Research Collection related to this part of American history and is not

intended to be a definite listing of bibliographic references on the period **The Mexican War and Its Warriors** John Frost, 1850 The Mexican-American War Experiences of Twelve Civil War Generals Timothy D. Johnson, 2024-10-23 Long overshadowed by the American Civil War the Mexican American War 1846-1848 has received significantly less attention from historians partly because of its questionable origin and controversial outcome Rather than treat the conflict with a form of historical amnesia the contributors to this volume argue that the Mexican American War was a formative experience for the more than three hundred future Civil War generals who served in it as lower grade officers The Mexican War was the first combat experience for many of them a laboratory that equipped a generation of young officers with practical lessons in strategy tactics logistics and interpersonal relationships that they would use later to command forces during the Civil War

**Robert E. Lee** Allen C. Guelzo, 2021-09-28 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty Teacher of Civil War Generals Allen H. Mesch, 2015-07-28 From West Point to Fort Donelson General Charles Ferguson Smith was a soldier's soldier He served at the U S Military Academy from 1829 to 1842 as Instructor of Tactics Adjutant to the Superintendent and Commandant of Cadets During his 42 year career he was a teacher mentor and role model for many cadets who became prominent Civil War generals and he was admired by such former students as Grant Halleck Longstreet and Sherman Smith set an example for junior officers in the Mexican War leading his light battalion to victories and earning three field promotions He served with Albert Sidney Johnston and other future Confederate officers in the Mormon War He mentored Grant while serving with him during the Civil War and helped turn the tide at Fort Donelson which led to Grant's rise to fame He attained the rank of major general while refusing political favors and ignoring the press Drawing on never before published letters and journals this long overdue biography reveals Smith as a faithful officer

excellent disciplinarian able commander and modest gentleman      *History of the Mexican-American War* Justin Harvey Smith, 2020-12-17 History of the Mexican American War in 2 volumes is one of the best known works by an American historian Justin Harvey Smith The Mexican American War was an armed conflict between the United States and Mexico from 1846 to 1848 It followed in the wake of the 1845 U S annexation of Texas which Mexico still considered Mexican territory since the government did not recognize the treaty signed by Mexican General Antonio Lopez de Santa Anna when he was a prisoner of the Texian Army during the 1836 Texas Revolution For Mexico this was a provocation Mexican forces attacked U S forces and the United States Congress declared war Volume 1 Mexico and the Mexicans The Political Education of Mexico The Relations between the United States and Mexico 1825 1843 The Relations between the United States and Mexico 1843 1846 The Mexican Attitude on the Eve of War The American Attitude on the Eve of War The Preliminaries of the Conflict Palo Alto and Resaca de Guerrero The United States Meets the Crisis The Chosen Leaders Advance Taylor Sets out for Saltillo Monterey Saltillo Parras and Tampico Santa Fe Chihuahua The California Question The Conquest of California The Genesis of Two Campaigns Santa Anna Prepares to Strike Buena Vista Volume 2 Behind the Scenes at Mexico Vera Cruz Cerro Gordo Puebla On to the Capital Contreras and Churubusco Negotiations Molino del Rey Chapultepec and Mexico Final Military Operations The Naval Operations The Americans as Conquerors Peace The Finances of the War The War in American Politics The Foreign Relations of the War      **The Mexican War** US Army Military History Research Collection, Elizabeth R. Snoke, 1973
