

# Mexico And The Spanish Civil War

**Mario Ojeda Revah**

## **Mexico And The Spanish Civil War:**

**Mexico and the Spanish Civil War** Thomas G. Powell, 1994      Mexico and the Spanish Civil War Mario Ojeda Revah, 2015-07-01 Based on first hand diplomatic political and journalistic sources most unpublished Mexico and the Spanish Civil War investigates the backing of the Second Republic by Mexico during the Spanish Civil War Significant military material and financial aid was given by the government of L zaro C rdenas 1934 1940 to the Republic which involved not only direct sales of arms but also smuggling operations covertly undertaken by Mexican diplomatic agents in order to circumvent the embargo imposed by the London Committee of Non Intervention This path breaking account reveals the operations in Spain of Mexican workers soldiers artists and intellectuals such as later Nobel Laureate Octavio Paz and the Muralist David Alfaro Siqueiros as volunteers and propagandists for the Republican cause Engagement with the Spanish Civil War also had a profound impact upon Mexico s domestic politics as support for the Republic was equated by C rdenas with his own revolutionary project The defeat of the Republic in 1939 therefore had far reaching repercussions for the post 1940 governments Originally published to critical acclaim in Spanish the work has been quoted and reviewed by many leading specialists on the Civil War including Anthony Beevor ngel Vi as Santos Juli and Pedro P rez Herrero This book is essential reading for students and scholars specialising in contemporary European history and politics Latin American studies and all those with an interest in the Spanish Civil War and the Mexican Revolution      **Mexico and the Spanish Civil War 1936-1939** Mario Ojeda Revah, 2002      The Spanish Civil War Burnett Bolloten, 1991 A detailed account of the war describes Republican political life during the period and recounts the rise of the Spanish Communist Party      **The Spanish Civil War** Burnett Bolloten, 2015-12-01 This monumental book offers a comprehensive history and analysis of Republican political life during the Spanish Civil War Completed by Burnett Bolloten just before his death in 1987 and first published in English in 1991 The Spanish Civil War is the culmination of fifty years of dedicated and painstaking research and is the most exhaustive study on the subject in any language It has been regarded as the authoritative political history of the war and an indispensable encyclopedic guide to Republican affairs during the Spanish conflict This new edition includes a new introduction by Spanish Civil War scholar George Esenwein an updated bibliography featuring books on the Spanish Civil War published since 1987 and seventy three photos of the war s participants      Historical Dictionary of the Spanish Civil War Francisco J. Romero Salvadó, 2013-03-14 The tragedy that devastated Spain for 33 months from July 1936 to April 1939 was first and foremost a brutal fratricidal conflict the product of the fatal clash between diametrically opposed views of Spain and an attempt to settle crucial issues which had divided Spaniards for generations agrarian reform recognition of the identity of the historical regions Catalonia the Basque Country and the roles of the Catholic Church and the armed forces in a modern state Being a war between Spaniards it was particularly brutal but it was also part of the broader move toward war in Europe and thus sucked in many volunteers from abroad And it left a deep imprint since General Francisco Franco

remained at the helm of the country until his death in 1975 The Historical Dictionary of the Spanish Civil war covers the history of the war first through a long chronology which highlights the major steps from the incubation to the conclusion The overall situation is summed up in the introduction Then the dictionary section fleshes it out with over 600 entries on persons places events institutions battles and campaigns More reading can be found in an extensive bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Spanish Civil War The Spanish Civil War Charles J Esdaile,2018-10-10 The Spanish Civil War A Military History takes a new military approach to the conflict that tore Spain apart from 1936 to 1939 In many histories the war has been treated as a primarily political event with the military narrative subsumed into a much broader picture of the Spain of 1936 9 in which the chief themes are revolution and counter revolution While remaining conscious of the politics of the struggle this book looks at the war as above all a military event and as one in whose outbreak specifically military issues particularly the split in the armed forces produced by the long struggle in Morocco 1909 27 were fundamental Across nine chapters that consider the war from beginning to endgame Charles J Esdaile revisits traditional themes from a new perspective deconstructs many epics and puts received ideas to the test as well as introducing readers to foreign language historiography that has previously been largely inaccessible to an anglophone audience In taking this new approach The Spanish Civil War A Military History is essential reading for all students of twentieth century Spain **FDR and the Spanish Civil War** Dominic Tierney,2007-07-02 Provides new understanding of Franklin Roosevelt s involvement in the Spanish Civil War claiming that he was activist and pro Loyalist *Mexico's Relations with Latin America During the Cárdenas Era* Amelia M. Kiddle,2016-10-15 Appendix 1 Diplomatic Representation by Latin American Country 1934 1940 Appendix 2 Diplomats Posted to Latin America 1934 1940 Notes Bibliography Index Back Cover **Mexico and the Spanish Civil War** Thomas G. Powell,1981 **Anglo-American Hispanists and the Spanish Civil War** S. Faber,2008-08-04 In this book Faber assesses the long term impact of the Spanish Civil War on Hispanic Studies as an academic field in the United States and Great Britain Combining institutional history with biography the book gives a compelling account of the dilemmas that the war posed for four Hispanists who turned their love of Spain into their life s work **A New International History of the Spanish Civil War** Michael Alpert,1994-06-28 a lucid and scholarly account of an important and immensely complex subject Dr Alpert s command of a broad range of archival material printed documents and secondary works in six languages is extremely impressive P Preston London School of Economics and Political Science It is now twenty years since a study was dedicated to the international aspects of the Spanish Civil War and this new synthesis covering the whole of the era and setting it against major events of the late 1930s is well overdue Michael Alpert takes full advantage of newly accessible archival sources to disentangle the intricacies of this complex issue **Memory Battles of the Spanish Civil War** Sebastiaan Faber,2021-04-30 The ability to forget the violent twentieth century past was long seen as a virtue in Spain even a duty But the common wisdom has shifted

as increasing numbers of Spaniards want to know what happened who suffered and who is to blame Memory Battles of the Spanish Civil War shows how historiography fiction and photography have shaped our views of the 1936-39 war and its long painful aftermath Faber traces the curious trajectories of iconic Spanish Civil War photographs by Robert Capa Gerda Taro and David Seymour critically reads a dozen recent Spanish novels and essays interrogates basic scholarly assumptions about history memory and literature and interviews nine scholars activists and documentarians who in the past decade and a half have helped redefine Spain's relationship to its past In this book Faber argues that recent political developments in Spain from the grassroots call for the recovery of historical memory to the indignados movement and the foundation of Podemos provide an opportunity for scholars in the humanities to engage in a more activist public and democratic practice

Fearless Women in the Mexican Revolution and the Spanish Civil War Tabea Alexa Linhard, 2005 Study of the role women played in the Mexican Revolution and the Spanish Civil War Examines female figures such as the soldaderas of the Mexican Revolution and the milicianas of the Spanish Civil War and the intersection of gender revolution and culture in both the Mexican and the Spanish contexts Provided by publisher

**Jewish Imaginaries of the Spanish Civil War** Cynthia Gabbay, 2022-09-08 Jewish Imaginaries of the Spanish Civil War inaugurates a new field of research in literary and Jewish studies at the intersection of Jewish history and the internationalist cultural phenomenon emerging from the Spanish Civil War 1936-1939 the Republican exile and the Shoah With the Spanish Civil War as a point of departure this volume proposes a definition of Jewish textualities based on the entanglement of multiple poetic modes Through the examination of a variety of narrative fiction and non-fiction memoir poetry epistles journalism and music in Yiddish Spanish French German and English these essays unveil non-canonic authors across the West and explore these works in the context of antisemitism orientalism and philo-Semitism among other cultural phenomena Jewish writings from the war have much to tell about the encounter between old traditions and new experimentations framed by urgency migration and messianic hope They offer perspectives on memorial and post-memorial literatures triggered by transhistorical imagination and many were written against the grain of canonic literature where subtle forms of dissidence manifested through language structure sound and thought sought to tune with the anti-fascist fight This book revindicates the polyglossia of Jewish cultures and literatures in the context of genocide and epistemicide and proposes to remember the cultural phenomena produced by the Spanish Civil War demanding a new understanding of the cosmopolitan imaginaries in Jewish literature

The Spanish Civil War Hugh Thomas, 2013-11-06 Mr Thomas has understood the Spanish Civil War incredibly well and has written it superbly A full vivid and deeply serious treatment of a great subject Vincent Sheean The New York Times Book Review A masterpiece of the historian's art Hugh Thomas's The Spanish Civil War remains the best most engrossing narrative of one of the most emblematic and misunderstood wars of the twentieth century Revised and updated with significant new material including new revelations about atrocities perpetrated against civilians by both sides in this epic conflict this definitive work on the

subject Richard Bernstein The New York Times has been given a fresh face forty years after its initial publication in 1961 In brilliant moving detail Thomas analyzes a devastating conflict in which the hopes dreams and dogmas of a century exploded onto the battlefield Like no other account The Spanish Civil War dramatically reassembles the events that led a European nation in a continent on the brink of world war to divide against itself bringing into play the machinations of Franco and Hitler the bloodshed of Guernica and the deeply inspiring heroics of those who rallied to the side of democracy Communists anarchists monarchists fascists socialists democrats the various forces of the Spanish Civil War composed a fabric of the twentieth century itself and Thomas masterfully weaves the diffuse and fascinating threads of the war together in a manner that has established the book as a genuine classic of modern history Stands without rivals as the most balanced and comprehensive book on the subject American Historical Review The Republican Army in the Spanish Civil War, 1936-1939 Michael Alpert,2013-02-28 This is a long awaited translation of a definitive account of the Republican Army in the Spanish Civil War Michael Alpert examines the origins formation and performance of the Republican Army and sets the Spanish Civil War in its broader military context He explores the conflicts between communists and Spanish anarchists about how the war should be fought as well as the experience of individual conscripts problems of food clothing and arms and the role of women in the new army The book contains extensive discussion of international aspects particularly the role of the International Brigades and of the Soviet Russian advisers Finally it discusses the final uprising of professional Republican officers against the Government and the almost unconditional surrender to Franco Professor Alpert also provides detailed statistics for the military forces available to Franco and to the Republic and biographies of the key figures on both sides

**The Spanish Civil Wars** Mark Lawrence,2017-02-09 CHOICE Outstanding Academic Title 2017 This book provides a comparative history of the domestic and international nature of Spain s First Carlist War 1833 40 and the Spanish Civil War 1936 39 as well as the impact of both conflicts The book demonstrates how and why Spain s struggle for liberty was won in the 1830s only for it to be lost one hundred years later It shows how both civil wars were world wars in miniature fought in part by foreign volunteers under the gaze and in the political consciousness of the outside world Prefaced by a short introduction The Spanish Civil Wars is arranged into two domestic and international sections each with three thematic chapters comparing each civil war in detail The main analytical perspectives are political social and new military history in nature but they also explore aspects of gender culture nationalism and separatism economy religion and especially the war in its international context The book integrates international archival research with the latest scholarship on both subjects and also includes a glossary a bibliography and several images It is a key resource tailored to the needs of students and scholars of modern Spain which offers an intriguing and original new perspective on the Spanish Civil War **The Spanish Civil War, the Soviet Union, and Communism** Stanley G. Payne,2008-10-01 In this compelling book Stanley G Payne offers the first comprehensive narrative of Soviet and Communist intervention in the revolution and civil war in Spain He documents in

unprecedented detail Soviet strategies Comintern activities and the role of the Communist party in Spain from the early 1930s to the end of the civil war in 1939 Drawing on a very broad range of Soviet and Spanish primary sources including many only recently available Payne changes our understanding of Soviet and Communist intentions in Spain of Stalin's decision to intervene in the Spanish war of the widely accepted characterization of the conflict as the struggle of fascism against democracy and of the claim that Spain's war constituted the opening round of World War II The author arrives at a new view of the Spanish Civil War and concludes not only that the Democratic Republic had many undemocratic components but also that the position of the Communist party was by no means counterrevolutionary      *The Spanish Civil War* Andy Durgan, 2007-06-21 Andy Durgan provides a clear introductory overview and evaluation of the key debates and recent research on the origins outbreak course and implications of the Spanish Civil War including the impact of foreign powers the socio political situation the Republican failure and Nationalist success and the nature of the emerging Franco regime

## Enjoying the Song of Term: An Psychological Symphony within **Mexico And The Spanish Civil War**

In some sort of eaten by monitors and the ceaseless chatter of instant communication, the melodic splendor and emotional symphony developed by the published term frequently diminish into the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. However, nestled within the pages of **Mexico And The Spanish Civil War** an enchanting fictional value overflowing with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this fascinating masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of this poignant examination, we will examine the book is key harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
