Keck,Kathryn A. Sikkink,2014-02-15 In *Activists beyond Borders* Margaret E Keck and Kathryn Sikkink examine a type of pressure group that has been largely ignored by political analysts networks of activists that coalesce and operate across national frontiers Their targets may be international organizations or the policies of particular states Historical examples of such transborder alliances include anti slavery and woman suffrage campaigns In the past two decades transnational activism has had a significant impact in human rights especially in Latin America and advocacy networks have strongly influenced environmental politics as well The authors also examine the emergence of an international campaign around violence against women      *Encyclopedia of Human Rights* Edward H. Lawson,1996 Preface to the first edition      **Democracy in Mexico** Dan La Botz,1995 Placing this book in the context of NAFTA and Mexican movements for social change journalist and historian Dan La Botz unveils the forces behind Marcos and the Zapatista Rebellion of January 1994 and re examines the circumstances surrounding the assassination of presidential candidate Luis Donaldo Colosio Contains a detailed analysis of how Ernesto Zedillo and the PRI won the August 21 1994 elections and includes an examination of widespread electoral fraud La Botz provides a first hand account of the founding of National Democratic Convergence CND the new force for democracy and social justice in Mexico led by Rosario Ibarra Ibarra is Mexico's leading human rights activist and first woman presidential candidate      *The Regional Dimension of the European Union* Charlie Jeffery,1997 These papers describe and analyse the third level of decision making within the EU in which multi level governance can increasingly be identified      *Popular Movements and Political Change in Mexico* Joe Foweraker,Ann L. American and Indo American societies though research on Brazil has been particularly prominent Special attention has been given to the relationship between social class and race and ethnicity *The Politics of Food in Mexico* Jonathan Fox,1993 Compares a range of Mexican food policy reforms focusing on the SAM Mexican Food System a program in place from 1980 82 designed to shift subsidies and privileged access from large private farmers and ranchers to peasants and small producers In this context Fox political science MIT examines the limits and possibilities of political reform and its history and future in the Mexican state Annotation copyright by Book News Inc Portland OR *Imperialism and Theatre* J. Ellen Gainor,2003-09-02 Imperialism is a transnational and transhistorical phenomenon it occurs neither in limited areas nor at one specific moment In cultures from across the world theatrical performance has long been a site for both the representation and support of imperialism and resistance and rebellion against it Imperialism and Theatre is a groundbreaking collection which explores the questions of why and how the theatre was selected within imperial cultures for the representation of the concerns of both the colonizers and the colonized Gathering together fifteen noted scholars and theatre practitioners this collection spans global and historical boundaries and presents a uniquely comprehensive study of post colonial drama The essays engage in current theoretical issues while shifting the focus from the printed text to theatre as a cultural formation and locus of political force A compelling and extremely timely work Imperialism and Theatre reveals fascinating new dimensions to the post colonial debate Contributors Nora Alter Sudipto Chatterjee Mary Karen Dahl Alan Filewood Donald H Frischmann Rhonda Garelick Helen Gilbert Michael Hays Loren Kruger Josephine Lee Robert Eric Livingston Julie S Peters Michael Quinn Edward Said Elaine Savory *Mexico* United States. identities Moving beyond a reconsideration of peasantry the book situates anthropology in global context showing how the discipline reconstructs itself and its subjects according to changing circumstances
