Mexicos Political Economy Challenges At Home And Abroad Sage Focus Editions Ser:

Mexico's Political Economy Jorge I. Dominguez, National Union Catalog, 1982 Includes entries for maps and atlases *National Union Catalog*, 1982, 1983 *Handbook of Latin American Studies*, 1984 Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies Covers social sciences and the humanities in alternate years **Mexico's Political Economy** Harvard University. Center for International Affairs, 1982-01-01 This volume presents a study of Mexico's internal economic and political affairs and its international relations The reasons for Mexico's political stability are examined in a key essay as are its agricultural trade the international implications of its labour relations the effect of petroleum on its politics and the international reverberations of Mexico's political economy This welcome book which helps to clarify that emerging fact is edited by the president of the Latin American Studies Association who is also a professor at Harvard Each essay has useful bibliographic information to guide further reading The background material included here will be valuable for understanding the context of the essays and Choice, 1982 *Latin America in Books*, 1986 Doing Business in and with Latin America Eugene Willard Miller, Ruby M. Miller, 1987 Handbook of Latin American Studies, Vol. 45 Dolores Moyano Martin, 1985-03 *Latin America and Caribbean Contemporary Record*, 1981 Subject Guide to Books in Print, 1975

Books in Print, 1991 **Contemporary Mexican Politics** Emily Edmonds-Poli, David A. Shirk, 2026-01-22 This widely acclaimed book provides a comprehensive analysis of Mexico's current complex political landscape up to the Lopez Obrador administration and Claudia Sheinbaum's 2024 election Leading experts Emily Edmonds-Poli and David A. Shirk offer highly accessible coverage of Mexico's political development over the course of the twentieth century and an insightful examination of some of the most important policy issues facing Mexico in the twenty-first century Additions to this new edition include Fully updated material on the Lopez Obrador administration including institutional reforms expansion of social welfare programs and the impact of the COVID-19 pandemic Complete coverage of the 2024 electoral processes and a detailed overview of the first year of Claudia Sheinbaum's administration An updated look at Mexico's persistent security challenges An examination of US-Mexico relations under the Biden and Trump administrations A detailed look at Mexico's economic progress The first half of the book provides an overview of Mexican history and political development from the pre-Columbian era to the present These chapters focus especially on the formation of the modern Mexican political system with particular emphasis on the 71 period of post-revolutionary single party rule the period of multiparty competition and the political dominance of the MORENA party The second half of the book analyzes the structure of Mexican governance and the most pressing policy issues currently facing Mexican society including macroeconomic growth and stability poverty and inequality the development of civil society drug trafficking the rule of law and foreign relations This volume offers students scholars and policymakers a nuanced analysis of Mexico's political development with special emphasis on current policy challenges in the

areas of *Mexico* Daniel Levy, 2019-03-06 In the four years since the first edition was published Mexico's political system exceptional among Latin American nations has been severely tested The administration has been struggling to cope with the effects of a depressed market for oil the demands of an increasingly vocal opposition and the foreign policy challenges posed by violence in Central America In this timely second edition of a work that has received favorable attention in the United States and in Mexico the authors extend their analysis of Mexico's current and future prospects to cover the dramatic developments of the past few years Throughout the authors have updated their discussion to assess the social and political impact of the latest elections the recent earthquakes and the continuing cycle of economic crisis recovery and renewed crisis They also pay special attention to Mexico's initiatives for peace in Central America and to recent shifts in Mexican U S relations Appropriate for courses in Mexican studies Latin American politics and Third World development this text also will be of value to anyone interested in Mexico's political and economic affairs Changing Structure of Mexico Laura Randall, 2006 Features a comprehensive presentation of Mexico's political social and economic issues This book covers such topics as Mexico's foreign economic policy and NAFTA maquiladoras technology policy and Asian competition as well as domestic economics such as banking tax reform and oil energy policy the environment and more **Understanding the Mexican Economy** Roy Boyd, Maria Eugenia Ibararán, Roberto Vélez-Grajales, 2018-11-06 This book provides a full historical economic and political context through which to understand the actions of the people and government of Mexico and it gives insights into how those actions impinge and might continue to impinge on the United States *Mexico in Focus* José Galindo, 2016-05 This book compiles the works of many authors from some of the best academic institutions in the world all related to Mexico's contemporary general conditions The main objective of this compilation is to examine Mexico as a whole giving the reader an insight in its social economic political and environmental problems For this purpose the texts have been chosen in a way that after analysing a few of them one will find them all correlated The problems analysed in this book range from very recent some of them occurring this past year to others that go back decades or even centuries In this sense this contribution gives readers a historical perception of the problems captured Some chapters develop scientific conclusions based on strict scientific research however the reader will find that the language is not overwhelming and the chapters can be thoroughly and easily read Overall it is a wonderful compilation made possible by all contributing authors and their interest to publish their most recent research on it We hope that readers enjoy going through the pages of these chapters as they venture through contemporary Mexico analysing topics from the environmental difficulties of Coahuila's sand dunes to social changes in the Meseta Purpecha passing through other topics such as the conditions of human rights protection in Mexico or the return of the PRI regime among other great discussions The authors' interests are as different as their disciplines but in this case diversity is important for maintaining multidisciplinary interpretations on the current needs of the Mexican society Mexico in Focus José Galindo Rodríguez, 2015 Mexico in Focus compiles the work of many authors

who examine Mexico as a whole giving the reader an insight into its social economic political and environmental problems

Mexico , The Mexican Economy Enrique Cárdenas,2022 A concise and up to date analysis of Mexico s economic development and the country s political economy suitable for a range of courses in Latin American studies and Development Studies
