Mgm When The Lion Roars:

MGM Richard P. May,1991 **The MGM Effect** Steven Bingen,2022-08-15 Metro Goldwyn Mayer s emblem which has opened thousands of movies since 1924 is the most recognized corporate symbol in the world Not just in the entertainment industry it should be noted but of any industry anywhere in the history of human civilization But MGM has been a competitively insignificant force in the motion picture industry for nearly as long as it once decades ago dominated that industry In fact the MGM lion now presides not over movies alone but over thirty world class resorts and is or has been also a recognized leader in the fields of real estate theme parks casinos golf courses consumer products and even airlines all around the world But the MGM mystique remains This book is a look at what made MGM the Mount Rushmore of studios how it presented itself to the world and how it influenced everything from set design to merchandising to music and dance and continues to do so today **New York Magazine** ,1992-03-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Lionel Barrymore** Kathleen Spaltro,2024-08-13 Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878 1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in A Free Soul 1931 and was nominated for Best Director for Madame X 1930 However he is best known for his role as Mr Potter in It s a Wonderful Life 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of A Christmas Carol from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from You Can t Take It With You 1938 to Key Largo 1948 Barrymore worked alongside some of Hollywood s most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In Lionel Barrymore Character and Endurance in Hollywood s Golden Age Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore s life into three compelling acts Act One follows Barrymore s early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore s establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore s curation of his trademark character the

endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore's personal challenges recounts his difficulties with and sometimes estrangement from members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor
