Michael Lin:

The Biden Crime Family Rudy Giuliani, 2024-10-29 The Biden Crime Family is a short engaging description of the evidence that supports the case that President Joe Biden and his family are deeply corrupt They are so corrupt that when former New York mayor and US attorney Rudy Giuliani first stumbled across evidence of what they were doing in Ukraine it reminded him of his experience prosecuting the five mafia families that used to run New York Joe Biden began to seek enormous bribes and payouts when he became vice president In every situation where he was the point man for the Obama administration s policy toward a country he ended up making millions of dollars and failing to obtain whatever the US policy goal was In these endeavors Joe s drug addicted younger son Hunter worked with him Hunter was the bagman You can question whether it was loving or even decent for a politician to use his dysfunctional son in this matter But it happened Joe s brother James also served as a bagman sometimes working with Hunter Other family members participated as needed When Joe was made the point man for Ukraine with the special mission of cleaning up Ukrainian corruption so deep that it had left the country almost bankrupt he did nothing to help Instead he had Hunter placed on the board of Burisma an energy and gas company at the center of some of Ukraine s most corrupt government dealings Hunter took home a million a year to do nothing The rule was ten percent for the big guy Hunter has complained about how half his income went to dad The same and worse happened with Joe in China and Iraq The Biden Crime Family displays the evidence clearly and makes the kind of case that should get a conviction on Biden family corruption **Michael Lin** Michael Ming Hong Lin, 2004 Edited by Ivy Cooper Essays by Shannon Fitzgerald and Frances Stark Foreword by Paul Ha **The Art of Modern China** Julia F. Björn Alexander Lindemann, 2014-04-08 Taiwan has been excluded from the United Nations and other organizations for which statehood is required and its presence in IGOs is mainly limited to functional and regional organizations that allow flexible models of participation having a specific name status and activity space in each organization Taiwan's exclusion from major IGOs derives from its unique international status as well as the political controversy over the representation of China in the international arena Björn Alexander Lindemann provides a substantial analysis of the relationship between Taiwan and China in and with regard to IGOs in the time period between 2002 and 2011 Based on a neoclassical realist approach he takes a look at the case studies of the WTO APEC WHO and UN and explains Taiwan's new IGO strategy under President Ma Ying-jeou after 2008 and its impact on Taiwan's international space
