Michael Foucault And The Politics Of Freedom:

Michel Foucault and the Politics of Freedom Thomas L. Dumm, 2002 This edition of a 1995 book Sage Publications contains a new introduction by the series editor and a new preface Readers familiar with Foucault's work will appreciate the difficulty in critically studying its arresting paradoxical nature Dumm political science Amherst College negotiates the problem by creating a thematic framework the idea of being free in a modern Western capitalist democracy and examining it through a Foucaultian lens He focuses on the politics of freedom negative freedom the disciplinary society ethics seduction governments and provides an enlightening companion to Foucault's postmodern philosophy Annotation copyrighted by Book News Inc Portland OR

Michel Foucault and the Politics of Freedom Thomas L. Dumm, 2002-04-03 What is freedom In this study Thomas Dumm challenges the conventions that have governed discussions and debates concerning modern freedom by bringing the work of Michel Foucault into dialogue with contemporary liberal thought While Foucault has been widely understood to have characterized the modern era as being opposed to the realization of freedom Dumm shows how this characterization conflates Foucault's genealogy of discipline with his overall view of the practices of being free Dumm demonstrates how Foucault's critical genealogy does not shrink from understanding the ways in which modern subjects are constrained and shaped by forces greater than themselves but how it instead works through these constraints to provide not simply a vision of liberation but a joyous wisdom concerned with showing us in his words that we are much freer than we feel Both as an introduction to Foucault and as an intervention in liberal theory Michel Foucault and the Politics of Freedom is bound to change how we think about the limits and possibilities of freedom in late modernity

Foucault, Freedom and Sovereignty Sergei Prozorov, 2016-04-15 Against the prevailing interpretations which disqualify a Foucauldian approach from the discourse of freedom this study offers a novel concept of political freedom and posits freedom as the primary axiological motif of Foucault's writing Based on a new interpretation of the relation of Foucault's approach to the problematic of sovereignty Sergei Prozorov both reconstructs ontology of freedom in Foucault's textual corpus and outlines the modalities of its practice in the contemporary terrain of global governance The book critically engages with the acclaimed post-Foucauldian theories of Giorgio Agamben and Antonio Negri thereby restoring the controversial notion of the sovereign subject to the critical discourse on global politics As a study in political thought this book will be suitable for students and scholars interested in the problematic of political freedom philosophy and global governance

Isaiah Berlin and the Politics of Freedom Bruce Baum, Robert Nichols, 2013-03-05 Since his death in 1997 Isaiah Berlin's writings have generated continual interest among scholars and educated readers especially in regard to his ideas about liberalism value pluralism and positive and negative liberty Most books on Berlin have examined his general political theory but this volume uses a contemporary perspective to focus specifically on his ideas about freedom and liberty Isaiah Berlin and the Politics of Freedom brings together an integrated collection of essays by noted and emerging political theorists that commemorate in a

critical spirit the recent 50th anniversary of Isaiah Berlin's famous lecture and essay *Two Concepts of Liberty* The contributors use Berlin's essay as an occasion to rethink the larger politics of freedom from a twenty first century standpoint bringing Berlin's ideas into conversation with current political problems and perspectives rooted in postcolonial theory feminist theory democratic theory and critical social theory The editors begin by surveying the influence of Berlin's essay and the range of debates about freedom that it has inspired Contributors chapters then offer various analyses such as competing ways to contextualize Berlin's essay how to reconsider Berlin's ideas in light of struggles over national self determination European colonialism and racism and how to view Berlin's controversial distinction between so called negative liberty and positive liberty By relating Berlin's thinking about freedom to competing contemporary views of the politics of freedom this book will be significant for both scholars of Berlin as well as people who are interested in larger debates about the meaning and conditions of freedom

On the Use and Abuse of Foucault for Politics Brent Pickett, 2005-01-01 *On the Use and Abuse of Foucault for Politics* provides an accessible interpretation of Foucault's political philosophy demonstrating how Foucault is relevant for contemporary democratic theory Brent Pickett lays out an overview of Foucault's politics including a comprehensive overview of the reasons for various conflicting interpretations and then explores how well the different Foucaults can be used in progressive politics and democratic theory

Foucault, Freedom and Sovereignty Sergei Prozorov, 2016-04-15 Against the prevailing interpretations which disqualify a Foucauldian approach from the discourse of freedom this study offers a novel concept of political freedom and posits freedom as the primary axiological motif of Foucault's writing Based on a new interpretation of the relation of Foucault's approach to the problematic of sovereignty Sergei Prozorov both reconstructs ontology of freedom in Foucault's textual corpus and outlines the modalities of its practice in the contemporary terrain of global governance The book critically engages with the acclaimed post Foucauldian theories of Giorgio Agamben and Antonio Negri thereby restoring the controversial notion of the sovereign subject to the critical discourse on global politics As a study in political thought this book will be suitable for students and scholars interested in the problematic of political freedom philosophy and global governance

Speaking of Freedom Diane Enns, 2007 *Speaking of Freedom* analyzes the development of ideas concerning freedom and politics in contemporary French thought from existentialism to deconstruction in relation to several of the most prominent post World War II revolutionary struggles and the liberation discourses they inspired

Sovereignty and the Limits of the Liberal Imagination Scott G Nelson, 2009-09-11 This is a study of the concept of sovereignty in the modern epoch For too long modern political theory has assumed the subject it has also assumed the state This book asks how each are effected in history through liberal Enlightenment ethical and political affirmations which anchor themselves in a unique metaphysics of statecraft

Byron and the Politics of Freedom and Terror Piya Pal-Lapinski, 2011-05-27 This interdisciplinary collection explores the divergence or convergence of freedom and terror in a range of Byron's works Challenging the binary opposition of historicism and

critical theory it combines topical debates in a manner that is sensitive both to the circumstances of their emergence and to their relevance for the twenty first century *Freedom's Moment* Paul M. Cohen,2007-12-01 What kind of freedom and what kind of individual has the French Revolutionary tradition sought to propagate Paul Cohen finds a distinctly French articulation of freedom in the texts and lives of eight renowned cultural critics who lived between the eighteenth century and the present day Arranged not according to the lives and times of its protagonists but to the narrative themes and structures they held in common Cohen s study discerns a single master narrative of liberty in modern France He captures these radicals whose tradition bids them to resist the authority of power structures and public opinion They denounce bourgeois and utilitarian values the power of Church and State and the corrupting influence of everyday politics and they dream of a revolutionary rupture a fleeting instant of sometimes violent but always meaningful transgression An eloquent and insightful work on French political culture Freedom s Moment also helps explain how France even as it has oscillated between political stagnation and crisis has held onto its faith that liberty equality and fraternity remain within its grasp Examines the ideas of Rousseau Robespierre Stendahl Michelet Bergson Peguy Sartre and Foucault **Freedom After the Critique of Foundations** A. Kioupkiolis,2012-07-25 An exploration of the contemporary re conception of freedom after the critique of objective truths and ideas of an unchanging human nature in which modern self determination was grounded This book focuses on the radical theorist Cornelius Castoriadis and the new paradigm of agonistic autonomy is contrasted with Marxian and liberal approaches **Between Truth and Freedom** Kenneth Wain,2014-11-20 This book engages in a broad reading of Rousseau s writings on educational and political thought in order to explore and address the competing demands of the enculturation and individuation of the young in Western societies Although Rousseau s Emile has been frequently utilised in educational debate much of his other work has been largely neglected as too has the relationship between his educational and political thinking which this work seeks to redress Drawing on the thinking of philosophers Foucault and Richard Rorty the book considers the public and private conflicts of education and politics in modern societies treating them as the tension between the demands of truth and freedom This tension exists across a range of educational and political systems such as teaching in and by the family school the government and separately for women Wain suggests that the conflict between truth and freedom began with Rousseau and remains a central challenge in our contemporary world of political and educational thought This book s examination of the public and private roles in education and politics can enhance our understanding of modern educational systems and current political nihilism Between Truth and Freedom provides an analysis of Rousseau s position on the politics of education arguing that his thoughts were much wider and more sophisticated than the ideas presented in Emile imply This new consideration of the work of a classic figure will appeal to researchers and academics in the fields of the philosophy of education and political education *Rereading Power and Freedom in J.S. Mill* Bruce David Baum,2000-01-01 Baum recovers lost dimensions of Mill s thought and in so doing contributes to a critical sociology of

freedom for our our time like workers co operatives women s rights **Building the Body Politic** Margaret E. Farrar,2008

Power language and urban planning politics in Washington D C Equality and Freedom in Rancière and Foucault Stuart Blaney,2024-12-12 Responding to the increasing need for new and peaceful forms of emancipation Stuart Blaney offers a unique solution in the synergy between two pioneering strands of continental philosophy Michael Foucault s ideas on freedom and Jacques Ranci re s ideas on equality Building a dialogue between these two thinkers Blaney presents new perspectives on their work and a clear picture that emancipation comes from everyday practices rather than any particular movement or revolution In exploring these combined views of equality and freedom Blaney draws on some of the central facets of both concepts including revolution disagreement care for the self free speech and stoicism To put these ideas into a practical framework of real lived experience we are introduced to the figure of Louis Gabriel Gauny the 19th century worker poet and self confessed plebeian philosopher Gauny is a nexus for Ranci re s and Foucault s ideas his life exemplifying a dual mode of existence in between conformity and political revolution This lived philosophy of equality and freedom shows the strong synergy between the two concepts with one reinforcing the other and strengthening their efficacy as forms of emancipatory practice **Politics of Religious Freedom** Winnifred Fallers,Elizabeth Shakman Hurd,Saba Mahmood,Peter G. Danchin,2015-07-22 In a remarkably short period of time the realization of religious freedom has achieved broad consensus as an indispensable condition for peace Faced with widespread reports of religious persecution public and private actors around the world have responded with laws and policies designed to promote freedom of religion But what precisely is being promoted What are the cultural and epistemological assumptions underlying this response and what forms of politics are enabled in the process The fruits of the three year Politics of Religious Freedom research project the contributions to this volume unsettle the assumption ubiquitous in policy circles that religious freedom is a singular achievement an easily understood state of affairs and that the problem lies in its incomplete accomplishment Taking a global perspective the more than two dozen contributors delineate the different conceptions of religious freedom predominant in the world today as well as their histories and social and political contexts Together the contributions make clear that the reasons for persecution are more varied and complex than is widely acknowledged and that the indiscriminate promotion of a single legal and cultural tool meant to address conflict across a wide variety of cultures can have the perverse effect of exacerbating the problems that plague the communities cited as falling short **Freedom through Submission: Muslim-talk in Contemporary Denmark** Johannes Renders,2021-03-01 In Freedom through Submission Johannes Renders explores Danish Muslim statements on human freedom Within a context where public talk of Islam is largely mediated by an incessant succession of controversies the notion of freedom is weaponized both by and against a growing Muslim community Danish Muslims take issue with liberal associations of the notion with autonomy and choice and seek to reconfigure the public debate that pits freedom against Islam This book brings out a sophisticated and reflective Muslim discourse in which freedom is something

individuals must simultaneously exercise surrender and achieve through a cultivated relinquishing of the will to Allah

Critique and Power Michael Kelly, 1994-06-06 The book juxtaposes key texts from Foucault and Habermas it then adds a set of reactions and commentaries by theorists who have taken up the two alternative approaches to power and critique The result is a guide for those seeking to understand and build on an unfinished debate between two of the 20th century's most important philosophers Which paradigm of critique Foucault's or Habermas's is philosophically and practically superior especially with regard to the nature and role of power in contemporary society In shaping this collection Michael Kelly has sought to address this question in relation to the ethical political and social theory of the past two decades Michel Foucault and Jurgen Habermas had only just begun to come to terms with one another's work when Foucault died in 1984 they had even discussed the possibility of a formal debate on Enlightenment in the neutral arena of the United States In the decade since Habermas and his supporters have continued to respond to Foucault in various ways but Foucault's followers have not shown as strong an inclination to keep up his side of the dialogue For this reason an invaluable exchange on the nature and limits of philosophy in the present age has never achieved its full potential In this anthology Michael Kelly recasts the debate in a way that will open it up for further development The book starts by juxtaposing key texts from the two philosophers it then adds a set of reactions and commentaries by theorists who have taken up the two alternative approaches to power and critique Two of these essays were written especially for this volume The result is a guide for those seeking to understand and build on this important but unfinished debate Essays by Michel Foucault Jurgen Habermas Axel Honneth Nancy Fraser Richard Bernstein Thomas McCarthy James Schmidt and Thomas E Wartenberg Gilles Deleuze Jana Sawicki Michael Kelly

Communicative Engagement and Social Liberation Patricia Arneson, 2013-11-29 Communicative Engagement and Social Liberation Justice Will Be Made recognizes limitations in contemporary understandings that separate history and rhetoric Drawing together ontological and epistemic perspectives to allow for a fuller appreciation of communication in shaping lived experience facets of the two academic subjects are united in acts of communicative engagement Communicative engagement draws from Anna Teresa Tymieniecka's writings on the human condition extends the communicative praxis of philosopher Calvin O Schrag by reuniting *poesis* praxis expands Ramsey Eric Ramsey's writings to provide ground for vitalizing social liberation and includes the work of philosophers including Hans Georg Gadamer Maurice Merleau Ponty and Michel Foucault as well as philosophers of communication including Lenore Langsdorf Michael J Hyde Corey Anton and others who guide a recollection of the significance of *poesis* in human communication Myrtilla Miner Mary White Ovington and Jessie Daniel Ames dedicated their lives to being out of place and speaking out of turn to alter the way humanity was understood by members of society at large The lived experiences of these historical figures assists readers in recognizing how creativity *poesis* can potentially enable liberation from restrictive social circumstances

In Defense of Politics in Public Administration Michael W. Spicer, 2010 Introduction anti politics in

public administration Value pluralism and moral experience Politics conciliation and value pluralism Politics and the limitations of a science of governance A pluralist approach to public administration adversary argument Constitutionalism and administrative discretion Conclusion practical moral reasoning in public administration

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Michael Foucault And The Politics Of Freedom**

In a global inundated with monitors and the cacophony of instant communication, the profound energy and psychological resonance of verbal art frequently disappear into obscurity, eclipsed by the continuous onslaught of noise and distractions. However, situated within the musical pages of **Michael Foucault And The Politics Of Freedom**, a charming work of literary beauty that pulses with natural feelings, lies an unique journey waiting to be embarked upon. Published with a virtuoso wordsmith, that magical opus books viewers on an emotional odyssey, delicately exposing the latent potential and profound influence embedded within the intricate web of language. Within the heart-wrenching expanse of the evocative examination, we can embark upon an introspective exploration of the book is central subjects, dissect its fascinating writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
