Once More Unto the Speech, Dear Friends: The comedies William Shakespeare,2006 Applause Books There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones Each genre comedy history tragedy has different requirements No current monologue book deals directly with the bulk of these concerns *Once More unto the Speech Dear Friends* now fills that gap This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer Of Shakespeare s 37 plays only *Pericles* is not included In the trilogy
