Radiant Life Meditations And Visions Of Hildegard Of Bingen:

Soul Springs Lotus Linton, 2002-08 Why is the harbinger of the Age of Aquarius called the Waterbearer Could it be that the true Grail of the spiritual quest is not so much a cup but the water within it Soul Springs Seeking Self in the Waters of the World tells of a uniquely female spiritual journey that has taken the form of a water quest on several continents Searching for truth within many cultures and landscapes the author was irresistibly drawn to watery places She discovered that water is universally understood to be a feminine element Soul Springs is a collection of vignettes revealing spiritual insights gained at the brink of water at a goddess well in Cornwall in the Grand Canyon or at a temple by the sea in Bali Each story is titled with a familiar religious term such as Blessing Communion or Grace and evolves into a distinctly feminine sometimes unorthodox perspective as revealed to the author by her inner voice Soul Springs appeals to the inner gnosis that is available to each woman the liquid light of her own Soul s wisdom *Bowker's Complete Video Directory*, 2000

JNCHC, 2005 **Healing Logics** Erika Brady, 2001-04 Scholars in folklore and anthropology are more directly involved in various aspects of medicine such as medical education clinical pastoral care and negotiation of transcultural issues than ever before Old models of investigation that artificially isolated folk medicine complementary and alternative medicine and biomedicine as mutually exclusive have proven too limited in exploring the real life complexities of health belief systems as they observably exist and are applied by contemporary Americans Recent research strongly suggests that individuals construct their health belief systems from diverse sources of authority including community and ethnic tradition education spiritual beliefs personal experience the influence of popular media and perception of the goals and means of formal medicine Healing Logics explores the diversity of these belief systems and how they interact in competing conflicting and sometimes remarkably congruent ways This book contains essays by leading scholars in the field and a comprehensive bibliography of folklore and medicine **The Video Source Book** David J. WEINER, 1990 *Video Source Book*, 2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **A Journey Through Christian Theology** William P. Anderson, A non threatening entrance into texts from the Apostolic Fathers to Mary Daly *The Gardener's Way* Maureen Gilmer, 2000-12 Take a stroll into a spiritual garden This day book celebrates the gifts of soil air water and stone It contains quotations on the wonders of nature and botanical beauty to provide a source of inspiration for every day of the year Includes practical day by day advice for growing a rich garden *Illuminations of Hildegard of Bingen* Matthew Fox, 2002-12-01 An introduction to the life and work of Hildegard Reveals the life and teachings of one of the greatest female artists and intellectuals of the Western Mystical Tradition Contains 24 full color illustrations by Hildegard of Bingen Includes commentary by Matthew Fox author of Original Blessing 250 000 sold Hildegard of Bingen 1098 1179 was an extraordinary woman living in the Rhineland valley during most of the twelfth century Besides being the abbess of a large

and influential Benedictine abbey she was a prominent preacher healer scientist and artist She also was a composer and theologian writing nine books on theology medicine science and physiology as well as 70 poems and an opera At the age of 42 she began to have visions these were captured as 36 illuminations 24 of which are recorded in this book along with her commentaries on them She also wrote a text describing these visions entitled Scivias Know the Ways now published as Hildegard of Bingen's Mystical Visions Author Matthew Fox has stated If Hildegard had been a man she would be well known as one of the greatest artists and intellectuals the world has ever seen It is a credit to the power of the women's movement and our times that this towering genius of Western thought is being rediscovered in her full grandeur and autonomy Virtually unknown for more than 800 years in Western history Hildegard was featured as one of the women in Judy Chicago's Dinner Party in the early 1980s and published for the first time in English by Bear Company in 1982 In addition to her mystical teachings Hildegard's music has been performed and recorded for a new and growing audience **Mandala** Judith

Strehlow,2002-07-10 Hildegard of Bingen recognized what the holistic health movement has only recently restored to our consciousness that full health can only be experienced in a state of spiritual balance Dr Strehlow gives readers practical suggestions based on the integration of 35 spiritual forces of the human soul in order to cure the soul within which he synthesized from five of Hildegard's books on spiritual and psychological healing principles **Subject Guide to Books in Print** ,1993 **Yoga Journal** ,1997-12 For more than 30 years Yoga Journal has been helping readers achieve the balance

Mayes,2022-05-17 This book bears us on eagles wings into the vault of the heavens and plunges us into the hidden depths of the soul As the climate crisis alerts us to the state of the planet so we look into our soul We see how the Bible and classic spiritual writers use arresting meteorological imagery to describe both the discovery of the Divine and the condition of humanity We explore a rich and diverse vocabulary archetypal universal and primal enabling us to describe the movements of the soul These images and metaphors help us express what is going on in our spiritual lives as we learn the skill of reading the climate of our soul Attentiveness to the ecology of the soul leads to a sharper perception of the environmental issues facing our planet This book helps us to look differently at our turbulent world within the interplay of microcosm of soul and

macrocosm of climate celebrating a sacramental approach to the universe to the elements and to ourselves *Camino Divina—Walking the Divine Way* Gina Marie Mammano, 2016-04-04 Inspired by the ancient spiritual practices of lectio divina and walking meditation camino divina helps you explore whole new worlds inside yourself as well as re view the natural world around you by combining mindful walking with inspiring phrases and spiritual exercises Includes introductions to twelve spiritual luminaries and their work **Communion with the Friends of God** Jane McAvoy, 2001 Ideal for use at the communion table or for personal devotions the meditations and prayers that make up this collection are inspired by the lives and writings of six medieval women mystics Julian of Norwich Mechthild of Magdeburg Hildegard of Bingen Margery Kempe Hadewijch of Brabant and Catherine of Siena Through their lives and writings we can share in communion as an experience of God's saving grace and we can celebrate that grace in Christ Contemporary Encounters in Gender and Religion Lena Gemzöe, Marja-Liisa Keinänen, Avril Maddrell, 2016-11-16 The fields of gender and religious studies have often been criticized for neglecting to engage with one another and this volume responds to this dearth of interaction by placing the fields in an intimate dialogue Taking a multi disciplinary approach and drawing on feminist scholarship the book undertakes theoretical and empirical explorations of relational and co constitutive encounters of gender and religion Through varied perspectives the chapters address three interrelated themes religion as practice the relationship between religious practice and religion as prescribed by formal religious institutions and the feminization of religion in Europe Women of Note Quarterly , 2000

Fragments of Real Presence Teresa Berger, 2005 Two time Catholic Press Award winner What do the feasts of the liturgical year look like when seen from the perspective of women How do traditions become enriched when we remember the women who have handed them down From Clare and Clairiol to The Making of Love An ABC Fragments of Real Presence from the Yale professor silenced by the Vatican offers us a rich landscape of insights throughout the liturgical calendar Each fragment is a different kind of meditation a hymn a theological reflection a historical discussion a poem giving us new ways to see with the eyes of women past and present From their experience our own spiritual experience of the traditions and the possibilities for the future will be enhanced and deepened **Library Journal** , 1996
