

# RADIATING CHRIST

Dear Jesus, help us to spread Your fragrance everywhere we go. Flood our souls with Your Spirit and Life. Penetrate and possess our whole being so utterly that our lives may only be a radiance of Yours. Shine through us and be so in us that every soul we come in contact with may feel Your presence in our souls. Let them look up, and see no longer us, but only Jesus! Stay with us and then we shall begin to shine as You shine, so to shine as to be a light to others. The light O Jesus, will be all from You; none of it will be ours. It will be You, shining on others through us. Let us thus praise You in the way You love best, by shining on those around us. Let us preach You without preaching, not by words but by example, by the catching force, the sympathetic influence of what we do, the evident fullness of the love our hearts bear for You.

Amen

## **Radiating Christ:**

**Radiating Christ** Raoul Plus, 2003-06 To be a Christ is the whole meaning of Christianity To radiate Christ is the whole meaning of the Christian Apostolate But to be a Christ for one's own personal benefit is not enough we have to Christianize those around us in a word we have to radiate Christ There are so many holy people that have radiated Christ in our times but none as powerfully and effectively as Pope John Paul II and Mother Theresa of Calcutta May we be granted the gift to radiate Christ This beautiful book lays a foundation to help us to radiate and Christianize our fellow man especially in these times of decadence and non believing Christians YOU CAN MAKE A DIFFERENCE Edward D. Andrews, 2017-11-20 In You Can Make a Difference Why and How Your Christian Life Makes a Difference the transformative power of faith is explored through the lens of everyday believers who like the biblical heroes of yore have the potential to shape their world through their spirituality and actions Drawing inspiration from figures like David Nehemiah Deborah Esther and the Apostle Paul the book reveals how a Christian life can positively influence others This book provides practical insights and inspiration for Christians who strive to live a life of service and make a lasting impact It underlines the importance of a spiritual attitude courageous faith and service to others By using biblical principles and personal anecdotes the book elucidates how each believer no matter how ordinary has the potential to be an extraordinary force of change From fostering community and radiating Christ's love to empowering others through discipleship You Can Make a Difference guides readers on a journey of spiritual growth and service It serves as a reminder that even small gestures can ripple out to create significant change and that living out Jesus teachings is a joyous responsibility This book is an uplifting call to action for all Christians to embody their faith encouraging them to step into their role as difference makers with grace courage and joy Regardless of whether you touch ten lives or just one this book will inspire you to live out your Christian life with an understanding that you can and will make a difference *Christ Alive in Me: Living as a Member of the Mystical Body* Fr. David Meconi, S.J., 2021-08-16 It is no longer I who lives but Christ who lives in me Galatians 2:20 Giving God permission to dwell within us thereby transforming us into another incarnate son or daughter has been at the heart of the Christian Gospel for millennia It is not just one theological doctrine among many it is the ultimate goal of the entire Christian life The only goal in God's becoming human is to continue his life in ours In *Christ Alive in Me Living as a Member of the Mystical Body* Fr David Meconi S J explains the theology of Christian deification which is also the theology of the Mystical Body of Christ Although this radical aspect of the Gospel has been forgotten by many today Meconi seeks to reclaim this central truth and uncover what it means live with in and even as Christ Discover what it is to become other Christs living extensions of the Lord himself to become his eyes and ears his heart and words his hands and feet on earth *Mother Teresa: Come Be My Light* Mother Teresa, Brian Kolodiejchuk, 2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history Mother Teresa During her lifelong service to the poorest of the poor Mother Teresa became an icon of

compassion to people of all religions her extraordinary contributions to the care of the sick the dying and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world Little is known however about her own spiritual heights or her struggles This collection of her writing and reflections almost all of which have never been made public before sheds light on Mother Teresa s interior life in a way that reveals the depth and intensity of her holiness for the first time Compiled and presented by Fr Brian Kolodiejchuk M C who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center Mother Teresa brings together letters she wrote to her spiritual advisors over decades A moving chronicle of her spiritual journey including moments indeed years of utter desolation these letters reveal the secrets she shared only with her closest confidants She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith a true dark night of the soul If I ever become a Saint I will surely be one of darkness I will continually be absent from Heaven to light the light of those in darkness on earth Mother Teresa

*A Call to Mercy* Mother Teresa, 2018-09-04 Published to coincide with Pope Francis s Year of Mercy and the Vatican s canonization of Mother Teresa this new book of unpublished material by a humble yet remarkable woman of faith whose influence is felt as deeply today as it was when she was alive offers Mother Teresa s profound yet accessible wisdom on how we can show mercy and compassion in our day to day lives For millions of people from all walks of life Mother Teresa s canonization is providentially taking place during Pope Francis s Extraordinary Jubilee of Mercy This is entirely fitting since she is seen both inside and outside of the Church as an icon of God s mercy to those in need Compiled and edited by Brian Kolodiejchuk M C the postulator of Mother Teresa s cause for sainthood *A Call to Mercy* presents deep yet accessible wisdom on how we can show compassion in our everyday lives In her own words Mother Teresa discusses such topics as the need for us to visit the sick and the imprisoned the importance of honoring the dead and informing the ignorant the necessity to bear our burdens patiently and forgive willingly the purpose to feed the poor and pray for all the greatness of creating a civilization of love through personal service to others Featuring never before published testimonials by people close to Mother Teresa as well as prayers and suggestions for putting these ideas into practice *A Call to Mercy* is not only a lovely keepsake but a living testament to the teachings of a saint whose ideas are important relevant and very necessary in the 21st century

He then probes into the very roots of the conditioning processes which daily shape our lives and poses for the reader some incisive questions which demand reflection and inner search. Discussions on faith, hope, love, religion, mental prayer, and spiritual growth follow. The final chapters on leisure and leadership are especially provocative since they direct the reader's attention to where the responsibility for the self-accomplishment of this art truly lies. Father McNamara has the knack of putting his finger directly on the problems of today's living. *THE ART OF BEING HUMAN* does not pretend to have all the answers but it goes a long way toward taking the reader in the right direction. Here is a book to read to ponder and to act as its message challenges us to do. **Magnificat**

*The Myth of Happiness* Rich Wagner, 2009-08-30 What is joy? What isn't joy? And most important, how can we experience it? After all, isn't that what we long for something that goes beyond a smiley face and takes hold of the fullness Jesus promised his followers? C. S. Lewis said he was surprised by joy but the reality is that most Christians today are just plain confused by it. While paying lip service to joy, we replace it in favor of a cheap substitute: happiness. In *The Myth of Happiness*, Rich Wagner dispels our misconceptions and reveals the true nature of biblical joy. He wrestles honestly with the tough questions many of us wonder but haven't known how to ask: Is joy anything more than a plastic smile? Can we experience joy while battling fear and uncertainty? Are Christians honestly expected to count it all joy, rejoicing in the midst of turmoil and tragedy? Can real joy possibly live up to the hype? Joy transforms. It's God's most tangible gift available to believers this side of heaven. Wagner debunks the myth of happiness and helps us receive the unquenchable joy Christ promises.

**One in the Lord** Susan Muto, 2013 Susan Muto challenges us to turn away from the cultural impulse toward me-centeredness. She maps out the factors that work against our being one in the Lord and she offers ways to begin each day looking to love first and to seek God's will in each daily action.

**Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC Brian, 2024-06-21 *Mother Teresa's General Letters to Her Sisters* is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye.

Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
