

Radical BUSINESS ETHICS

Richard L. Lippke

Radical Business Ethics

**Carl Rhodes, Iain Munro, Torkild
Thanem, Alison Pullen**

Radical Business Ethics:

Radical Business Ethics Richard L. Lippke, 1995 Arguing against most scholars of business ethics who have articulated a set of moral principles and applied them to problems faced by business people Richard Lippke steers away from offering moral directives In *Radical Business Ethics* he develops a more comprehensive perspective on business issues that is tied to larger questions of social justice Analyzing a select group of timely issues such as advertising employee privacy and insider trading in the context of debates about the nature of the just society Lippke argues that the most plausible theory of justice is one whose implications are highly critical of many features of advanced capitalist societies *Radical Business Ethics* will be an eye opening book for students and scholars of ethics and anyone interested in the role business plays in a just society

Radical Thoughts on Ethical Leadership Carole L. Jurkiewicz, Robert A. Giacalone, 2017-08-01 *Radical Thoughts on Ethical Leadership* provides contributions from established scholars with fresh perspectives on ethical leadership with challenging viewpoints that have been given little coverage in the literature to date *Radical Thoughts on Ethical Leadership* includes theoretical perspectives that are founded on unconventional approaches radical outside the box ideas that would be difficult to get through the conventional journal review process The volume brings together noted researchers from a variety of disciplines and explore non mainstream approaches to ethics and social responsibility theory research and practice in both business and public administration Grounded in the established literature and providing insight for researchers managers administrators or organizations at large the volume establishes new paradigms for the field of ethical leadership **Think**

and Act on Business Ethics Barry A. Liebling, 2004-01-01 **For Business Ethics** Campbell Jones, Martin Parker, Rene ten Bos, 2005-08-03 *For Business Ethics* is a daring adventure into the world of business ethics It offers a clear and accessible introduction to business ethics and also expands business ethics beyond its current narrow confines It is ground breaking in the sense that it invites a distinctively critical approach to business ethics an approach that the authors argue is part and parcel of ethics With a thought provoking glossary and recommendations for further readings *For Business Ethics* is an essential purchase for students and practitioners alike It is at once an introduction to business ethics and a challenge to anyone who wishes to take part in or change contemporary organized society *The Routledge Companion to Business Ethics*

Eugene Heath, Byron Kaldis, Alexei Marcoux, 2018-02-12 The field of business ethics continues to expand intellectually and geographically During the past five decades scholars have developed and deepened their inquiries into the ethics of commercial and corporate conduct This Companion provides a novel overview of the discipline of business ethics covering the major areas of the field as well as new and emerging topics The eight thematic units range over an extraordinary set of subjects and include chapters on the history and pedagogy of business ethics moral philosophy the nature of business responsibilities within the firm economic institutions the 2008 financial crisis globalization and business ethics in different regions of the world Led by a well respected editorial team this unique volume gathers an international array of experts

whose various critical approaches yield insights from areas such as public policy economics law and history in addition to business and philosophy With its fresh analyses wide scope and clarity of approach this volume will be an essential addition to library collections in business management and applied ethics **Disturbing Business Ethics** Carl Rhodes,2019-07-30

21st century Western neoliberalism has seen the transformation of self interest from an economic imperative to a centrally constitutive part of dominant modes of subjective existence Against this celebration of competitive individualism Emmanuel Levinas philosophy stands as a haunting reminder of an ethics that passively disturbs the self from its egoistic slumber awakening it to the incessant demands of the other Ethics stands as an anxious affective state of being where one is held to account by others each one demanding care attention and respect Focussing on business activities and organizations this book explores how this ethical demand of being for the other becomes translated in a necessarily impure way into political action contestation and resistance Such a response to ethics invokes a disturbance of organizational order including an order that might itself be labelled ethical On these grounds the book offers an explication of an ethics for organizations which disturbs the selfishness of neoliberal morality and can inform a democratic politics rested on a genuine concern for the other and for justice Disturbing Business Ethics Emmanuel Levinas and the Politics of Organization offers an unconventional and enlightening approach to ethical thinking and practice in politics and organisations and will be of interest to students of business management leadership political science and organizational theory **Ethical Issues in Business** Peg Tittle,2000-04-13

The core of this text comprises chapters on all the key issues of business in Canada today Each chapter includes a hypothetical case study and an introduction highlighting key ethical points two academic essays and a real life case study Questions for discussion accompany the essays and case studies The author has also included a general introduction to ethical issues and an overview of ethical theory a section on institutionalizing ethics discussing ethics officers programs codes etc and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law **Business Ethics and Corporate Social Responsibility** M.V. Rodriques,2015-01-01

Business Ethics and Corporate Social Responsibility was produced with the aim of putting on market a book that deals with all the major aspects of business ethics and corporate social responsibility and at the same time fulfils the needs of the students professionals and businessmen alike as a well integrated book on the subject It discusses the principles and practice of business ethics and imparts to the readers knowledge and skills of using these principles in the direction of problem solving and ethical decision making The practical and concise text provides the right quantum of material on a broadening base of ethical management and corporate social responsibility **Special Issue: Dissensus!** Carl Rhodes,Iain Munro,Torkild Thanem,Alison Pullen,2020 **Responsible Professionalism** Herman Siebens,2019-05-29

Thinking about responsible behaviour in the professional and business world but also as a citizen in its current form may only be fashionable recently it is of all times And it apparently belongs to everyone everyone thinks they can form an opinion about everything and also

thinks that their opinion is well founded We risk falling into ethical relativism everything is possible because ultimately all opinions seem equally correct incorrect Facts free opinions alternative facts and fake news then suddenly become acceptable opinions This book offers business leaders and employees but also teachers and students the necessary insights a framework and a step by step plan to efficiently and thoughtfully tackle ethical dilemmas in the daily civilian professional and business world by a full fledged reflection analytical methodical clearly argued This as an impetus to a more conscious and lived ethical attitude integrity and spirituality and to a structural embedding of responsible action in the strategy and policy of the organization This book is aimed at all readers who are interested in the phenomenon of acting responsibly including corporate responsibility and are looking for a not too extensive pleasant to read but still thorough introduction to the theme

Employee Relations Ethics Andrew Sikula, Sr., John Sikula, 2000-12-01 This special issue reports on the changing social contract between employers and employees in both the public and private work sectors with a focus on the American experience The concept of Employee Relations Ethics ERE is introduced and defined as Treating employees properly and with respect and dignity The lead article introduces a new theory of management which is employee centered rather than customer driven or stockholder mandate The papers that follow address how the changing nature of the American work force has negatively effected US ERE universities skirt the law and contribute to ERE problems new work trend of working in teams impacts ERE and global compassion versus world competition determine and control ERE results The final piece presents an ERE case study explaining the broken covenant between U S military policymakers and American troops during this era of warfare retrenchment and downsizing

The Ideology of Managerialism Thomas Klikauer, 2025-05-28 The term managerialism is widely used not only in the world of business and government and this book details the theory behind the illusive idea It distinguishes between management and managerialism and highlights the two groups pushing managerialism namely corporate apparatchiks and the apostles of managerialism and outlines twelve key ideas shaping managerialism These twelve ideas range from profits to ideology from economic growth and markets to business ethics and corporate social responsibility from quantification to dehumanisation from exploitation to short termism environmentalism and homogenisation Ultimately this research volume illuminates the pathologies of managerialism and its impact on society business government and the defining issue of our time global warming The objective of this book is to move simply beyond using the term managerialism by creating a better understanding of it This means exploring the theory behind managerialism as well as the ideologies that define it It will be of value to researchers academics practitioners and students looking to gain a deeper understanding of managerialism and how managerialism can be overcome with particular interest to those in the fields of critical management studies leadership corporate governance and organisational studies

Leadership and Virtues Toby P. Newstead, Ronald E. Riggio, 2023-03-30 Good leadership is something every leader and organization should strive towards This book serves as a pivotal resource in encouraging the understanding and practice of leadership and

highlights how good leadership is anchored in the rich philosophy and science of virtue Through a diverse range of perspectives the book highlights the importance of leading with virtue unpacks what it means to be a virtuous leader and outlines practical strategies for developing and practicing good leadership Taking a virtues perspective this cohesive collection of chapters by scholars from around the globe offers an inclusive tone and speaks to practicing and aspiring leaders worldwide Readers are provided with a nuanced account of the nature of virtues and leadership and how the two interact on multiple levels and in multiple ways to inform the practice of good leadership Focusing on the tradition of virtue gives this collection a robust scholarly foundation while simultaneously providing scope for diverse views on how and why virtues inform good leadership The book offers a balance of scholarly and practice oriented chapters instilling readers with a deep understanding of virtues and leadership and practical strategies to develop their practice of good and virtuous leadership Each chapter offers a different moral and sociological insight serving altogether to show readers the most effective ways to use virtues to promote shared well being and collective success Scholars students of leadership and management and leadership practitioners will benefit from the accessible and practical lessons this book has to offer This volume will also be of interest to team leaders and managers who are keen to develop their leadership skills in both practice and theory

Business Ethics K. Praveen Parboteeah, John B. Cullen, 2013-04-12 Business Ethics provides a thorough review and analysis of business ethics issues using several learning tools Strategic Stakeholder Management as the Theme All chapters use a strategic stakeholder approach as a unifying theme The text is thus the first text that adopts this approach Most business ethics scholars and practitioners agree that successful ethical companies are the ones that can strategically balance the needs of their various stakeholders By adopting this approach students will be able to see how the various aspects of business ethics are connected Theory based and Application based All chapters have important applicable theories integrated with discussion of how such theories apply in practice Unlike other texts that are either too theoretical or too practical this text provides the appropriate blend of theory and practice to provide deeper insights into the concepts covered in the chapter Global Perspective Unless most other texts this text provides a global perspective on business ethics Most chapters include material pertaining to ethics in global contexts Included are cases about companies in a wide range of countries including Japan U K China and India among many others Cases The text contains over 30 real world global cases Each chapter ends with a short two page case as well as a longer case that varies in length Each has discussions questions at the end Finally each of the four parts ends with a Comprehensive Case proven teaching cases from The Ivey School and other sources

Business Ethics John W. Dienhart, Jordan Curnutt, 1998-11-19 This reference handbook explores the role of ethics in business An introduction defines business ethics and describes the tools of business ethics Readers will also find biographical sketches a detailed examination of the major issues ethical codes a directory of business organizations and associations and a selection of print and nonprint resources including websites A table of cases and statutes and a glossary

complete a volume that will be an indispensable one stop resource for business professionals librarians and anyone interested in the study of ethics

Affect in Organization and Management Carolyn Hunter,Nina Kivinen,2022-09-05
 Affect in Organization and Management asks how affect theory understands everyday working lives through embodied social and political practice Discussing a range of dimensions and perspectives on affect the book considers how subjects are formed through their connections with others both human and non or more than human The six women writers on affect presented in this series Sara Ahmed Kathleen Stewart Donna Haraway Jane Bennett Karen Barad and Rosalyn Diprose all speak to important themes in organization studies including power politics and ethics Each chapter explores how these thinkers have already influenced organization scholars as well as how their work can extend our understanding of pressing organizational issues around gender race the environment leadership and ethics Feminism is a core feature of this collection highlighting feminist writing with affective connected and intersubjective possibilities Each woman writer is introduced by experts on affect and organization studies The chapters also suggest further reading and accessible resources The book is suitable for students academics and practitioners in business and management organization studies and critical management studies who want to think differently about organizations

Why Business Ethics Matters Wayne Nordness Eastman,2015-10-07 This book links game theory to business ethics by applying the classic Four Temperaments approach to a wide range of moral emotions and offers academics and students of game theory a perspective that covers social preferences in a nontraditional way

European Business Ethics Cases in Context Wim Dubbink,Luc van Liedekerke,Henk van Luijk,2011-02-09 Business ethics as a discipline leans on cases but flourishes by thorough analysis and reflection The present volume offers both After three introductory chapters into business ethics eight recent European cases mainly stemming from The Netherlands and Belgium and all of them with a clear moral impact are extensively described and analysed Among them are the Lernout and Hauspie speech technology disaster Heineken s struggle with the promotion girls selling beer in Cambodia cartels in the Dutch construction industry the pharmaceutical industry and the Aids crisis and Unilever allegedly making use of child labour in the cotton industry in India Each case is followed by two expert comments from the fields of general ethics but also of law economics management and organisation theory sociology and social psychology Cases and comments together offer an unique entrance in varieties of moral reasoning and in the personal and institutional dimensions to be taken into account when facing a corporate case saturated with moral ambiguities This book will be of interest to researchers as well as teachers of undergraduate and graduate courses in Business Ethics Business in Society Management and Organisation Theory and Strategic Management It will also be useful for business practitioners eager to find moral guidance in their specific field

Business Ethics W. Michael Hoffman,Robert E. Frederick,Mark S. Schwartz,2014-01-02 The fifth edition of Business Ethics addresses current intriguing often complex issues in corporate morality through 53 readings and 30 pertinent case studies Now significantly updated it includes new leading articles related

current cases and mini cases based on MBA student dilemmas Addresses a broad range of the most current intriguing often complex issues and cases in corporate morality Provides impartial point counterpoint presentations of different perspectives on the most important and highly contended issues of business ethics Updated and significant case studies are included to reinforce student learning Now contains mini cases based on actual MBA student dilemmas Each author has substantial experience in teaching writing and conducting research in the field

Ethics & Organizations Martin Parker, 1998-09-14

Ethics and Organization provides a rich and valuable overview of an increasingly important issue for management and organizations in contemporary society Debates about equal opportunities environmental responsibility consumer redress and corporate governance have given ethics a prominent place in the study of organizations in their social and natural environments Within the organization new management styles that seek to energize employees by manipulating their beliefs have highlighted the moral ethical principles at issue in contemporary management At the same time debates around postmodernism and relativism have moved ethics to a new centrality in contemporary social theory Ethics and Organization addresses the questions that these and other developments raise for the study of management and organizations from a multidisciplinary perspective The book will be of value to advanced level students and academics engaged in analyzing the moral political and ethical dimensions of organization theory and organizational practice
