Radical Christianity Living Your Life For The Ultimate Cause Jesus Christ:

Stomping Out Depression Neil T. Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition shows teens how Jesus can change the way they think and the way they live

Surviving Adolescence Jim Burns, 1997 Discusses a variety of common problems that teenagers face and gives advice on how to cope with them from a Christian point of view

Rules for Radical Christians Nelson R Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth

Jump! Exploring Our Spiritual Existence Brent D. Bailey, 2023-01-11 Jump Exploring Our Spiritual Existence will speak truth to the hearts of those guided by the Holy Spirit but it will also be a fascinating read for anyone in search of a deeper discussion of spiritual influences This book builds upon the vital foundation of experiencing a personal relationship with God and examines barriers that can distract from this relationship It explores the spiritual forces of this world by observing the personality traits of God versus Satan Better recognizing these personalities will equip the reader to see their power in his or her own life This book will deepen your relationship with the triune God and help develop your discernment of spiritual influences If you are an out of the box thinker you will enjoy the expansive spiritual thoughts grounded in Scripture

Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 **When Sons Return Home** John B. Murray,2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents When life doesn t go the way they thought losing everything they

inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents

Glorious Destiny Estera Marian,2024-05-23 Do you wonder sometimes if there is more to Christianity God has a glorious destiny for your life but you need to die to yourself in order to step into it This is something that is hidden from the minds and hearts of most Christians Are you also finding yourself unsatisfied Discover the secrets that unlock the door to the highest fulfillment being free from yourself It is life s greatest privilege Estera will take you on a journey that will uncover the fingerprints of God in her life and will help you understand the beauty and sacredness of God s ways in your own life Self centeredness is the norm of today but without humility you will never experience everything God wants to do in your life Gain breakthrough over the areas that block God s destiny for your life
