

Radical Politics in Modern Ireland

The Irish Socialist Republican Party
1896–1904

DAVID LYNCH

With a Foreword by Diarmaid Ferriter

Radical Politics In Modern Ireland

Richard English

Radical Politics In Modern Ireland:

Radical Politics in Modern Ireland David Lynch, Diarmaid Ferriter, 2008-01 The first full length study of the Irish Socialist Republican Party uses primary sources to delve into the internal politics and personalities that brought life to this important organisation The party produced the first regular socialist paper in Ireland the Workers Republic ran candidates in local elections represented Ireland at the Second International agitated over issues such as the Boer War and the 1798 commemorations Politically the ISRP was before its time putting the call for an independent Republic at the centre of its propaganda before Sinn Fein or others had done so The political significance of the organisation led by James Connolly is also viewed in both the international and national sphere The legacy of the ISRP was to have an impact on the left wing and republican movements in Ireland for many decades following its demise in 1904

Radical Politics in Modern Ireland David Lynch, 2005 Delves into the internal politics and personalities that brought life to the Irish Socialist Republican Party The political significance of the organisation led by James Connolly is viewed in both the international and national sphere The legacy of the ISRP has had an impact on the left wing and republican movements in Ireland for many decades

Politics, Society and the Middle Class in Modern Ireland F. Lane, 2009-11-29 An examination of Irish society and politics providing a wide ranging introduction to the involvement of the middle classes in Irish political life and the public sphere across the eighteenth and twentieth centuries Combines analytical surveys and case area studies to offer new perspectives on crucial movements and figures in Irish history

Land and Popular Politics in Ireland Donald E. Jordan, 1994 A study of the Irish county of Mayo from Elizabethan times to the late nineteenth century

Sinn Féin and the Politics of Left Republicanism Eoin Ó Broin, 2009-02-20 Sinn Fein is a growing force in Irish politics Now the country's third largest party Sinn Fein have been one of the central architects of the peace process and are increasingly setting the terms of political debate in Ireland north and south Despite this the party remains much misunderstood and often misrepresented Sinn Fein and The Politics of Left Republicanism explores the ideological and organisational origins of the party charts their history and recent political development and assesses their possible futures Eoin O Broin argues that Sinn Fein is part of a distinct left republican tradition in Irish society whose future lies in the globally resurgent radical democratic left

Protestant Nationalists in Ireland, 1900-1923 Conor Morrissey, 2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War

Modern Ireland and Revolution Cormac O'Malley, 2016-11-11 In 1922 following a decade of political ferment and much bloodshed the Irish Free State was established became stabilised and developed along conservative lines During these years the prevailing impulse was to reprove the actions of republicans who had rejected the Anglo Irish Treaty and many significant revolutionary voices were left unheeded One mind more agile than most of his contemporaries belonged to Ernie O Malley It was through his vastly popular clipped lyric memoirs especially *On Another Man's Wound* in 1936 that many of

the complexities of the republican mindset were brought to light for readers worldwide In Modern Ireland and Revolution leading Irish and American historians and academics deliver critical essays that consider the life writings and monumental influence of Ernie O Malley and the modern arts that influenced him After his involvement in the War of Independence and the Civil War O Malley developed a modernist approach while living abroad for ten years he was devoted to the arts moved in circles that included Georgia O Keeffe and Paul Strand and through his probing mind counteracted any notion that republicans of his era were dull inflexible idealists In this fascinating collection art and revolution coincide enriching every preconception of the minds that supported both sides of the Treaty and revealing untoward truths about the Irish Free State's process of remembrance [Catholic Belfast and Nationalist Ireland in the Era of Joe Devlin, 1871-1934](#) A. C. Hepburn,2008-07-17 The Irish revolution of 1916-23 is generally regarded as a success It was a disastrous failure however for the Catholic and nationalist minority in what became Northern Ireland It resulted in partition a discriminatory majoritarian regime and more recently a generation of renewed violence and a decade of political impasse It is often suggested that the blame for this outcome rests not only on perfidious Albion and the bigotry of Ulster Unionism but also on the constitutional nationalist leaders John Redmond John Dillon and Joe Devlin This book argues that on the contrary the era of violence provoked by Sinn Féin's 1918 general election victory was the primary cause of partition so far as actions on the nationalist side were concerned Hepburn also suggests that the exclusively Catholic Ancient Order of Hibernians was in fact less sectarian than Sinn Féin and that Devlin's practical contribution to the improvement of working class conditions was more substantial than that of his republican socialist contemporaries Too much Irish history has been written from the standpoint of the winners This book as well as detailing the life of an important but neglected individual in the context of a social history of Catholic Belfast offers a general re-interpretation of Irish political history between the 1890s and the 1930s from the perspective of the losers [Historical Dictionary of Ireland](#) Frank A. Bilezikian,2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross-referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland **Politics and the Irish Working Class, 1830-1945** Donal Ó Drisceoil,F. Lane,2005-09-30 This book is the first ever collection of scholarly essays on the history of the Irish working class It provides a comprehensive introduction to the involvement of Irish workers in political life and movements between 1830 and 1945 Fourteen leading

Irish and international historians and political scientists trace the politicization of Irish workers during a period of considerable social and political turmoil. The contributions include both surveys covering the entire period and case studies that provide new perspectives on crucial historical movements and moments. This volume is a milestone in Irish labour and political historiography and an important contribution to the international literature on politics and the working class.

John MacBride Donal Fallon, 2015-10-12 Major John MacBride who was born in Westport County Mayo in 1868 was a household name in Ireland when many of the leaders of the Easter Rising were still relatively unknown figures. As part of the Irish Brigade, a band of nationalists fighting against the British in the Second Boer War, MacBride's name featured in stories in the Freeman's Journal and Arthur Griffith's United Irishman. The Major went on to travel across the United States lecturing audiences on the blow struck against the British Empire in South Africa. His marriage to Maud Gonne, described as Ireland's Joan of Arc, led to further notoriety. Their subsequent bitter separation involved some of the most senior figures in Irish nationalism. MacBride was dismissed by William Butler Yeats as a drunken vainglorious lout. Donal Fallon attempts to unravel the complexities of the man and his life and what led him to fight in Jacob's factory in 1916. John MacBride was executed in Kilmainham Gaol on 5 May 1916, two days before his forty-eighth birthday.

Women and Politics in Contemporary Ireland Yvonne Galligan, 1998-01-01 As Ireland made the transition from a rural to a post-industrial society from the 1970s onwards, Irish women developed a significant political voice. Long excluded from participation in the civic arena, they organised to make new challenging and specific demands on government. The relationship between feminist representatives and political decision makers is at the core of this book. It shows how Irish women developed the political skills required to represent women's interests to government effectively and finds that the political activity of the women's movement in the Republic of Ireland contributed to the dismantling of a range of discriminatory policies against women. Galligan discusses the compromises made by both sides as the political system slowly moved to accommodate the feminist agenda. In doing so, she explores the dynamics of Irish politics from a different yet complementary perspective from the institutional approach which characterizes other studies of the Irish political system. This book clearly marks the significant points in the creation of a more woman-friendly society in Ireland from the 1970s to the present day. It is the story of women's rights in contemporary Ireland.

A Nation and Not a Rabble Diarmaid Ferriter, 2017-02-21 The renowned Irish historian delivers an excellent scholarly reevaluation of the 1916 Easter Rebellion and the turbulent decade that followed. Library Journal On Easter Monday of 1916, the Irish Republican Brotherhood launched an armed uprising against British rule that would continue for six days. But the Easter Rising was only the beginning of an ongoing revolutionary struggle. In *A Nation and Not a Rabble*, Diarmaid Ferriter presents a fresh look at Ireland from 1913 to 1923, drawing from newly available historical sources as well as the testimonies of the people who lived and fought through this extraordinary period. Ferriter highlights the gulf between rhetoric and reality in politics and violence, the role of women, the battle for material survival, the impact of

key Irish unionist and republican leaders as well as conflicts over health land religion law and order and welfare

The Princeton History of Modern Ireland Richard Bourke, Ian McBride, 2016-01-12 An accessible and innovative look at Irish history by some of today's most exciting historians of Ireland This book brings together some of today's most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence famine emigration and feminism The Princeton History of Modern Ireland takes readers from the Tudor conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger exploring key political developments as well as major social and cultural movements Contributors describe how the experiences of empire and diaspora have determined Ireland's position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief delving into subjects such as religion gender and Fenianism Presenting the latest cutting edge scholarship by a new generation of historians of Ireland The Princeton History of Modern Ireland features narrative chapters on Irish history followed by thematic chapters on key topics The book highlights the global reach of the Irish experience as well as commonalities shared across Europe and brings vividly to life an Irish past shaped by conquest plantation assimilation revolution and partition

Irish Nationalists and the Making of the Irish Race Bruce Nelson, 2013-12-26 This is a book about Irish nationalism and how Irish nationalists developed their own conception of the Irish race Bruce Nelson begins with an exploration of the discourse of race from the nineteenth century belief that race is everything to the more recent argument that there are no races He focuses on how English observers constructed the native and Catholic Irish as uncivilized and savage and on the racialization of the Irish in the nineteenth century especially in Britain and the United States where Irish immigrants were often portrayed in terms that had been applied mainly to enslaved Africans and their descendants Most of the book focuses on how the Irish created their own identity in the context of slavery and abolition empire and revolution Since the Irish were a dispersed people this process unfolded not only in Ireland but in the United States Britain Australia South Africa and other countries Many nationalists were determined to repudiate anything that could interfere with the goal of building a united movement aimed at achieving full independence for Ireland But others including men and women who are at the heart of this study believed that the Irish struggle must create a more inclusive sense of Irish nationhood and stand for freedom everywhere Nelson pays close attention to this argument within Irish nationalism and to the ways it resonated with nationalists worldwide from India to the Caribbean

Irish Freedom Richard English, 2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over

time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times 2005 Massimo Mastrogregori,2009-12-22

Annually published since 1930 the International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors

The First Irish Cities David Dickson,2021-06-08 The untold story of a group of Irish cities and their remarkable development before the age of industrialization A backward corner of Europe in 1600 Ireland was transformed during the following centuries This was most evident in the rise of its cities notably Dublin and Cork David Dickson explores ten urban centers and their patterns of physical social and cultural evolution relating this to the legacies of a violent past and he reflects on their subsequent partial eclipse Beautifully illustrated this account reveals how the country s cities were distinctive and through the Irish diaspora influential beyond Ireland s shores

The 'Labour Hercules': The Irish Citizen Army and Irish Republicanism, 1913-23 Jeffrey Leddin,2019-03-20 The Irish Citizen Army ICA was born from the Dublin Lockout of 1913 when industrialist William Martin Murphy locked out workers who refused to resign from the Irish Transport and General Workers Union sparking one of the most dramatic industrial disputes in Irish history Faced with threats of police brutality in response to the strike James Connolly James Larkin and Jack White established the ICA in the winter of 1913 By the end of March 1914 the ICA espoused republican ideology and that the ownership of Ireland was vested of right in the people of Ireland The ICA was in the process of being totally transformed going on to provide significant support to the IRA during the 1916 Rising Despite Connolly s execution and the internment of many ICA members the ICA reorganised in 1917 subsequently developing networks for arms importation and intelligence and later providing operative support for the War of Independence in Dublin The most extensive survey of the movement to date The Labour Hercules explores the ICA s evolution into a republican army and its legacy to the present day

A James Connolly Reader James Connolly,2018-05-15 Considered by many Ireland s most important revolutionary James Connolly devoted his life to struggles against exploitation oppression and imperialism Active in workers movements in the United States Scotland and Ireland Connolly was a peerless

organizer sharp polemicist and highly original thinker His positions on the relationship between national liberation and socialism revolution in colonized in colonized and under developed economies and women s liberation in particular were often decades ahead of their time This collection seeks to return Connolly to his proper place in Irish and global history and to inspire activists students and those interested in history today with his vision of an Ireland and world free from militarism injustice and deprivation
