

trial, the victim's voices—underrepresented in his source, which is by no means a complete trial transcript—are amplified through ingenious speculation. Those of the persecutors remain faint and stereotypical.

Apparently assuming that readers will have total recall of *The Myth of Ritual Murder* (a dubious expectation, for part of his intended audience is non-specialists), Hsia alludes to numerous features of the antisemitic discourse without adequately explaining them. Worse, he does very little to contextualize this case. Why Trent? Why 1475? How did antisemitism of the *longue durée*, rumors about trials conducted further to the north in previous decades, and factors (about which he says almost nothing) in their socioeconomic and judicial milieu combine to shape the actions of the Trentini, Bishop Johannes Hinderbach, and his agent? To what extent was the prosecution triggered by that notorious Jew-baiter Bernardino da Feltre, Lenten preacher in the city during the weeks preceding little Simon's death? Though Hsia mentions some of these background phenomena, he fails to marshal them in a well-constructed causal argument.

Contrary to what this book suggests, historians who endorse "the revival of narrative" and "the linguistic turn" are not absolved of their traditional responsibility to mediate and elucidate the past. *Trent 1475*, an opaque protest against antisemitism in general, is far from being a persuasive attempt to account for one specific instance thereof.

UNIVERSITY OF VIRGINIA

Anne Jacobson Schutte

George Huntston Williams. *The Radical Reformation*. 3rd ed. (Sixteenth Century Essays & Studies, 15.) Kirksville, MO: Sixteenth Century Journal Publishers, 1992. xlvii + 1513 pp. \$125.

This greatly expanded edition of the standard survey of the Radical Reformation incorporates the results of other scholars' extensive research as well as Williams' own further studies in the field from the last thirty years. Although a second edition appeared in Spanish ten years ago, it is unlikely that many whose first language is English will have consulted it, and the following comparison bypasses that edition.

Radical Tendencies In The Reformation Divergent Perspectives Sixteenth Century Essays And Studies Vol 9:

Radical Tendencies in the Reformation Hans Joachim Hillerbrand, 1988 **Pierre Bayle's Reformation** Barbara Sher Tinsley, 2001 This work is an historiographical analysis of Bayle's view of the Reformation and the Europeans it affected

BOOK JACKET *T&T Clark Handbook of Anabaptism* Brian C. Brewer, 2021-12-30 By utilizing the contributions of a variety of scholars theologians historians and biblical scholars this book makes the complex and sometimes disparate Anabaptist movement more easily accessible It does this by outlining Anabaptism's early history during the Reformation of the sixteenth century its varied and distinctive theological convictions and its ongoing challenges to and influence on contemporary Christianity T T Clark Handbook of Anabaptism comprises four sections 1 Origins 2 Doctrine 3 Influences on Anabaptism and 4 Contemporary Anabaptism and Relationship to Others The volume concludes with a chapter on how contemporary Anabaptists interact with the wider Church in all its variety While some of the authorities within the volume will disagree even with one another regarding Anabaptist origins emphases on doctrine and influence in the contemporary world such differences represent the diversity that constitutes the history of this movement

The Early Reformation in Germany Dr Tom Scott, 2013-07-28 Over the last twenty years research on the Reformation in Germany has shifted both chronologically and thematically toward an interest in the long or delayed Reformations and the structure and operation of the Holy Roman Empire Whilst this focus has resulted in many fascinating new insights it has also led to the relative neglect of the early Reformation movement Put together with the explicit purpose of encouraging scholars to reengage with the early storm years of the German Reformation this collection of eleven essays by Tom Scott explores several issues in the historiography of the early Reformation which have not been adequately addressed The debate over the nature and function of anticlericalism remains unresolved the mainsprings of iconoclasm are still imperfectly understood the ideological role of evangelical doctrines in stimulating and legitimising popular rebellion above all in the German Peasants War remains contentious while the once uniform view of Anabaptism has given way to a recognition of the plurality and diversity of religious radicalism Equally there are questions which initially broached have then been sidelined with undue haste the failure of Reforming movements in certain German cities or the perception of what constituted heresy in the eyes of the Reformers themselves and not least the part played by women in the spread of evangelical doctrines Consisting of seven essays previously published in scholarly journals and edited volumes together with three new chapters and an historical afterword Scott's volume serves as a timely reminder of the importance of the early decades of the sixteenth century By reopening seemingly closed issues and by revisiting neglected topics the volume contributes to a more nuanced understanding of what the Reformation in Germany entailed

Images and Relics John Dillenberger, 1999 John Dillenberger has written the first comprehensive account of the relation between the visual arts and theological currents in Europe during the first half of the sixteenth century With an astute knowledge of the theology of the period and a keen interest in the lives

and work of prominent artists Dillenberger makes incisive connections that illuminate the cultural movements of the time Images and Relics considers both popular and professional art within distinct religious contexts It examines the works of Matthias Grunewald Albrecht Durer Lucas Cranach the Elder Michelangelo Hans Holbein the Younger Hans Baldung Grien and Albrecht Altdorfer and demonstrates how these artists expressed and transformed the reigning theological ideas of their day The book also addresses the range of iconoclastic movements from the 1520s to the 1570s particularly in northern Europe Finally Dillenberger reflects on the ambiguity of the history of this period and its continuing impact on modern day life Scholars of Early Modern Studies ,1993 *Another Way* Jeremy Garber,2019-07-25 How can theologians philosophers and ordinary people think about the Holy Spirit in the twenty first century This volume offers one model the pneumatology of minoritarian communal interpretation the alternative creation of meaning within an oppressive majority context Garber looks at the stories of Saul Ezekiel and Jesus in the Gospels the Radical Reformers of the sixteenth century and a contemporary group of spiritual but not religious artists to see how they understand the Spirit working in their lives He weaves together the theories of John Howard Yoder Deleuze and Guattari and media theorists like Stanley Fish Jeremy Stolow and Thomas Lindlof as a theological and philosophical background to those stories In the end the Holy Spirit is being weird like Jesus together and Garber offers some observations on what that might look like throughout history and today

Erasmus, Lee and the Correction of the Vulgate Robert Coogan,1992 **Publishers Trade List Annual, 1992** ,1992 Thomas Muentzer, a Destroyer of the Godless Abraham Friesen,1990 Om den kristne kommunist Thomas Muentzer ca 1490 1525 Directory of Published Proceedings ,1992 **Luther's Theological Testament** William R. Russell,1995 This study fills a gap in the research of the Lutheran Confessions It shows how Luther s theological testament is part of a confessional movement that wants to be evangelical and catholic Eric W Gritsch Lutheran Theological Seminary Gettysburg Pennsylvania **Heinrich Bullinger on Prophecy and the Prophetic Office (1523-1538)** Daniël Timmerman,2015-02-18 It has often been noted that the Protestant Reformation of the early sixteenth century witnessed a revived interest in the scriptural notions of prophets and prophecy Drawing from both late medieval apocalyptic expectations of the immanent end of the world and from a humanist revival of biblical studies the prophet appeared to many as a suitable role model for the Protestant preacher A prominent proponent of this prophetic model was the Swiss theologian and church leader Heinrich Bullinger 1504 1575 This study by Daniël Timmerman presents the first in depth investigation of Bullinger s concept of prophecy and his understanding of the prophetic office It also engages with the history of the Zurich institute for the study of the Scriptures which has become widely known as the Prophezei **Reformation Unbound** Karl Gunther,2014-09-25 Fundamentally revising our understanding of the nature and intellectual contours of early English Protestantism Karl Gunther argues that sixteenth century English evangelicals were calling for reforms and envisioning godly life in ways that were far more radical than have hitherto been appreciated Typically such ideas have been seen as later

historical developments associated especially with radical Puritanism but Gunther's work draws attention to their development in the earliest decades of the English Reformation. Along the way the book offers new interpretations of central episodes in this period of England's history such as the Troubles at Frankfurt under Mary and the Elizabethan vestments controversy. By shedding new light on early English Protestantism the book ultimately casts the later development of Puritanism in a new light enabling us to re-situate it in a history of radical Protestant thought that reaches back to the beginnings of the English Reformation itself.

Harvard Theological Studies, 1995 **The Publishers' Trade List Annual**, 1992 La Bible et ses raisons Gérard Gros, Institut Claude Longeon, 1996 **Bibliographie Internationale de l'Humanisme et de la Renaissance** Fédération internationale des sociétés et instituts pour l'étude de la Renaissance, International Council for Philosophy and Humanistic Studies, 1999 **Books in Series, 1876-1949** R.R. Bowker Company, 1982 **Religion Index Two**, 1990
