an oppositional one grounded on the order counterorder binary model of the imaginary formulated by the philosopher social theorist Cornelius Castoriadis The study breaks new ground by reading Ligon s History and Lewis Journal through the lens of the slaves imaginaries of hidden knowledge By redefining Lewis subjectivity through his poem s most potent counterordering symbol the demon king this book advances recent scholarly interest in Jamaica s legendary Three Fingered Jack *What Do I Read Next?* 2002 Neil Barron,Gale Group,2002-10-22 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication dateSeriesNames and descriptions of charactersTime period and geographical settingReview citationsStory typesBrief plot summarySelected other books by the authorSimilar books by different authorsAuthor title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research **The Story of The Deities and The Temples in Southern Indian Peninsula** Trilochan Dash,
