debate on emerging 20th century political and social issues The book also offers A thorough introduction to the Old Testament paradigm and the romanticism of classical authors A comprehensive exploration of the literary reception of the Mesopotamian legacy and its staging Practical discussions of the rediscovery appropriation and visual reproduction of Assyria and Babylonia In depth examinations of cinematic genres and cinematographic contexts Perfect for students of the history of antiquity and cinematographic history Reception of Mesopotamia on Film is also an invaluable resource for anyone with an interest in reception studies

**Production Design in the Contemporary American Film** Beverly

Heisner, 2004-01-16 While the viewer's eyes are trained on the actors the production design sets the mood for the film The design also subtly comments on the action and the characters moves the plot forward and adds to its symbolic content The production design of 23 films of the 1980s and 1990s is analyzed here The films are divided into five areas realistic films set in the present day stylized films including horror set in the present day period films period films that move through several decades and science fiction and fantasy films Among the movies analyzed are The Silence of the Lambs She's Got to Have It The Fisher King Ragtime Barton Fink Goodfellas and Alien The quality of the designs is assessed by a careful reading of the mise en scene Often the designers own words are used to describe the effects and the process involved in achieving them

*The Great Movies II* Roger Ebert, 2006-02-14 Continuing the pitch perfect critiques begun in *The Great Movies* Roger Ebert's *The Great Movies II* collects 100 additional essays each one of them a gem of critical appreciation and an amalgam of love analysis and history that will send readers back to films with a fresh set of eyes and renewed enthusiasm or perhaps to an avid first time viewing Neither a snob nor a shill Ebert manages in these essays to combine a truly populist appreciation for today's most important form of popular art with a scholar's erudition and depth of knowledge and a sure aesthetic sense Once again wonderfully enhanced by stills selected by Mary Corliss former film curator at the Museum of Modern Art *The Great Movies II* is a treasure trove for film lovers of all persuasions an unrivaled guide for viewers and a book to return to again and again
