## Raiders Tide:

Midnight Tides Steven Erikson, 2007-04-17 The five tribes of the Tiste Edur have finally been united under the implacable rule of the Warlock King of Hiroth but their peace has made at the cost of a pact made with a hidden power and ancient forces are awakening that may destroy them all *Foul Tide's Turning* Stephen Hunt, 2015-06-04 The power struggle begins The people of Weyland always believed the slavers raids which destroyed families and homes like a natural disaster were a misfortune that couldn't be averted or stopped But it's not true King Marcus struck a deal his people in exchange for technology and a powerful alliance with the Vandian civilisation And now everyone knows Jacob and Carter Carnehan escaped the slavers along with the true king of Weyland and have returned home with both the truth and a Vandian princess as their hostage Their purpose was to avoid war instead the truth prompts a civil war at home while an invasion force focused on reclaiming the captive princess starts to gather on their borders Jacob and Carter will be separated once again and this time they're fighting for something bigger than their lives To Turn the Tide S.M. Stirling, 2024-08-06 New time travel military adventure from New York Times best selling novelist S M Stirling IT'S THE END OF THE WORLD AS WE KNOW IT Everyone could see it coming But one man could do something about it Oh he couldn't avert the nuclear holocaust but a scientist in Austria ruthlessly using billions of research dollars for his own purposes set himself up and out he created a time machine and filled a warehouse with low tech survival gear Too bad he didn't get to use it himself Instead a team of American grad students led by their professor is sent back to the late Roman Empire Even though they are experts in this time and place they are about to realize that books and actual experience are very different things If they can survive they hope to remake the world into a better place But that's a big if At the publisher's request this title is sold without DRM Digital Rights Management Praise for S M Stirling A powerful convincing adventure with a large cast of ordinary and extraordinary people Don't miss it Harry Turtledove A stunning speculative vision of a near future bereft of modern conveniences but filled with human hope and determination Highly recommended Library Journal Post apocalyptic novels often veer either too heavily into romantic Robinsonades or nihilistic dead ends But Stirling has struck the perfect balance between grit and glory Science Fiction Weekly Stirling shows that while our technology influences the means by which we live it is the myths we believe in that determine how we live The novel's dual themes myth and technology should appeal to both fantasy and hard SF readers as well as to techno thriller fans Publishers Weekly Fans of apocalyptic thrillers like Stephen King's *The Stand* will find *Dies the Fire* absolutely riveting a fantastic epic work Midwest Book Review This volume delivers an engaging and approachable new adventure along with one of the very best of the classic stories GrimDark Magazine Absolute fanboy's dream S M Stirling along with illustrator Robert De La Torre do a bang up job with *Blood of the Serpent* Cheers to Titan Books as well The only other thing this fanboy can ask for is More please Fantasy Literature
