Mead,2002 The main materials contained in these pages will certainly be new for the vast majority of readers Moreover the Mandaean narratives legends and discourses are not only interesting because of their own distinctive matter and manner but they are also arresting for they raise a number of problems some of which are far reaching and one is fraught with implications of immense importance The definite solutions of these problems however lie in the future and the most important of them will perhaps never be reached for in the absence of straightforward historical information general agreement on any subject that concerns Christian origins immediately or even indirectly is now well nigh a psychological impossibility Out of Control (The Kincaid Brides Book #1) Mary Connealy,2011-08-01 Julia Gilliland has always been interested in the natural world around her She particularly enjoys her outings to the cavern near her father s homestead where she explores for fossils and formations and plans to write a book about her discoveries The cave seems plenty safe until the day a mysterious intruder steals the rope she uses to find her way out Rafe Kincaid has spent years keeping his family s cattle ranch going all without help from his two younger brothers who fled the ranch and Rafe s controlling ways as soon as they were able He s haunted by one terrible day at the cave on a far flung corner of the Kincaid property a day that changed his life forever Ready to put the past behind him he plans to visit the cave one final time He sure doesn t expect to find a young woman trapped in one of the tunnels or to be forced to kiss her Rafe is more intrigued by Julia than any woman he s ever known but how can he overlook her fascination with the cave he despises And when his developing relationship with Julia threatens his chance at reconciliation with his brothers will he be forced to choose between the family bonds that could restore his trust and the love that could heal his heart *The National Magazine* ,1901 National Magazine ... ,1901 *Pierce Egan's Book of Sports, and Mirror of Life* Pierce Egan,1832 Village of Okak on the island of Kivalek off the coast of Labrador **"The" Athenaeum** ,1892 Harper's Bazaar ,1914 **The Red Book Of Animal Stories** Andrew Lang,2012 The Red Book of Animal Storms selected and edited by Mr Andrew Lang will be much appreciated by the young folk The stones are more interesting than voracious and indeed Mr Lang is careful to notify all and

sundry that the book is not altogether scientific Ww have yet to learn however that this is a valid objection to children s stories The writers have laid all beasts of all times under contribution from the prehistoric pterodactyl down to the kangaroo of the present day and the bunyip and the sea serpent of tomorrow This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer
