Rain Barrel Baby:

The Rain Barrel Baby, 2011 Inspector Frank Foote's quiet Winnipeg neighbourhood is greening into summer when a dead baby is discovered in his neighbour's rain barrel. The tiny body has evidently been in the rain barrel for some time and there are no obvious leads in the case. Frank is a cop and he's seen a lot of crime scenes but this one is a little too close to home. Meanwhile Gus Olsen, who made the gruesome discovery, is a little worried about a mysterious woman who is cruising their quiet neighbourhood in her Lincoln Town Car. He's been meaning to talk to Frank about her but somehow there never seems to be an opportune moment. Gus doesn't want to bother Frank who already has his hands full trying to take care of his household and his three children while their mother dries out in an addiction treatment centre. Frank is a good father; he tries to be a good husband and he hopes he is a good cop. But like all of us, Frank has a few old secrets that he is ashamed of. And when Ivy Grace suddenly resurfaces after a long absence, one thing is certain: before this summer ends, Frank will have to confront his past. **Youth's Companion**, 1912 **The Everything Green Baby Book**, Jenn Savedge, 2009-11-18 Going green is as good for your baby as it is for Mother Earth. His obsession is Lulu, an aboriginal child. Returning from Australia to his south Wales hometown, Parry finds it has become notorious for suicides of young people. As he tries to connect past and present, he is haunted by dreams of Australia and of his youth. But is Parry all he seems? [Through Her Eyes](#), Teri Flicker, 2022-08-30 With a backdrop of war and peace, this book will take you from the 1920s through the 1970s. In the middle of the Great Depression and the rebirth of a nation, the love story of Florence and Frank unfolds and carries the reader with it in both America and Europe. Follow Florence as she goes from the child sold to a plantation owner in the South as a house servant to become the colonel's wife and form her own life. Throughout her life, the music and changing times altered her and all those around her. During this one lifetime, the world experienced changes that would take music from big band to rock and roll and the information age from newspaper to the nightly news watched on a television set in your own home. This book shows the amazement of the world and the growth of one woman and all the world.
