Eyes See You Christine Adams, 2025-05-16 Juni has a unique condition one of his eyes is completely white Only his doctor who raised him like a son knows about it He's never met his real father and all he learned about him is that he was named after him But one night everything changes when Juni encounters a demon while working in an attic for his part time job From then on his fate becomes bound to two friends from Remnant University Mr Clean and Red setting them on a path they never expected

New Directions in the Anthropology of Dreaming Jeannette Mageo, Robin E. Sheriff, 2020-10-08 This book presents new directions in contemporary anthropological dream research surveying recent theorizations of dreaming that are developing both in and outside of anthropology It incorporates new findings in neuroscience and philosophy of mind while demonstrating that dreams emerge from and comment on sociohistorical and cultural contexts The chapters are written by prominent anthropologists working at the intersection of culture and consciousness who conduct ethnographic research in a variety of settings around the world and reflect how dreaming is investigated by a range of informants in ever more diverse sites As well as theorizing the dream in light of current anthropological and psychological research the volume accounts for local dream theories and how they are situated within distinct cultural ontologies It considers dreams as a resource for investigating and understanding cultural change dreaming as a mode of thinking through contesting altering consolidating or escaping from identity and the nature of dream mentation In proposing new theoretical approaches to dreaming the editors situate the topic within the recent call for an anthropology of the night and illustrate how dreams offer insight into current debates within anthropology's mainstream This up to date book defines a twenty first century approach to culture and the dream that will be relevant to scholars from anthropology as well as other disciplines such as religious studies the neurosciences and psychology

Postcards from Rainbow's End R. Buddy Murphy, 2010-05 A captivating journey of life misadventures and survival through the eyes of Lane Webster The flashbacks are riveting and exciting the pages almost turn on their own It starts with a blast of demonic energy just keeps going and going until the last page has been turned A good and easy read that keeps you begging for more Lane Webster What a guy and the colourful characters he meets on the journey provide a tale that must be told and must be heard I dare you to try and put it down Go ahead Try
