

A vibrant rainbow arches across a clear blue sky, its colors transitioning from red on the left to violet on the right. Below the rainbow, a lush green field is filled with numerous small yellow wildflowers. A single, dark green tree stands prominently on the left side of the horizon line. The overall scene is bright and cheerful, symbolizing hope and the fulfillment of dreams.

Somewhere over the rainbow,
skies are blue, and the dreams
that you dare to dream really
do come true.

Snakes and Ladders Gonca Alban, 2018-10-30 Does love conquer all? How far are we willing to go for the person we love? How much are we willing to sacrifice for them? Where do we draw the line? And in the end, no matter what we do, do we really have the power to change someone else's life, even if in a small way? Is it possible to save a loved one from her demons, draw them away from a path of self-destruction? And in the meantime, what becomes of ourselves? How far can our love and desire to help whom we love carry us through the difficulties and heartache? And we also have to face our own demons and create our life as best we can and deal with struggles. Ultimately, each step we take in whatever direction we move in, all circumstances and experiences of life teach us about ourselves. We grow with each hurdle. Our compassion grows with each heartbreak. Our sense of connection is nourished even as we lose.
