The Rainbow's End Fay Risner,2010-03 The Amish simple way of life based on faith convictions and honesty is entwined in this love story between an English woman and an Amish man *At the Rainbow's End* Robert Dean Frelow,2006-09 At the Rainbow s End is about the lives of Jefferson and Mary Bright plantation owners about their struggles and the struggles of recently freed slaves to survive in a newly ordered society Lurking in the background is the Ku Klux Klan who kill and threaten all who would oppose them in a desperate effort to restore the old order an insurgency that fosters among other things jealousy and murder and events that threaten Jefferson and Mary with more than the loss of a way of life The Same Rainbow's End Mary Cates,2022-07-19 Charles Ricci is on top of the world From the outside he has everything he could want And now his professional career as a famous piano player is taking him to performance halls around the world But when he is asked to perform alongside up and coming singer Abigail Clark Charles begins to wonder if he has finally found the one thing missing from his life Abigail Clark has one focus to become a professional singer With her parents pushing her to keep her eyes set on her dream Abigail is determined to not allow anyone to get too close But when she is introduced to Charles Ricci Abigail begins to wonder if it s possible to have more than one dream But can these two make a relationship work They both travel the world performing in various concert halls and they come from completely different backgrounds While Charles has only ever known wealth and privilege Abigail has only known a simpler life But no matter what your background tragedy can strike from out of nowhere The question is whether you will trust in God or lose all hope As Charles and Abigail

face their own trials will they find that God is still faithful or will they turn their backs on Him Shattered Dreams at Rainbow's End Christopher Horne, PhD, 2018-08-06 Drawn from real life Shattered Dreams at Rainbow's End is the story of a World War II hero Donald a foot soldier who returns from combat meets the Depression born Mary and marries her They have two children baby boomers Danny and Deborah and then a third child Charles part of Gen X Patriarch Donald's dream of having the family all sitting around the fire at Christmas time in the Rainbow's End farmhouse reflected family values He died before seeing his dream fulfilled None of the children despite apparent successes end up meeting the parents expectations Mary's second husband's brief five year presence and leadership helped get the family back on the track of family values Her third husband could do little to promote family values Despite his affection for Mary his luxurious lifestyle and personal wealth mattered more than family values The tragedy of Shattered Dreams is not just the multifaceted emotional drama surrounding Mary's three husbands but the breaking of at least one rule in the patriarch's moral code by each of his children Informative psychologically legally historically shows passion and a great will to overcome Coach B English teacher and hall of Fame wrestling coach Very interesting story with spiritual implications like the Bible verse in Jeremiah 33:3 Call to me and I will answer you and tell you great and unsearchable things you do not know Hyrine O

Four time Hugo Award winner Vernor Vinge has taken readers to the depths of space and into the far future in his bestselling novels A Fire Upon the Deep and A Deepness in the Sky Now he has written a science fiction thriller set in a place and time as exciting and strange as any far future world San Diego California 2025 Robert Gu is a recovering Alzheimer's patient The world that he remembers was much as we know it today Now as he regains his faculties through a cure developed during the years of his near fatal decline he discovers that the world has changed and so has his place in it He was a world renowned poet Now he is seventy five years old though by a medical miracle he looks much younger and he's starting over for the first time unsure of his poetic gifts Living with his son's family he has no choice but to learn how to cope with a new information age in which the virtual and the real are a seamless continuum layers of reality built on digital views seen by a single person or millions depending on your choice But the consensus reality of the digital world is available only if like his thirteen year old granddaughter Miri you know how to wear your wireless access through nodes designed into smart clothes and to see the digital context through smart contact lenses With knowledge comes risk When Robert begins to re train at Fairmont High learning with other older people what is second nature to Miri and other teens at school he unwittingly becomes part of a

wide ranging conspiracy to use technology as a tool for world domination In a world where every computer chip has Homeland Security built in this conspiracy is something that baffles even the most sophisticated security analysts including Robert s son and daughter in law two top people in the U S military And even Miri in her attempts to protect her grandfather may be entangled in the plot As Robert becomes more deeply involved in conspiracy he is shocked to learn of a radical change planned for the UCSD Geisel Library all the books there and worldwide would cease to physically exist He and his fellow re trainees feel compelled to join protests against the change With forces around the world converging on San Diego both the conspiracy and the protest climax in a spectacular moment as unique and satisfying as it is unexpected This is science fiction at its very best by a master storyteller at his peak At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Postcards from Rainbow's End** R.
