My Judy Garland Life Susie Boyt,2009-07-01 Judy Garland has been an important figure in Susie Boyt s life since she was three years old comforting inspiring and at times disturbing her In this unique book Boyt travels deep into the underworld of hero worship examining our understanding of rescue consolation love grief and fame through the prism of Judy Her journey takes in a duetting breakfast with Mickey Rooney a munchkin luncheon a late night spree at the Minnesota Judy Garland Museum and a breathless semi sacred encounter with Liza Minnelli Layering key episodes from Garland s life with defining moments from her own Boyt demands with insight and humor what it means exactly to adore someone you don t know Does hero worship have to be a pursuit that s low in status or can it be performed with pride and style Are there similarities that lie at the heart of all fans Chronicling her obsession Boyt illuminates her own life and perfectly distills why Judy Garland is such a legend

Judy & I: My Life with Judy Garland Sid Luft,2018-04-19 Sid One Punch Luft amateur boxer producer and Judy Garland s third husband was the one man in her life who stuck around helping her achieve a meteoric comeback in the 1960s It was Luft who reversed the fortunes of an apparently faded career seeing her triumph at Carnegie Hall in *A Star Is Born* and *The Judy Garland Show* Previously unpublished Sid Luft s intimate autobiography tells their story in hard boiled yet elegant prose It begins on a fateful night in New York City when the not quite divorced Judy and the not quite divorced Sid meet at Billy Reed s Little Club A straight talking sharp shooter Sid fell for Judy hard and fast and the romance persisted through separations reconciliations and later divorce However her drug dependencies and suicidal tendencies put a tremendous strain on the relationship Sid did not complete his memoir it ended in 1960 after Judy hired David Begelman and Freddie Fields to manage her career But Randy L Schmidt acclaimed editor of *Judy Garland on Judy Garland* seamlessly pieced together the final section of the book from extensive interviews with Sid most previously unpublished Despite everything Sid never stopped loving Judy and never forgave himself for not being able to save her from the demons that ultimately drove her to an early death at age forty seven in 1969 Sid served as chief conservator of the Garland legacy until his death at the age of eighty nine in 2005 This is his testament to the love of his life In prose so brassy that it bruises the sensibilities Luft illuminates the dark side of life in the spotlight and dispels any sentimental illusions about the glories of show business in Hollywood s classic age *The New Yorker* *The Oxford Handbook of the Hollywood Musical* Dominic McHugh,2022 In *The Oxford Handbook of the Hollywood Musical* leading scholars examine the history of a defining film genre from its very roots to the present analyzing its tropes and problems over the past 8 decades of film history **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, **Judy Garland on Judy Garland** Randy L. Schmidt,2014-09-01 It s going to be one hell of a great everlastingly great book with humor tears fun emotion and love Judy

Garland said of her plans to tell her life story but she died at the age of forty seven before seeing it through Judy Garland on Judy Garland is the closest we will likely come to experiencing and exploring the legend s abandoned autobiography Collecting and presenting the most important Garland interviews and encounters that took place between the years 1935 and 1969 this work opens with her first radio appearance under contract with Metro Goldwyn Mayer and concludes with her last known interview one taped for Radio Denmark just months before her death What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller She wrote a number of essays for various publications and sat for countless print radio and television interviews These and other autobiographical efforts she made are proof that Judy Garland wanted her story told and wanted it told in her own words Finally forty five years after her death here it is Randy L Schmidt is the author of the acclaimed bestselling biography Little Girl Blue The Life of Karen Carpenter and the editor of Yesterday Once More The Carpenters Reader He has also written articles for the Advocate and the Observer He teaches music in Denton Texas [A Star Is Born](#) Lorna Luft,Jeffrey Vance,2025-04-08 New York Times bestselling author and daughter of Judy Garland tells the story of A Star Is Born at once the crowning achievement and greatest disappointment in her mother s legendary career This is a vivid account of a film classic s production loss and reclamation A Star Is Born the classic Hollywood tale about a young talent rising to superstardom and the downfall of her mentor lover along the way has never gone out of style It has seen five film adaptations but none compares to the 1954 version starring Judy Garland in her greatest role But while it was the crowning performance of the legendary entertainer s career the production turned into one of the most talked about in movie history The story which depicts the dark side of fame addiction loss and suicide paralleled Garland s own tumultuous life in many ways While hitting alarmingly close to home for the fragile star it ultimately led to a superlative performance one that was nominated for an Academy Award but lost in one of the biggest upsets in Oscar history Running far too long for the studio s tastes Warner Bros notoriously slashed extensive amounts of footage from the finished print leaving A Star is Born in tatters and breaking the heart of both the film s star and director George Cukor Today with a director s cut reconstructed from previously lost scenes and audio the 1954 A Star is Born has taken its deserved place among the most critically acclaimed movies of all time and continues to inspire each new generation that discovers it Now Lorna Luft daughter of Judy Garland and the film s producer Sid Luft tells the story of the production and of her mother s fight to save her career as only she could Teaming with film historian Jeffrey Vance A Star Is Born is a vivid and refreshingly candid account of the crafting loss and restoration of a movie classic complemented by a trove of images from the family collection taken both on and off the set The book also includes essays on the other screen adaptations of A Star Is Born to round out a complete history of a story that has remained a Hollywood favorite for close to a century **Get Happy** Gerald Clarke,2009-11-11 She lived at full throttle on stage screen and in real life with highs that made history and lows that finally brought down the curtain at age forty seven Judy Garland

died over thirty years ago but no biography has so completely captured her spirit and demons until now From her tumultuous early years as a child performer to her tragic last days Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations Based on hundreds of interviews and drawing on her own unfinished and unpublished autobiography Get Happy presents the real Judy Garland in all her flawed glory With the same skill style and storytelling flair that made his bestselling Capote a landmark literary biography Gerald Clarke sorts through the secrets and the scandals the legends and the lies to create a portrait of Judy Garland as candid as it is compassionate Here are her early years during which her parents sowed the seeds of heartbreak and self destruction that would plague her for decades the golden age of Hollywood brought into sharp focus with cinematic urgency from the hidden private lives of the movie world s biggest stars to the cold eyed businessmen who controlled the machine and a parade of brilliant and gifted men lovers and artists impresarios and crooks who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall Here then is Judy Garland in all her magic and despair the woman the star the legend in a riveting saga of tragedy resurrection and genius
