Hand Raised Chere Jiusto, Christine Brown, 2011 Explore the hayloft stalls and hardware of a Montana barn and you will learn much about the state's farm and ranch traditions Crib barns with walls of timber stacked like Lincoln logs show the influence of French Canadian and Scandinavian immigrants Gambrel roofed barns which shed heavy snowfall and provide roomy haylofts tell of the long Montana winters that necessitated ample hay storage Tack rooms once filled with harnesses and gear tell of workhorses given shelter in heavy duty stalls nearby Beyond their utilitarian functions barns are simply beautiful Some stand proudly their freshly painted red lines contrasting sharply with the golden wheat in surrounding fields But some less fortunate are falling into disrepair Marked by rotting timbers and broken windowpanes these crumbling buildings still have much to teach us Historic Barns of Montana presents the best most unique most significant and most beautiful of these barns Photographer Tom Ferris explored barns inside and out across Montana snapping the hundreds of photographs in the book Authors and architectural historians Chere Jiusto and Christine Brown help readers understand the significance of what they are looking at and tell the stories of individual barns Historic Barns of Montana recognizes these buildings as both useful and beautiful encourages their preservation and honors the ranch and farm families that built them

Annual Statement of the Trade and Commerce of St. Louis Merchants' Exchange of St. Louis, 1882 Raised in the South Seymour S. Lenz, 2009-07 This is a book of short stories about being raised as one of six kids in a poor family in South Georgia As a young boy my mother told me that I had a vocation to be a priest and I was sent off to the seminary at St Bernard's Monastery in Cullman Alabama Some of my memories are full of adventure and others are about struggle and hardship in a large family My stories tell of the obstacles I faced how they affected me and how I dealt with them The happiest stories are about my friends and the monks at St Bernard's who influenced my life and helped me to grow into a young man full of optimism and opportunity My experiences in life while growing up helped me to form my identity They are part of who I am Kanawha River Navigation System, 1976 Message from the President of the United States to the

Angela McMillan Howell, 2013-11-01 Raised Up Down Yonder attempts to shift focus away from why black youth are problematic to explore what their daily lives actually entail Howell travels to the small community of Hamilton Alabama to investigate what it is like for a young black person to grow up in the contemporary rural South What she finds is that the young people of Hamilton are neither idly passing their time in a stereotypically languid setting nor are they being corrupted by hip hop culture and the perils of the urban North as many pundits suggest Rather they are dynamic and diverse young people making their way through the structures that define the twenty first century South Told through the poignant stories of several high school students Raised Up Down Yonder reveals a group that is often rendered invisible in society Blended
