The Rape Crisis Intervention Handbook S.L. McCombie,2012-12-06 This handbook is intended to be a comprehensive resource for those involved in providing crisis intervention to rape victims The medical legal and counseling needs of the rape victim are presented to prepare helping professionals to offer sensitive and skillful assistance to women who have suffered sexual assault The interdisciplinary thrust of the book reflects our conviction that health professionals police and prosecuting attorneys must share their expertise and coordinate their efforts in order to successfully meet the multiple needs of rape victims and their families While an extensive literature on rape has developed in the past decade to the best of our knowledge there is no single source for the practical treatment oriented information sought by those who work directly with victims The primary objective of this book is to offer just such a guide to service providers The book is organized into sections that deal with a specific area of the treatment of victims Detailed guidelines are provided for the nursing medical counseling police and legal services involved in comprehensive crisis intervention Interdisciplinary teaming and the emotional impact of rape on service providers are discussed by authors actively involved in rape crisis work Rape laws are explained and court preparation for victim witnesses is carefully outlined Of particular relevance to counselors is an overview of crisis theory and a psychodynamic perspective on rape trauma
