

Regimen Fraudulento La Politica En La Provincia De Buenos Aires 19301943 El

Leandro Losada

Regimen Fraudulento La Politica En La Provincia De Buenos Aires 19301943 El:

The Development of Human Resource Management Across Nations Bruce E. Kaufman, 2014-07-31 This is an excellent book Bruce Kaufman in his ever thoughtful way has not just analyzed the history of the development of HRM but assembled 17 chapters in which world class local experts report on that history in their own country The book is full of *El régimen fraudulento* María Dolores Béjar, 2005 **La educación en el gobierno peronista de Domingo Mercante, 1946-1952** Jorge Levoratti, 2021-11-16 Durante los sesenta años del gobierno de Domingo Alfredo Mercante las cuestiones educativas fueron tratadas desde distintas concepciones ideológicas Si bien esa diversidad encuentra explicación en la distinta orientación política ideológica de las gestiones de Alejandro Greca 1967 1947 Estanislao Maldones 1947 1949 y de Julio César Avanza 1949 1952 puede señalarse que reflejaba la pluralidad de líneas que coexistían en los niveles directivos de la educación Así figuras como Jaime Glattstein quien orientó la enseñanza preescolar en los principios de la escuela activa o Bernardo Serebinsky médico psiquiatra de filiación freudiana y de compromiso político con los republicanos espasme creador del Instituto de Psicología y Orientación Profesional compartieron funciones con católicos como Emilio Mignone en la Dirección de Enseñanza el pedagogo Rafael Ruta en el Departamento de Didáctica o el padre Leonardo Castellani como asesor ministerial Esta composición no obstante el sesgo catolizante impuesto a partir de 1949 evidenciaba tanto la heterogeneidad del campo técnico pedagógico como la vigencia de una pluralidad ideológica Múltiples fueron las transformaciones educativas durante el mercantismo En lo institucional se produjo a partir de 1949 la transición del sistema educativo fundacional a un modelo que privilegió la ejecutividad sobre la deliberación se complejizó la estructura de gobierno con la incorporación de organismos que atendieron a nuevos niveles y modalidades y se sumaron otros de sesgos modernizantes que aportaron conocimientos técnicos científicos al tradicional saber pedagógico que predominaba en la educación provincial La concreción de las 2982 obras del Plan Integral de Edificación Escolar resolvió el problema que la educación provincial arrastraba desde sus inicios En tanto el sesgo católico que Mercante impuso a la educación a partir de 1949 en tiempos que comenzaban a arreciar las tensiones entre Perón y la Iglesia católica no puede considerarse extraño a la confrontación entre ambos líderes políticos La vida política. Argentina (1930-1960) Luciano de Privitellio, 2015-07-30 Un análisis de la vida política Argentina durante el siglo XX Un recorrido por un período agitado en Argentina El profesor Luciano de Privitellio explica cómo el fraude electoral ejecutado a gran escala en la segunda mitad de los años treinta provocó una crisis política que se entrama con la aparición del peronismo La colección América Latina en la Historia Contemporánea es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas incluyendo aquellas otras europeas o americanas que más han aportado a su materialización y revela las claves políticas sociales económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan

Distinciones Premio de la revista La Aventura de la Historia a la mejor iniciativa editorial **Historia de la Argentina, 1916-1955** Alejandro Cattaruzza, 2019-11-20 Historia de la Argentina 1916 1955 ofrece una síntesis cuidada de los principales procesos políticos ocurridos en la Argentina de la primera mitad del siglo XX El relato se desarrolla en torno a tres grandes ejes las presidencias radicales los gobiernos surgidos del golpe de estado de 1930 y el primer peronismo coyunturas en las que se moldearon algunos rasgos que caracterizan a n hoy el ejercicio de la ciudadanía y la democracia en el país Alejandro Cattaruzza explica la etapa crucial que se extiende desde la llegada de Hipólito Yrigoyen al gobierno hasta el golpe de estado que derrocó al peronismo en 1955 En esas décadas se producen cambios profundos en lo económico el pasaje de una economía orientada a la agroexportación a una con presencia significativa de la industria en lo político el fin del orden conservador y la apertura de una etapa en la que los destinos de la democracia serán inciertos Además la sociedad se vuelve más compleja se acelera el proceso de urbanización y crece el papel del ejército y los sindicatos en el juego político Atendiendo a la acción del estado y los partidos el autor explora también las resonancias locales de las dos guerras mundiales el ascenso del fascismo en Europa y la crisis de 1929 Y otorga especial importancia a los debates que dividían a los intelectuales ante los hechos que convulsionaban el país en particular la emergencia del peronismo Aquí reside precisamente uno de los mayores méritos del libro la capacidad para identificar los sucesos políticos decisivos y plantear a la vez sus relaciones con las tensiones ideológicas que marcaron el período y cuyos ecos se advierten todavía La Biblioteca Básica de Historia ofrece un panorama sistemático de la historia argentina desde los pueblos originarios hasta el siglo XX en sus dimensiones social política económica y cultural **The Fourth Enemy** James Cane, 2012-01-27 An interdisciplinary study examining the newspaper industry in Argentina during the regime of Juan Domingo Perón Traces how Perón managed to integrate almost the entire Argentine press into a state dominated media empire Provided by publisher **Historia de las elites en la Argentina** Leandro Losada, 2012-02-01 Un análisis de largo plazo y en perspectiva de los grupos y círculos que ejercieron el poder político condujeron la economía perfilaron las ideas de una época en la Argentina Ciertas miradas convencionales frecuentemente han se alado a las clases dominantes o a los sectores dirigentes como los principales responsables de muchos de los problemas que atravesaron a los argentinos a lo largo de su historia En este libro se ofrece un análisis de largo plazo y en perspectiva de la historia de las elites en la Argentina a partir de una serie de temas su composición social los atributos que cimentaron el poder la riqueza y el status en diferentes contextos históricos las prácticas sociales y las identidades La exploración sostenida en los principales lineamientos ofrecidos por la historiografía más rigurosa se extiende desde el período colonial hasta el surgimiento del peronismo De esta manera desfilan por estas páginas entre otras las modestas elites de la temprana Buenos Aires de los siglos XVI y XVII las más opulentas del Interior colonial las incipientes elites políticas e intelectuales surgidas con la Revolución de Mayo de 1810 la próspera elite terrateniente pampeana de fines del ochocientos y las elites políticas que alentaron o al menos asistieron a la reforma electoral de 1912 El libro evalúa además cómo mutó el lugar

de las elites en la sociedad a lo largo de tan extenso arco temporal Historia de las derechas en Argentina Ernesto Bohoslavsky, Sergio Morresi, 2025-09-24 Desde cuando existe la derecha en Argentina De cuantas derechas hablamos y que significa ser de derecha Ernesto Bohoslavsky y Sergio Morresi recorren más de un siglo de debates alianzas y conflictos desde la ley Sáenz Peña y el conservadurismo oligárquico pasando por el fraude el anticomunismo las dictaduras y el neoliberalismo hasta llegar a la irrupción libertaria del presente Con una mirada histórica rigurosa reconstruyen cómo se configuraron las tradiciones de derecha cómo se adaptaron a distintas coyunturas y qué elementos se repiten una y otra vez En este recorrido aparecen el Estado la Iglesia las Fuerzas Armadas y empresarios pero también hombres mujeres estudiantes y trabajadores que se identificaron con ideas autoritarias y apoyaron proyectos excluyentes Los autores se preguntan Hay en Argentina un pueblo de derecha El hecho de que opciones de derecha se impongan en elecciones libres sin proscripciones ni fraudes significa que existe una derecha popular Historia de las derechas en Argentina no se limita a explicar el pasado ayuda a entender por qué vuelven a ser una fuerza decisiva y sobre todo por qué probablemente lo seguirán siendo en el futuro

El proceso económico. Argentina (1930-1960) Claudio Belini, 2015-07-30 Un análisis de la economía argentina a lo largo del siglo XX Claudio Belini uno de los mejores expertos en el tema explica cómo la crisis de un modelo económico centrado en la exportación alentó el crecimiento de un sector industrial cuya expansión tuvo efecto más allá de la economía La colección América Latina en la Historia Contemporánea es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas incluyendo aquellas otras europeas o americanas que más han aportado a su materialización y revela las claves políticas sociales económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan Distinciones Premio de la revista La Aventura de la Historia a la mejor iniciativa editorial **De caridades y Derechos** María José Ortiz Bergia, 2009-12-17 En las últimas décadas el estudio de las políticas sociales se ha intensificado y profundizado proporcionando enfoques espaciales temporales e interpretativos novedosos y construyendo miradas diferentes sobre las cambiantes relaciones entre el Estado y la sociedad a lo largo del siglo XX En este marco el presente libro aborda el proceso histórico de estructuración de las políticas sociales entre 1930 y 1943 en la ciudad de Córdoba con miras a contribuir al conocimiento del proceso de construcción del Estado social en la Argentina desde una ciudad del interior nacional Para ello la investigación aborda la problemática de las políticas sociales a través de los diferentes actores que participaron en la distribución de bienestar en la ciudad las organizaciones de la sociedad civil entidades de beneficencia mutualismo obrero y asociaciones barriales y los gobiernos provincial y municipal En definitiva a través de este estudio se busca responder a las preguntas sobre cómo y por qué se estructuraron las políticas sociales en la ciudad de Córdoba en el transcurso de esos años de fuertes convulsiones a nivel mundial
