Regional Patterns of Foreign Investment in Russia Michael J. Bradshaw, 1995 *The Regional Distribution of Foreign Manufacturing Investment in the UK* Stephen Hill, Max Munday, 2016-07-27 The book considers the determinants of the regional distribution of foreign manufacturing investment in the UK The core theme of the book is that foreign firms coming to the UK seek in their location decision to minimise their costs of production This minimisation of production costs is constrained by the need to ensure that they are adjacent to their key markets whether these be in the UK or wider EC

Foreign Direct Investment and Regional Development in East Central Europe and the Former Soviet Union David Turnock, 2017-11-28 With the achievement of further EU and NATO enlargement a critical political and economic lens is now focused on East Central Europe and to a lesser extent the other former communist states Economic growth in each transition state and more broadly the region pivots around the prospects for foreign direct investment FDI with decisions on where foreign investors will locate their projects now vitally important This book the first one devoted to a geographical survey concentrating specifically on FDI in the region brings together a wide range of prominent authors from the US and Europe including the late Frank Carter to provide a timely and critical examination of the importance of foreign investment It presents a detailed analysis of location patterns and their significance for regional development with particular emphasis given to the important socioeconomic and political consequences of uneven distribution of FDI across the region and its constituent countries Divided into two parts the book first deals with general overarching themes and issues before applying these to more specific country case studies The second part deals with regional studies focusing broadly on the Western Balkans and Bulgaria before looking at specific economic sectors in individual countries Foreign Direct Investment and the Regional Economy Jonathan Jones, Colin Wren, 2016-04-15 The boom in foreign direct investment FDI since the mid 1980s continues to be paramount in policy interest This book reviews the literature on the nature of FDI and reports the recent results on the performance of FDI plants in order to show the implications for regional economic development It presents new evidence on the nature and performance of these plants using a unique dataset that has been constructed and rigorously analyzed by applying econometric techniques The role of FDI in economic development has long been poorly understood and this book contributes to improving understanding and is of direct policy relevance An examination is made of the generation theory and location of FDI as well as its implications for regional and national development In addition to this analysis is made of the issues at the project and plant levels related to investment employment and firm survival Foreign investment in eastern and southern Europe after 2008. Béla Galgóczi, Jan Drahokoupil, Magdalena Bernaciak, 2015-12-01 This book investigates the role that foreign direct investment FDI in central eastern and southern Europe has played in the post crisis period comparing patterns across countries and sectors An overarching objective of this publication is to assess the extent to which FDI can still be seen as a key driver of economic development modernisation and convergence for Europe's low and

middle income economies taking into account also the risks and limiting factors associated with FDI **Regional Development in China** Yehua Dennis Wei, 2013-04-15 This study systematically examines uneven regional development in China focusing on three central agents the foreign investor the state and the region Wei's findings have important implications for theories of and policy towards Chinese regional development This book is a vital resource for those with an interest in transition economies *Future Foreign Investment SEA* Nick J. Freeman, Frank L. Bartels, 2012-11-12 This book explains the dynamics behind Southeast Asia's foreign investment activity and looks at the region's options for reviving its reputation as an attractive host for foreign investors Each chapter focuses on a key element together they portray Southeast Asia's foreign investment profile and prospects By bringing these key interlocking elements together under a single cover the book aims to provide a more profound understanding of the challenges Southeast Asian countries face in their on going attempts both to attract new foreign investment inflows and to continue hosting substantial existing foreign invested assets

Where Has All the Foreign Investment Gone in Russia? Harry G. Broadman, Francesca Recanatini, 2001 Looks into the reasons of a pronounced uneven pattern of foreign direct investment among Russia's regions in the period 1994-1999 Finds that market size infrastructure development and policy framework factors explain the observed disparities *The Territories of the Russian Federation 2002*, 2002 Presents a distinctive collection of political geographical and economic information on the 89 constituent units of the Russian Federation This survey offers an insight into the often neglected regional dimension of the politics and economy of the Federation It includes Individual territory surveys Geographical historical economic and directory data Some 100 current maps Background to the Federation An essay covering the region as a whole analyzes the relationship between the territories and the Federation A chronology of Russia from the 9th century to the end of 2001 Statistics of major demographic and economic indicators Details of the Government of the Russian Federation Territorial Surveys Each territorial chapter includes A map plus geographical and demographic information Historical details followed by a description of the current political situation An economic survey presenting the latest available statistics A directory of names and addresses of the leading political and administrative officials Rethinking Foreign Investment for Sustainable Development Kevin P. Gallagher, Daniel Chudnovsky, 2010 Consisting of country case studies and comparative analyses from Latin American and US based political economists this volume examines the recent history of foreign investment for development in Latin America in the context of the current backlash against Washington Consensus policies These essays form the broad conclusion that foreign direct investment fell far short of generating the necessary linkages for sustainable economic development
