Hughes, Nicola Phillips, Ben Rosamond, 2002-08-22 Featuring a notable list of international contributors this book presents a systematic and stimulating discussion on regionalism covering topical issues such as recent financial crises enlargement within EU and the post Lome regionalism of Africa

North-South Regional Trade Agreements as Legal Regimes Clair Gammage, 2017-05-26 This book offers a critical reflection of the North South regional trade agreements RTAs known as the Economic Partnership Agreements negotiated between the EU and the African Caribbean and Pacific countries Conceiving of regions as legal regimes Clair Gammage highlights the challenges facing developing countries when negotiating RTAs with developed countries and interrogates the assumption that these agreements will and can promote sustainable development through trade

Regionalism and Governance in the Americas L. Fawcett, M. Serrano, 2005-08-25 This book links contemporary thinking on global and regional governance to the recent experience of the Americas It offers fresh insights into understanding the processes of order and change in the region and in the broader international system A particular concern is to reveal the changing contours of regional governance whether in terms of

actors issue areas and relations with global structures

Comparative Regionalism Fred H. Lawson, 2017-03-02

Regionalism has regained momentum in the post Cold War era New economic groupings continue to spring up across the globe while older regional organizations have strengthened their institutional bases and broadened their scope Explaining the reinvigoration of regionalism requires comparative analyses that not only highlight the commonalities that characterize various regional experiments but also account for the differential outcomes and divergent trajectories such projects exhibit This collection of seminal articles on regionalism advances theoretical concepts that can stimulate useful comparisons along with scholarly surveys of important instances of regionalism in the contemporary world Besides classic studies of the European Union the volume includes authoritative overviews and case studies of regionalist projects in East Asia Sub Saharan Africa Latin America the Middle East and Central Eurasia An introductory essay situates these articles in the context of the five decade long research program on regional integration theory

Microregionalism and World Order S. Breslin, G. Hook, 2016-01-19 Microregionalism and World Order is a pioneering work on the least understood aspect of regionalism Leading specialists analyze the form microregionalism takes in different parts of the world including the Americas Asia Pacific and Africa By illustrating the complex relationship amongst the political economic and social dimensions of microregionalism the book seeks to contribute to the theoretical debate on regionalism as well as to provide new empirical insights
