Regions Beyond:

To the Regions Beyond Lela F. Folkers, 2024-12-11 After graduating from Fresno State with a degree in education and a teaching credential Lela Folkers soon faced a spiritual challenge that demanded a decision Would she commit her life to God s service or choose another path She accepted the challenge to live with His guidance and follow His path Although the path has not always been straight easy or full of rewards Lela has come to know that God walks beside her through every bright or dark place In an inspirational retelling of her life story Lela chronicles her experiences as a child of God who traveled the world during four decades of service While sharing a glimpse into her journey as she moved from India to the exotic islands of the South Pacific and Stepps of Mongolia all while feeling God s constant presence and protection Lela also describes her other travels to and work in regions beyond that included time spent in Papua New Guinea Puerto Rico Australia Germany Spain Barbados Japan China and Uzbekistan To the Regions Beyond is the true story of a woman s experiences as she trusted God s promise and traveled to India in God s service opening a world of opportunities for the next forty years

Beyond Sets Nicholas Rescher, Patrick Grim, 2013-05-02 This book is the product of a collaboration stretching the years 2007 10 whose initial fruit was a paper on Plenum Theory published in Nous The work grew out of the author s conviction that standard set theory which had evolved to meet the needs of mathematics was not fully adequate to the less abstractly geared and rigidly determine needs of less finalized ranges of inquiry and deliberation

The Regions Beyond John Gooding, 2016-12-15 This is a story of transformation It is a story of evangelism discipleship and church planting It is a story of reaching the nations of the world with the gospel It is an exciting story In 1970 the Prescott Foursquare Church in Arizona was struggling It had been morally violated and broken It was a small abused congregation At that time Prescott was a rural town of about 17 000 persons in northwestern Arizona Wayman Mitchell took the pastorate of the Prescott Foursquare Church in January The addition of his family increased the size of the congregation to about two dozen persons From this small congregation in a small rural community God has raised a movement that has impacted the world The Christian Fellowship Ministries CFM as it is now called has birthed over twenty two hundred churches located in one hundred and sixteen nations of the world This story is meaningful to layman and minister alike It is meaningful for the broader Christian community This story tells how God can use common men and women and the common things of humanity to minister in the regions beyond America in the 1970s was experiencing the Jesus People Movement JPM That movement changed America and impacted much of the western world Principles from that movement became part of the CFM The language of transformation was common to the Jesus people When witnessing they commonly cited Romans 12 1 2 The Prescott ministry picked up the importance of transformation for individuals and the church The Great Commission also stirred Jesus people There was urgency about wining the world to Jesus The biblical and theological foundation for evangelism discipleship and church planting of the Christian Fellowship Ministry starts with this commission found in

Matthew 28 16 20 The ministry of the CFM was not the plan of a man or group of people It was by trial and error a decision here and a decision there and out of some things that seemed to work that the ministry of the CFM evolved It was not the discovery of a new doctrine or the rediscovery of an old one It was not the implementation of a program that transformed the CFM It was the discovery of what God was doing and implementing that in the Prescott church The deeper discovery was that God was restoring the dignity of the local church The indigenous church principle and the making of disciples propelled the mission forward This book is intended to provide an example of what God can do with people who simply try and follow God Based on biblical and Christian principles it is intended to inspire persons to the work of God And it is intended to inspire ministers to the possibilities of God when faced with the impossibilities of the world This story uncovers the core elements that led a broken church out of brokenness to spiritual health and world impact This is not a history formula for revival or step by step guide for church growth It is an example of what God can do with a common people who seek to faithfully obey God
