Reinventing Celebration The Art Of Planning Public Events

Donald Getz

Reinventing Celebration The Art Of Planning Public Events:

Reinventing Celebration Bob Gregson,1992 *Event Studies* Donald Getz,2010-08-31 Many books exist on various aspects of event management reflecting growing academic and professional interest but there has not been a book written on Event Studies until now As the event management field expands there is a growth in demand for advanced texts particularly with a multidisciplinary research and theoretical orientation Event Studies is the first text to embrace this new direction in the field of event management providing students and practitioners with an explanation of why planned events are important from a social cultural economic and environmental perspective readers with an understanding of how various disciplines and other professional fields view planned events and the contributions they make to understanding events research students with a detailed evaluation of research issues and challenges and of methodologies and theories applicable to event studies The bibliography is extensive and numerous research examples are provided professionals with a tool to expand their knowledge well beyond the art and science of producing events to include the philosophical and scientific foundations of event studies For the event management student and for professionals Event Studies provides the necessary body of knowledge and theoretical methodological underpinnings on the subject of planned events The SAGE Handbook of Hospitality Management Roy C Wood,Bob Brotherton,2008-06-05 At last a comprehensive systematically organized Handbook which gives a reliable and critical guide to all aspects of one of the world s leading industries the hospitality industry The book focuses on key aspects of the hospitality management curriculum research and practice bringing together leading scholars throughout the world Each essay examines a theme or functional aspect of hospitality management and offers a critical overview of the principle ideas and issues that have contributed and continue to contribute within it Topics include The nature of hospitality and hospitality management The relationship of hospitality management to tourism leisure and education provision The current state of development of the international hospitality business The core activities of food beverage and accommodation management Research strategies in hospitality management Innovation and entrepreneurship trends The role of information technology The SAGE Handbook of Hospitality Management constitutes a single comprehensive source of reference which will satisfy the information needs of both specialists in the field and non specialists who require a contemporary introduction to the hospitality industry and its analysis Bob Brotherton formerly taught students of Hospitality and Tourism at Manchester Metropolitan University He has also taught Research Methods to Hospitality and Tourism students at a number of international institutions as a visiting lecturer Roy C Wood is based in the Oberoi Centre of Learning and Development India Event Management & Event Tourism Donald Getz,2005 This book provides both an overview of event studies and a foundation for professional event management **Forthcoming Books** Rose Arny,2002-02
Building Institution Kim Förster,2024-02-21 Building Institution chronicles the expansion of architecture as a profession and discipline in the postmodern era Kim F rster traces the compelling history of the Institute for Architecture and Urban

Studies which was active in New York from 1967 to 1985 Drawing on extensive archival research and oral histories he constructs a collective biography that details the Institute's diverse roles and the dynamic interplay between research and design education culture and publishing By exploring the transformation of cultural production into a practice as well as the culturalization and global postmodernization of architecture the volume contributes significantly to the institutional history of architecture

Strategic Event Leveraging Vassilios Ziakas,2021-10-25 This book comprehensively describes explains critiques and refines our current perspectives of event leveraging and in so doing provides an analytic account of the subject area as a whole as it concerns the strategic pursuit of attaining and magnifying benefits that derive from events Encompassing all events including sport cultural and business it also covers all kinds of benefits that can be leveraged and lead to sustainability through triple bottom line assessment The book takes an interdisciplinary approach to cross boundaries and creates linkages among the parent disciplines sport management events hospitality and tourism leisure studies parks and recreation and general disciplines management marketing sociology anthropology urban and regional planning Building a truly global and transdisciplinary framework the author provides direction and possibilities that can lead to new forms of leveraging making this an excellent resource for researchers practitioners and students interested in event management and policy sport management recreation and leisure and hospitality tourism and festival management

Belfast Imaginary Katharine Keenan,2022-03-28 In Belfast Imaginary Art and Urban Reinvention Katharine Keenan argues for the reimagining of place in Belfast Northern Ireland in the context of Brexit This deeply researched ethnography depicts the work of artists and policy makers as they imagine and perform a new urban identity for Belfast in the liminal time between the Good Friday Agreement and Brexit

The Routledge Research Companion to Planning and Culture Greg Young,2016-03-23 It has become increasingly evident that effective planning for sustainable communities environments and economies pivots on the ability of planners to see the possibilities for culture in comprehensive social historical and environmental terms and to more fully engage with the cultural practices processes and theorisation that comprise a social formation More broadly an approach to planning theory and practice that is itself formed through a close engagement with culture is required This Research Companion brings together leading experts from around the world to map the contours of the relationship between planning and culture and to present these inextricably linked concepts and issues together in one place By examining significant trends in varying national and international contexts the contributors scrutinise the theories and practices of both planning and culture and explore not only their interface but significant divergences and tensions In doing so this collection provides the first comprehensive overview and analysis of planning and culture interdisciplinary and international in scope It is comprised of six parts organised around the themes of global and historical contexts key dimensions of planning and cultural theory and practice and cultural and planning dynamics Each section includes a final chapter that provides a case study lens which pulls the themes of the section together with reference to a significant planning issue or initiative
