Relate Loving In Later Life:

Relate Guide To Loving In Later Life Marj Thoburn, Suzy Powling, 2012-05-31 Is sex wasted on the young Marj Thoburn thinks it might be This complete guide to sex loving and relationships for the 50s 80s age group is a positive constructive and celebratory guide which suggests that life and loving sex BEGIN at 50 Inside every older person is a young person trying to come to terms with ageing This books looks at the physical and psychological changes that may present challenges to older couples and provides practical exercises and strategies for coping and learning together For example How do you maintain your self esteem when your body stops responding the way it used to What can you do if your partner seems more attracted to people who are younger than you How do you begin a new relationship if you find yourself divorced separated widowed or single in later life How do you begin to get to know each other again once the children have left home Written with understanding and humour and drawing on a wide range of case studies this invaluable book offers a wealth of advice for those who want to keep improving the quality of their relationship whatever their age *Loving Later Life* Frits de Lange, 2015-04-27 Is loving later life possible In our youth obsessed culture nobody enjoys growing old We normally fear our own aging and generally do not love old people they remind us that death is inescapable the body frail and social status transitory In *Loving Later Life* Frits de Lange shows how an ethics of love can acknowledge and overcome this fear of aging and change our attitude toward the elderly De Lange reframes the biblical love command this way We must care for the aging other as we care for our own aging selves We can encourage positive self love by embracing life as we age taking good care of our own aging bodies staying good friends with ourselves and valuing the last season of life When we cultivate this kind of self love we are released from our aversion to growing old and set free to care about others who are aging our parents our relatives and others in their final season of life **Aspiring in Later Life** Megha Amrith, Victoria K. Sakti, Dora Sampaio, 2023-07-14 While aspirations are most often connected to younger people this volume argues that people do not stop aspiring in older age *Aspiring in Later Life* brings together rich ethnographic cases from different regions of the world offering original insights into how aspirations are pursued over the course of life and in contexts of globalization and mobility This book is also freely available online as an open access digital edition *Late-Life Love* Susan Gubar, 2018-11-13 Winning and intelligent An impressive often heartening addition to the literature of aging Heller McAlpin Wall Street Journal In this unique blend of memoir and literary commentary Bookpage acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love both for her husband and for the literature that has shaped her life Throughout the complications of devoted caregiving her own ongoing cancer treatments and a stressful move to a more manageable apartment Gubar proves that love and desire have no expiration date on the page or in life *Late Life Love* offers a resounding retort to ageist stereotypes appraises the obstacles unique to senior couples and celebrates second chances **The Relate Guide to Finding Love** Barbara Bloomfield, Relate, 2010-07-06 Why are you looking for love right now What kind of

relationship do you want How will you know if you find The One The Relate Guide to Finding Love will answer all these questions and more From the UK s leading relationship counsellor The Relate Guide to Finding Love offers common sense help and advice on all aspects of dating and relationships Short snappy chapters each containing a thought provoking exercise plus personal case histories combine to make this a fun and interesting read to help you to Discover your needs and what you expect from a relationship Get yourself into the right frame of mind to meet someone new Make the most of online dating and singles events Identify whether your new love is really the one for you Whether you are looking for a long term relationship or just a quick fling this practical accessible guide is perfect for you *Love Stories of Later Life* Amanda Smith Barusch,2008-03-13 Even with baby boomers retiring and greater media and research attention being lavished on older people most gerontologists have studiously avoided examining romance among the elderly *Love Stories of Later Life* is an appealing and eye opening remedy to this neglect as leading gerontologist Amanda Smith Barusch presents original research into what love and romance mean in seniors lives The result is a glimpse into a world many people didn t know existed that of romantic love in later life Unlike superficial guidebooks that purport to help seniors find a new mate *Love Stories of Later Life* integrates theory and the latest research on love and the aging process Drawing on a wealth of personal narratives collected during a landmark five year study the book presents the lived experiences of older adults from all walks of life It addresses the impact of common age related changes both emotional and physical on romantic relationships and argues that love continues to sculpt our personalities and our lives even in life s later decades Each chapter includes practical tools for the serious student of love including exercises designed to increase self awareness and relationship building as well as annotated lists of suggested reading that are at once comprehensive and accessible Barusch s fresh perspective engaging voice and in depth qualitative research make *Love Stories of Later Life* an important contribution to the study of individual lives and the aging process This book will guide gerontologists social workers and counselors as they in turn help their older clients navigate love s challenges Visit the author s website Amanda Barusch **Romantic Love in Cultural Contexts**

Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world s cultures Yet love displays in different ways because culture has an impact on people s conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining

and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal

Handbook of Families and Aging Rosemary Blieszner, Victoria Hilkevitch Bedford, 2012-09-20 This comprehensive state of the art textbook and reference volume in family gerontology reviews and critiques the recent theoretical empirical and methodological literature identifies future research directions and makes recommendations for gerontology professionals This book is both an updated version of and a complement to the original Handbook of Families and Aging The many additions include the most recent demographic changes on aging families new theoretical formulations innovative research methods recent legal issues and death and bereavement as well as new material on the relationships themselves sibling partnered and intergenerational relationships for example Among the brand new topics in this edition are step family relationships aging families and immigration aging families and 21st century technology and peripheral family ties Unlike the more cursory summaries found in textbooks the essays within Handbook of Families and Aging Second Edition provide thoughtful in depth coverage of each topic No other book provides such a comprehensive and timely overview of theory and research on family relationships the contexts of family life and major turning points in late life families Nevertheless the contents are written to be engaging and accessible to a broad audience including advanced undergraduate students graduate students researchers and gerontology practitioners Serious lay readers will also find this book highly informative about contemporary family issues

Sex and Diversity in Later Life Trish Hafford-Letchfield, Paul Simpson, Paul Reynolds, 2022-11-15 Addressing diversity in sexual and intimate experience later in life 50 this collection explores how being older intersects with ethnicity gender sexuality and class This original text extends knowledge concerning intimacies

practices and pleasures for those thought to represent normative forms of sexual identification and expression Love and Loss Colin Murray Parkes, 2013-05-13 Loving and grieving are two sides of the same coin we cannot have one without risking the other Only by understanding the nature and pattern of loving can we begin to understand the problems of grieving Conversely the loss of a loved person can teach us much about the nature of love Love and Loss the result of a lifetime's work has important implications for the study of attachment and bereavement In this volume Colin Murray Parkes reports his innovative research that enables us to bring together knowledge of childhood attachments and problems of bereavement resulting in a new way of thinking about love bereavement and other losses Areas covered include patterns of attachment and grief loss of a parent child or spouse in adult life social isolation and support The book concludes by looking at disorders of attachment and considering bereavement in terms of its implications on love loss and change in a wider context Illuminating the structure and focus of thinking about love and loss this book sheds light on a wide range of psychological issues It will be essential reading for professionals working with bereavement as well as graduate students of psychology psychiatry and sociology
