Relational Christianity Experiencing Intimacy And Companionship With The Living God:

Relational Christianity Steve Meeks,1991 *Love and Christian Ethics* Frederick V. Simmons,Brian Sorrells,2016 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research *Love and Christian Ethics* is sure to become a benchmark resource in the field **Relational Christianity** Wesley M. Pinkham,2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God's intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God's family The shape of the new covenant community must reflect the Father's nature Church culture must prioritize relationship in the same way the Trinity does *The Laws of Life* James Shane,2002-10 *The Last Great Revival* Steve Meeks,1994-12 **Choosing God's Best** Dr. Don Raunikaar,2013-01-23 Make a God Choice Not Just a Good Choice Many Christian singles today are in pain Wounded from past relationships overwhelmed at being single longer than they expected devastated at finding themselves single again Eighteen to sixty year olds will welcome the timely biblically based approach Dr Raunikaar offers as he encourages them along the path to Choosing God's Best healing from the past learning how to avoid the pain of counterfeit oneness physically emotionally and spiritually and much more This attractive repackaged edition delves into the real issues Christian singles face today and offers sound proven advice for creating deeply satisfying godly relationships Who's Your Matchmaker Disillusioned by dating Tired of being let down It may be time to visit the ultimate Matchmaker No matter what your age or past it's never too late to trust God and choose His best for your future Dr Don Raunikaar delves into the real issues to offer proven biblical principles for

creating godly relationships and a deeply satisfying courtship Read this book and be ready for romance God's way Dr Don Raunikaar offers hope for the single man or woman who is disillusioned with the modern dating scene Drawing upon time tested biblical principles Dr Raunikaar makes a convincing case for the benefits of a courtship based on God's wisdom versus a dating relationship based on man's Bill Bright Founder Campus Crusade for Christ International I feel like Choosing God's Best was written specifically for me Few would argue that the current system of dating isn't in desperate need of reform Dr Raunikaar goes even further with his radical biblical solution to the perils and pitfalls of dating Thanks Dr Raunikaar for being a radical Derek Webb Singer songwriter I'm so glad to see a book addressing what I've called the dating mess Choosing God's Best is straightforward and scriptural I especially appreciated the explanation of the categories of dating which are seldom understood Elisabeth Elliot Author and speaker I wish this book had been around when I was dating So much pain so many missed opportunities and so many mistakes could have been avoided if I had used these principles Steve Arterburn Founder and chairman New Life Ministries Story Behind the Book Dr Don Raunikaar was a professional therapist specializing in singles issues He wrote Choosing God's Best as a result of discovering the common frustrations and desires of his patients combined with his own experiences before he was married Originally published in 1998 the book continues to serve as a timeless message for singles Still changing lives to this day this repackaged edition will reach an even broader untapped market with the hope of God's truth and His promise for healthy relationships
