Religion And Churches In Eastern Europe:

Expanding Religion Miklós Tomka, 2011-01-27 Reiterated international comparative surveys offer evidences about developments of religion related scene in Central and Eastern Europe The present volume is the first one which presents an extensive and detailed cross national analysis of sociological data comparing extensively countries regions and denominations in the past two decades It displays achievements and shortages of a religious revival in the post communist region as well as religion s role in family life social responsibility and public commitment It proves the combination of de Christianization based on previous persecution of religion and an ongoing modernization and the rise and the transformation of religion In some countries popular religiosity of traditional social strata is dominant In other countries there is a visible transition from old and low strata religiosity to a more restricted but socially more influential religiosity of young middle and upper strata groups In final outcome the volume substantiates the growing public role of religion in Eastern and Central Europe as well as the distinct impact of religiosity on individual behaviour These results contradict the idea of an overwhelming secularization but argue for a more complex process overcoming the communist past

Religion and the Conceptual Boundary in Central and Eastern Europe T. Bremer, 2015-12-11 This volume concentrates on the conceptual boundary through Europe which is determined by Western and Eastern Christianity The chapters show that the boundary has never been a stable and defined division but that it was also subject to change and development and a place of encounter and exchange between religions and cultures

Discretion and Valour Trevor Beeson, 1974

Christianity and Modernity in Eastern Europe Bruce R. Berglund, Brian Porter-Szűcs, 2013-02-10 Religious history more generally has experienced an exciting revival over the past few years with new methodological and theoretical approaches invigorating the field The time has definitely come for this new religious history to arrive in Eastern Europe This book explores the influence of the Christian churches in Eastern Europe s social cultural and political history Drawing upon archival sources the work fills a vacuum as few scholars have systematically explored the history of Christianity in the region The result of a three year project this collective work challenges readers with questions like Is secularization a useful concept in understanding the long term dynamics of religiosity in Eastern Europe Is the picture of oppression and resistance an accurate way to characterize religious life under communism or did Christians and communists find ways to co exist on the local level prior to 1989 And what role did Christians actually play in dissident movements under communism Perhaps most important is the question what does the study of Eastern Europe contribute to the broader study of modern Christian history and what can we learn from the interpretative problems that arise uniquely from this region

Focus on Religion in Central and Eastern Europe András Máté-Tóth, Gergely Rosta, 2016-11-07 Different religious groups in Central and Eastern Europe influenced societies in the region after the fall of Communism and continue to play a crucial role in culture politics social networks and value transformations As part of the REVACERN Religion and Values in Central and Eastern Europe Research Network

project supported by the EU Sixth Framework Program more than 70 researchers from 15 countries in the region analyzed and discussed the most important trends in values religions and religious communities and presented their findings in a comparative way They tested well known theories of secularization nationalism democracy and pluralism in the colorful region Central and Eastern Europe This book summarizes their most important findings in seven chapters addressing religion and its entanglements with geography values nationalism Orthodoxy education legal regulation civil society social networks new religious movements and new forms of religiosity Each chapter also provides a regional overview

Religion and European Integration Miroslav Polzer,2007

Orthodox Christian Renewal Movements in Eastern Europe Aleksandra Djurić Milovanović,Radmila Radić,2017-10-11 This book explores the changes underwent by the Orthodox Churches of Eastern and Southeastern Europe as they came into contact with modernity The movements of religious renewal among Orthodox believers appeared almost simultaneously in different areas of Eastern Europe at the end of the nineteenth and during the first decades of the twentieth century This volume examines what could be defined as renewal movement in Eastern Orthodox traditions Some case studies include the God Worshippers in Serbia religious fraternities in Bulgaria the Zoe movement in Greece the evangelical movement among Romanian Orthodox believers known as Oastea Domnului The Lord s Army the Doukhobors in Russia and the Maliovantsy in Ukraine This volume provides a new understanding of processes of change in the spiritual landscape of Orthodox Christianity and various influences such as other non Orthodox traditions charismatic leaders new religious practices and rituals

Church, State, and Democracy in Expanding Europe Lavinia Stan,Lucian Turcescu,2011-09-22 Lavinia Stan and Lucian Turcescu examine the relationship between religion and politics in ten former communist Eastern European countries showing church state relations in the new EU member states through study of political representation for church leaders governmental subsidies registration of religions by the state and religious instruction in public schools

Religion in Eastern Europe ,1993

The Role of Religion in Eastern Europe Today Julia Gerlach,Jochen Töpfer,2014-12-03 While religion was expelled from the public space during Communist times and became a secret form of inner emigration it entered the empty public space again in Post Communist times Public interest in religious issues and the public prestige of religion have dramatically increased The book Under Construction The Role of Religion in Eastern Europe Today deals with the re emergence of religion in Eastern Europe and its impact on the economy the society and the state in 15 essays The authors represent various fields of science related to human interaction Economics Political Science Sociology and Law The added value is an up to date and interdisciplinary perspective on religion and its effects in major spheres of the societies in Eastern Europe today
