Religion And Media:

Religion, Media and Culture: A Reader Gordon Lynch, Jolyon Mitchell, Anna Strhan, 2012-02-13 This Reader brings together a selection of key writings to explore the relationship between religion media and cultures of everyday life It provides an overview of the main debates and developments in this growing field focusing on four major themes Religion spirituality and consumer culture Media and the transformation of religion The sacred senses visual material and audio culture Religion and the ethics of media and culture This collection is an invaluable resource for students academics and researchers wanting a deeper understanding of religion and contemporary culture

Rethinking Media, Religion, and Culture Stewart M. Hoover, Knut Lundby, 1997-01-31 This book links the growing connections between media culture and religion into a coherent theoretical whole It examines amongst others the effect on cultural practices and the increasing autonomy and individualized practice of religion

Media, Religion and Culture Jeffrey Mahan, 2014-06-05 Religion has always been shaped by the media of its time and today we live in a media culture that informs much of what we think and how we behave Religious believers communities and institutions use media as tools to communicate but also as locations where they construct and express identity practice religion and build community This lively book offers a comprehensive introduction to the contemporary field of religion media and culture It explores the religious content of media texts and the reception of those texts by religious consumers who appropriate and reuse them in their own religious work how new forms of media provide fresh locations within which new religious voices emerge people reimagine the task of religion and develop and perform religious identity Jeffrey H Mahan includes case study examples from both established and new religions and each chapter is followed by insightful reflections from leading scholars in the field Illustrated throughout the book also contains a glossary of key terms discussion questions and suggestions for further reading

Religion in the Media Age Stewart M. Hoover, 2025-03-14 Looking at the everyday interaction of religion and media in our cultural lives Hoover's book is a fascinating assessment of the state of modern religion This revised second edition now looks at the digital age new media and the significant role of social media on religion today While the sheer volume and variety of information traveling through global media changes modes of religious thought and commitment the human desire for spirituality also invigorates popular culture itself recreating commodities film blockbusters world sport politics and popular music as contexts for religious meanings Drawing on research into household media consumption Hoover charts the way in which media and religion have continued to intermingle and collide in the cultural experience of media audiences This second edition of Religion in the Media Age is essential reading for everyone interested in how today's mass media relates to contemporary religious and spiritual life

Key Words in Religion, Media and Culture David Morgan, 2008-06-30 From The Passion of the Christ to the presumed clash of civilizations religion's role in culture is increasingly contested and mediated Key Words in Religion Media and Culture is a welcome and interdisciplinary contribution that maps the territory for those who aim to make sense of

it all Highlighting the important concepts guiding state of the art research into religion media and culture this book is bound to become an important and frequently consulted resource among scholars both seasoned and new to the field Lynn Schofield Clark David Morgan has assembled here a fine team of scholars to prove beyond a doubt that the intersections of religion media and culture constitute one of the most stimulating fields of inquiry around today This highly useful and theoretically sophisticated text will likely assume ritual status in this emergent field Rosalind I J Hackett University of Tennessee US This volume is a major intervention in the literature on religion media and culture Drawing together leading international scholars it offers a conceptual map of the field to which students teachers and researchers will refer for many years to come The publication of Key Words in Religion Media and Culture is a significant moment in the formation of this area of study and sets a standard for cross disciplinary collaboration and theoretical and methodological sophistication for future work in this area to follow Gordon Lynch Birkbeck College University of London UK This book offers a range of refreshing essays on the relationships between media and religion Its selected keywords open doors to understanding contemporary society The cultural perspectives on mediation and religious practices give some illuminating and surprising analyses Knut Lundby University of Oslo Norway

Religion and Media in America Anthony Earl Hatcher, 2018 Religion and Media in America is a qualitative study of six distinct ways religion especially Christianity has been woven into American popular and civic culture It uses historical and contemporary analysis to explore how Christianity both adapts to and is affected by new media forms

Religion and Media Hent de Vries, Samuel Weber, 2022 The latter part of the twentieth century saw an explosion of new media that effected profound changes in human categories of communication At the same time a return to religion occurred on a global scale The twenty five contributors to this volume who include such influential thinkers as Jacques Derrida Jean Luc Nancy Talal Asad and James Siegel confront the conceptual analytical and empirical difficulties involved in addressing the complex relationship between religion and media The book s introductory section offers a prolegomenon to the multiple problems raised by an interdisciplinary approach to these multifaceted phenomena The essays in the following part provide exemplary approaches to the historical and systematic background to the study of religion and media ranging from the biblical prohibition of images and its modern counterparts through theological discussion of imagery in Ignatius and Luther to recent investigations into icons and images that think in Jean Luc Marion and Gilles Deleuze The third part presents case studies by anthropologists and scholars of comparative religion who deal with religion and media in Indonesia India Japan South Africa Venezuela Iran Poland Turkey present day Germany and Australia The book concludes with two remarkable documents a chapter from Theodor W Adorno s study of the relationship between religion and media in the context of political agitation The Psychological Technique of Martin Luther Thomas Radio Addresses and a section from Niklas Luhmann s monumental Die Gesellschaft der Gesellschaft Society as a Social System
