Religion And Employment In Northern Ireland:

Religion and Employment in Northern Ireland David Eversley, 1989-05 This is the definitive analysis of a question of crucial importance to Northern Ireland why are so many Catholics unemployed or in low paid jobs Is it the result of active discrimination by Protestant employers or is it determined by factors within the Catholic community such as large families low educational qualifications and living in areas of long term economic decline Challenging both these opposed orthodoxies the book offers a convincing analysis of the present position and evaluates the available remedies As a detailed case study of religious discrimination in the labour market the book will be of interest to scholars and professionals in social demography sociology political science social administration

Law in Northern Ireland Brice Dickson, 2018-06-28 Law in Northern Ireland is the essential textbook for all students of Northern Ireland's legal system Changes to this new edition some of them substantial have been made to every section taking full account of five years of developments The book explores the evolution of law making in Northern Ireland before going on to explain the relevant constitutional arrangements how to identify and interpret applicable sources of law and what are the fundamental rules and principles of public law criminal law and private law highlighting where appropriate what may be unusual about them It contextualises the myriad of legal institutions operating in the jurisdiction sets out how criminal and civil proceedings work in practice and provides useful information on how people become lawyers what lawyers actually do once they become qualified and how the legal system is funded The appendices set out some sample sources of law so that readers can familiarise themselves with what is involved in handling legal documents The language throughout is accessible and there are Tables of Cases and Legislation as well as a comprehensive index

Community Relations and the Troubles in Northern Ireland Joana Etchart, 2024-11-19 Community relations policy has been an almost permanent feature in Northern Ireland since 1969 yet it has rarely been considered as an object of study This book provides historical depth to its analysis by documenting the various manifestations of the notion of community relations in public policy during the Troubles period Drawing on a variety of written and oral primary and secondary sources it offers a unique rich perspective on the meaning and intent behind community relations policy at certain critical junctures In addition by examining this period through the lens of one policy the book sheds light on important questions such as who intervened in policy making during the conflict who sought to influence the process and eventually who took the decisions It also considers the varied roles played by community workers This meticulous analysis reveals previously unknown aspects of the evolution of community relations policy and presents a compelling micro history of policy making and governance during the Troubles in Northern Ireland

Employment Equity and Affirmative Action Harish C. Jain, Peter J. Sloane, Frank M. Horwitz, 2003 Compares the employment equity affirmative action practices of six countries the United States Canada Great Britain Northern Ireland India Malaysia and South Africa

Religious Freedom, Religious Discrimination and the Workplace Lucy Vickers, 2016-11-03 This book considers the extent to which religious interests

are protected at work with particular reference to the protection against religious discrimination provided by the Equality Act 2010. It establishes a principled basis for determining the proper scope of religious freedom at work and considers the interaction of freedom of religion with the right not to be discriminated against on grounds of religion and belief. The book locates the debates surrounding religion and belief equality within a philosophical and theoretical framework in which the importance of freedom of religion and its role within the workplace are fully debated. This second edition is fully revised and updated in the light of recent case law from the UK and the European Court of Human Rights which deals with religious discrimination and freedom of religion.

Human Rights in Northern Ireland Brice Dickson, Brian Gormally, 2015-02-26. This Handbook is the latest version of a book that was last published in 2003 and has been completely revised to take account of the innumerable legal developments since then. The book contains 26 chapters on topics ranging across the full spectrum of civil political social economic and environmental rights with particular emphasis on the right not to be discriminated against. It is currently the most comprehensive and practical publication on the state of human rights in Northern Ireland. This is a part of the world where as well as ongoing issues arising out of the conflict emergency laws are still in place for example there are familiar questions concerning the rights of people with poor mental health the law relating to family and sexual matters children's rights education rights employment rights housing rights and social security rights. The contributors to the book are all experts in their field most of them with years of experience as human rights activists and advisers. The book provides precise information about relevant legislation and case law on which there are tables and is fully indexed.

The European Convention on Human Rights and the Conflict in Northern Ireland Brice Dickson, 2010-03-04. This book charts the role played by the European Convention on Human Rights during the conflict in Northern Ireland from 1968 to the present day. It offers a systematic case study of the Convention's capacity to protect human rights in a society wracked by terrorism and political conflict.

Managing Diversity Michàlle E. Mor-Barak, 2013-03-13. Using inclusion/exclusion as an organizing construct to help examine problems and solutions in a global context, this text explores issues of the multicultural workplace from both American and European perspectives.

Religion and the Law St. John Anthony Robilliard, 1984.

Northern Ireland's Troubles Marie-Therese Fay, Mike Morrissey, Marie Smyth, 1999-03-20. This work provides a background to the Northern Ireland conflict. The authors investigate the human effect of the violence looking at the geographical religious gender and age distribution of deaths due to the troubles. They analyse the impact of the activities of the various armed participants and examine the relationship between deprivation and levels of violence. Looking at suicide rates levels of prescribed drug use and mental health admissions they examine the social impact of the conflict. They then compare this with the impact on the economy GDP unemployment levels and public expenditure putting forward a positive agenda for dealing with the effects of conflict and for moving away from violence towards peace.
