Alexander, 2018-04-16 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded Music journalist and historian

John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure. In discovering why Cash wrote a given song or chose to record it, Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit. The hits came of course: Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame, the Country Music Hall of Fame, the Songwriters Hall of Fame, and the Gospel Music Hall of Fame. *The Man in Song* connects treasured songs to an incredible life. It explores the intertwined experience and creativity of childhood trauma. It rifles through the discography of a life: Cash's work with the Tennessee Two at Sam Phillips's Sun Studios, the unique concept albums Cash recorded for Columbia Records, the spiritual songs, the albums recorded live at prisons, songs about the love of his life June Carter Cash, songs about murder and death, and addiction songs about ramblers and even silly songs. Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend, *The Man in Song* will appeal to a fan base spanning generations. Here is a biography for those who first heard *I Walk the Line* in 1956, a younger generation who discovered Cash through songs like his cover of Trent Reznor's *Hurt* and everyone in between.

Can't You Hear the Whistle Blowing? Bill MacWithey, 2000-08-29 A young boy loses his father and his little dog at the same time. Will the ghost of a young Indian girl bring him back from his sadness and despair? Do you believe in angels? The Dove That Saved Charlie will be of special interest. Once a profound druggie and alcoholic, Charlie finds a new life with the help of a simple thing like a dove in his back yard. Do you believe in Ghosts? A young boy's ghost is trapped at Barkley Elementary until a kindly school librarian sets him free. Not only does she set him free but finds love in the doing. When trapped in the desert, how could a helicopter pilot who died the previous day come to Bob's rescue? Lefty's Ghost must have done it. Is there a place between Heaven and Hell where we must somehow redeem or condemn ourselves? Wouldn't that be confusing? *My Brother My Haunting* will make you laugh but it will also make you wonder. Will there be human appearing cyborgs in the future? Can you imagine two cyborgs meeting, each believing the other to be human? The stories in *Can't You Hear the Whistle Blowing* will entertain in all these areas and more. 25 stories drawn from a repertoire of over a hundred, fifty by one of today's most entertaining authors. Bill MacWithey receives comments from fans such as: So and so used to be my favorite author until I read your work.
